Fifth Avenue Famous Salvatore Basile, 2010-05-13 Fascinating not only a history of arguably the most visible Catholic church in the world but indeed all New York s colorful church music landscape Scott Turkington director Church Music Association of America Victorian era divas who were better paid than some corporate chairmen the boy soprano who grew up to give Bing Crosby a run for his money music directors who were literally killed by the job the plot of a Broadway show or a dime store novel No the unique and colorful history of St Patrick s Cathedral Since its inception more than 125

years ago the Cathedral Choir has been considered the gold standard of liturgical music an example of artistic excellence that has garnered worldwide renown Yet behind this stately facade lies an intriguing mix of New York history star secrets and high level office politics that has made the choir not only a source of prime musical entertainment but also fodder for tabloids and periodicals across the nation In this unique and engaging book readers are treated to a treasure trove of vibrant characters from opera stars from around the world to the thousands of volunteer singers who brought their own hopes and dreams and widely varying musical abilities to the fabled choir The Cathedral Choir provides an extraordinary and largely overlooked insight into the history of St Patrick s and in Salvatore Basile s pitch perfect exploration it becomes a microcosm for the larger trends upheavals and events that have made up the history of the city the nation and even the world Bulges with facts anecdotes and legend beautifully woven into a fine narrative covering the period from 1879 to 2010 McNeil Robinson former chair of the organ department Manhattan School of Music The Ground Zero Cross Brian J.

Jordan,2017-05-12 Two days after the terrible attack against the World Trade Center on September 11 2001 a union construction worker made a remarkable discovery within the ruins of World Trade Center 6 He saw a cross like beam that stood on top of a heap of debris He was stunned by its significance as were countless others after him The purpose of this book is to trace the thirteen year odyssey of this iconic cross from World Trade Center 6 to its position atop a concrete abutment within the World Trade Center during the recovery and rebuilding period to the outside wall of St Peter s Roman Catholic Church across from Ground Zero and finally to the National 9 11 Memorial Museum where it remains today The odyssey also includes a three year legal battle whose appellate decision found that the Constitution of the United States does not preclude the presence of the Ground Zero cross within the National 9 11 Memorial Museum This book is the author s personal memoir He is a Franciscan priest who through many uncertain days was the unofficial guardian of the Ground Zero cross The concurrent themes of the book treat spirituality grief sharing selfless sacrifice architecture church history biblical theology and litigation The book tells the story of many obstacles transcended on the way to the triumph of the Ground Zero cross *The Palgrave Handbook of Popular Culture as Philosophy* Dean A. reliable tool for the preparation and celebration of the liturgical rites authoritatively granted by the Holy Father in Summorum Pontificum I congratulate the distinguished liturgical scholar Dr Alcuin Reid for his care and precision in ensuring that this revised edition conforms to the latest authoritative decisions with regard to these liturgical rites As Pope Benedict XVI wrote in his letter which accompanied Summorum Pontificum In the history of the liturgy there is growth and progress but no rupture The Gregorian Rite is today a living liturgical rite which will continue its progress without losing any of its riches handed on in tradition For as the Holy Father continued What earlier generations held as sacred remains sacred and great for us too and it cannot be all of a sudden entirely forbidden or even considered harmful It behoves all of us to preserve the riches which have developed in the Church's faith and prayer and to give them their proper place May this book assist the Church of today and of tomorrow in realising Pope Benedict's vision Dar o Cardinal Castrillon Hoyo's President Pontifical Commission Ecclesia Dei This fifteenth edition revised in the light of Pope Benedict XVI's reforms and expanded and corrected throughout includes a new chapter on the music of solemn and sung Mass as well as clarifications of questions that have arisen in the light of recent experience It gives descriptions of the rites of pontifical solemn and low Mass Vespers the liturgical year including Holy Week the sacraments Benediction of the Blessed Sacrament funerals episcopal visitation and more
