Growing in Christ Brett Eastman, Dee Eastman, 2009-08-30. Our world these days is so hectic, so complex. Where do we turn for wisdom and guidance in navigating the ins and outs of life? There are many voices to listen to and many examples to follow, but we really need look no further than the Author of Life: Jesus. He taught and lived a way of life that was purposeful and pleasing to God. These six sessions will show you the value and the nature of a life of discipleship as modeled by Jesus. *Experiencing Christ Together* helps your group explore the five biblical purposes that make up a high-impact Christian life: fellowship, discipleship, ministry, evangelism, and worship. Jesus perfectly lived out God's purposes for his life, and he taught his followers how to do the same. As you walk in the footsteps of those first disciples by listening to and watching Jesus through these studies, you and your group will be transformed. One small group leader put it this way: The *Experiencing Christ Together* series has motivated me more than any other Bible study that I have ever been to. This Bible study gets to the heart of the matter: my character in Christ, and that has created action on my part.

Go Fish DVD Andy Stanley,2005-12-15 Tell Faith Filled Fish Tales We ve all heard them It was this big You should have seen the one that got away People love to tell stories of their fishing adventures When it comes to faith however most people clam up Why is it we can t talk about what God has done in our life as naturally as we can spin fishing tales This six part DVD explores the motivation behind sharing our faith and how it can become a natural part of our lives Its companion study guide is complete with a leader s guide and six lessons including conversation starting exercises discussion questions and application steps Fishing stories We ve all heard them It was this big You should have seen the one that got away People love to tell stories of their fishing adventures When it comes to faith however most people clam up Why is it we can t talk about what God has done in our lives as naturally as we can spin fishing tales In this six part DVD Andy Stanley explores the motivation behind sharing your faith and how it can become a natural part of your life Sessions include Part 1 We Were All Fish Once The

foundation of our call to be fishers of men is the perspective that we too were once in a position of needing to hear the good news about Jesus. Recalling our own need helps us grasp the importance of answering God's call to go fish.

Part 2 Why Fish In our culture there are so many reasons not to fish that it is important to recall why we need to fish. This message explains that Christianity is based on historical events that must be reported in order to be realized; moreover, Christianity is too counterintuitive to be recognized without help. Unless we tell others about Jesus, they'll never know.

Part 3 Fish Guts Sometimes our fears keep us from sharing the message of Christ with those who have never heard. We must remember that God is in control and we have been invited to participate in what He is up to. If we are to be fishers of men, we must ask God to enable us to have the courage to say something when an opportunity to share His love is given to us.

Part 4 Fishing Buddies What's the relationship between building the church and being a fisher of men? Fishing was never intended to be a solo mission. The church was meant to partner with us in the fishing process.

Part 5 Muddy Water Unless we are able to articulate the message of Jesus clearly and effectively, our efforts to be fishers of men will be hindered. Surprisingly few Christians are skilled at making a simple presentation of the gospel. Often we overcomplicate it. Learn a simple presentation of the gospel that you can easily share with others.

Part 6 The One That Got Away It is easy to become consumed in our Christian world and forget about those who don't know God. It is our responsibility to go back to those people and share what we've discovered.

Story Behind the Book Andy Stanley, senior pastor of three North Point Ministries campuses with a cumulative congregation of more than twenty thousand, has had countless conversations with everyday Christians who struggle to share their faith with confidence and ease. Though not everyone has the gift of evangelism, it is something we're each called to. This curriculum was designed to take the fear out of sharing the good news of Christ and to help you talk about it as naturally as you would that exciting fishing trip last weekend.
