through a unique exploration of the philosophy underlying The Wheel of Time The Wheel of Time turns and ages come and pass leaving memories that become legend Legend fades to myth and even myth is long forgotten Robert Jordan's The Wheel of Time is a story of mythic proportions following Rand al'Thor the Dragon Reborn as he marches toward Tarmon Gai'don the last battle between the forces of good and evil Male and Female channelers wield complementary halves of the one power some for good others in service to the Dark One But in a world of polar opposites there is ambiguity Rand alongside his comrades must navigate a complex world where anybody may be a Darkfriend and even dreams may be lethal all while learning to become the heroes of legend they thought only existed in gleeman's tales Drawing from both the beloved book series and the Amazon Prime adaptation 18 scholars and fans provide readers with a deeper understanding of the ideas woven throughout the rich world of The Wheel of Time Covering wide ranging themes from magic rooted in biological sex and the meaning of gender to Wolf brothers and humanity's connection to the animal world from slavery and servitude to pacifism and polyamory these authors tackle issues paramount to understanding the human condition Substantial yet accessible chapters address philosophical questions including Could there be a world without evil Who is the author of a work Should we prefer existence to nothingness Does fate determine our future and does it matter When if ever is war justified Featuring contributions from scholars with expertise in philosophy literature and media studies The Wheel of Time and Philosophy A Portion of Wisdom is ideal a must read for fans philosophy students and scholars alike who wish to explore the deeper intellectual currents running through The Wheel of Time

Fallen Gods (The Complete Series) Pablo Andrés Wunderlich Padilla, The enemy has infiltrated the empire and gained enough political and military influence to subvert it from within The venom of darkness spills from the heart of the kingdom Politicians and civilians alike have been tamed and subdued rendered incapable of recognizing right from wrong good from evil Evil spreads like a terminal disease unchallenged unhindered and unrestrained In a small village on the outskirts of the kingdom an innocent young shepherd tends to his sheep and helps on the family farm His family's estate is hastening toward economic ruin due to the untimely death of his grandfather It all falls on him to honor his family's legacy When the young shepherd sets off on a seemingly dull journey to a nearby village he encounters a terrible darkness His quest will become an epic battle of survival love and ultimate sacrifice As he accepts the call to arms his innocence will be lost He must save his country and awaken his people from slumber Will he be in time to save them all

Playing at the World, 2E, Volume 2 Jon Peterson, 2025-04-08 The second volume of two in a new updated edition of the 2012 book Playing at the World which charts the vast and complex history of role playing games This new edition of Playing at the World is the second of two volumes that update the 720 page original tome of the same name from 2012 This second volume is The Three Pillars of Role Playing Games a deep dive into the history of the setting system and characters of Dungeons & Dragons the three pillars indicated by the volume's title The first volume of the new edition is The Invention of Dungeons & Dragons which explores the publication and reception of that iconic game In

this second volume Jon Peterson covers the medieval fantasy setting the first pillar and addresses why the first role playing game evolved around fantasy and medieval settings as opposed to some other historical setting In the second pillar the author explores how the rules of wargames from their roots in chess variants from eighteenth century Germany developed into those of role playing games Finally the third pillar focuses on character perhaps the most elusive of the three pillars and investigates how precedents governed the introduction of characters to games more so than the original D D rule books Filled with unparalleled archival research from obscure fanzines to letters drafts and other ephemera this new edition of Playing at the World is the ultimate geek s guide to the original RPG As such it is an indispensable resource for academics and game fans exploring the origins of the hobby
