Puppet and Spirit: Ritual, Religion, and Performing Objects Claudia Orenstein, Tim Cusack, 2023-07-31 This anthology of essays aims to explore the many types of relationships that exist between puppets broadly speaking and the immaterial world The allure of the puppet goes beyond its material presence as historically and throughout the globe many uses of puppets and related objects have expressed and capitalized on their posited connections to other realms or ability to serve as vessels or conduits for immaterial presence The flip side of the puppet s troubling uncanniness is precisely the possibilities it represents for connecting to discarnate realities Where do we see such connections How do we describe analyze and theorize these relationships The first of two volumes this book focuses on these questions in relation to long established traditional practices using puppets devotional objects and related items with sacred aspects to them or that

perform ritual roles Looking at performance traditions and artifacts from China Indonesia Korea Mali Brazil Iran Germany and elsewhere the essays from scholars and practitioners provide a range of useful models and critical vocabularies for addressing the ritual and spiritual aspects of puppet performance further expanding the growing understanding and appreciation of puppetry generally This book along with its companion volume offers for the first time robust coverage of this subject from a diversity of voices examples and perspectives *Mexican Masks and Puppets* Bryan J. Stevens,2012 In the Mexican states of Puebla and Veracruz old masked dances have survived in isolated mountain regions These dances include wonderful masks of humans and animals masks with beautiful comic or wicked faces Created by Indigenous master carvers mascareros these masks and puppets appear during religious fiestas Over 700 vivid color photos reveal these masks and puppets in all their glory The thoroughly researched text answers the questions about who made these beautiful works of art who these dance characters are and the nature of the religion they represent The Spanish conquerors strove to convert the Indian inhabitants of Mexico to Christianity However these converts secretly retained important deities from earlier times to accompany Christian elements creating a poetic blend of beliefs Given that these indigenous peoples have suffered many injustices the masks puppets and dance dramas reflect many unresolved societal tensions along with veiled wishes for divine justice Using the Creative Arts in Therapy and Healthcare Bernie Warren,2003-09-02 First published in 1993 Routledge is an imprint of Taylor Francis an informa company **Marionettes, Masks and Shadows** Winifred Harrington Mills,Louise M.
