A Tribe Apart Patricia Hersch, 2013-02-06 For three fascinating disturbing years writer Patricia Hersch journeyed inside a world that is as familiar as our own children and yet as alien as some exotic culture the world of adolescence As a silent attentive partner she followed eight teenagers in the typically American town of Reston Virginia listening to their stories observing their rituals watching them fulfill their dreams and enact their tragedies What she found was that America s teens have fashioned a fully defined culture that adults neither see nor imagine a culture of unprecedented freedom and baffling complexity a culture with rules but no structure values but no clear morality codes but no consistency Is it society itself that has created this separate teen community Resigned to the attitude that adolescents simply live in a tribe apart adults have pulled away relinquishing responsibility and supervision allowing the unhealthy behaviors of teens to flourish Ultimately this rift between adults and teenagers robs both generations of meaningful connections For everyone s world is made richer and more challenging by having adolescents in it **Well of Sins** Richard King, Bonnie King, 2014-01-16 All civilizations have a story or myth of an Armageddon a great war where good and evil will clash fighting for the fate of the Universe Some say good will triumph others say not In the time of Troy three god forged items were crafted None of the gods who made these

artifacts knew of the vital role each will play in that battle until history has molded them to its own needs From Troy through Moses and to the Emperors of Rome these items have been influenced by the sins and virtues of those who held them and in return they have influenced their holders From one hand to another they have been passed through the generations Only centuries after their making will their final purpose be known No one truly knows when Armageddon is supposed to begin but many believe it is right around the corner They may very well be right A time approaches where these artifacts will be sought whether for good or evil remains to be seen But to understand what these items are it must be told how they came to be Brought from Jerusalem to Samaria the Cup is guarded by the last Daughter of Arnavon But she has troubles of her own to worry about
