

TO MY BEST TEACHER

*Thank
You!*

The background features a light blue grid. Various educational icons are scattered around the central text: three pushpins (orange, blue, pink) at the top left; three puzzle pieces (yellow, teal, pink) at the top center; a magnifying glass at the top right; three alphabet blocks (orange 'C', teal 'A', purple 'B') at the top right; two atomic models (one red and yellow, one blue) on the left and right sides; a stack of three books (yellow, blue, red) with a green apple on top at the bottom left; a stack of two books (yellow, blue) at the bottom center; and a globe on a stand at the bottom right.

My Thanks To You:

My Very Own Book Žiga Vavpotič, 2008 **Feelin** Bettina Judd, 2022-12-15 How creativity makes its way through feeling and what we can know and feel through the artistic work of Black women Feeling is not feelin As the poet artist and scholar Bettina Judd argues feelin in African American Vernacular English is how Black women artists approach and produce knowledge as sensation internal and complex entangled with pleasure pain anger and joy and manifesting artistic production itself as the meaning of the work Through interviews close readings and archival research Judd draws on the fields of affect studies and Black studies to analyze the creative processes and contributions of Black women from poet Lucille Clifton and musician Avery Sunshine to visual artists Betye Saar Joyce J Scott and Deana Lawson *Feelin Creative Practice Pleasure and Black Feminist Thought* makes a bold and vital intervention in critical theory's trend toward disembodiment feeling as knowledge Instead Judd revitalizes current debates in Black studies about the concept of the human and about Black life by considering how discourses on emotion as they are explored by Black women artists offer alternatives to the concept of the human Judd expands the notions of Black women's pleasure politics in Black feminist studies that include the erotic the sexual the painful the joyful the shameful and the sensations and emotions that yet have no name In its richly multidisciplinary approach *Feelin* calls for the development of research methods that acknowledge creative and emotionally rigorous work as productive by incorporating visual art narrative and poetry **Science, Sexuality, and Race in the United States and Australia, 1780-1940** Gregory D. Smithers, 2017-07 *Science Sexuality and Race in the United States and Australia 1780 1940 Revised Edition* is a sociohistorical tour de force that examines the entwined formation of racial theory and sexual constructs within settler colonialism in the United States and Australia from the Age of Revolution to the Great Depression Gregory D Smithers historicizes the dissemination and application of scientific and social scientific ideas within the process of nation building in two countries with large Indigenous populations and shows how intellectual constructs of race and sexuality were mobilized to subdue Aboriginal peoples Building on the comparative settler colonial and imperial histories that appeared after the book's original publication this completely revised edition includes two new chapters In this singular contribution to the study of transnational and comparative settler colonialism Smithers expands on recent scholarship to illuminate both the subject of the scientific study of race and sexuality and the national and interrelated histories of the United States and Australia **Caught** Janice Singleton, 2015-01-23 All my life I've had a love for control In order to have control I needed money It started out from something as simple as an allowance If it wasn't given to me I found a way to get it Hell I was filling my little Gerber baby food jars with all the coins that I could get my hands on at an early age The sound of the money clinking against the glass thrilled me Somehow I understood that what I had in my hand was power and I wanted it all the time I was becoming a master of money before I even mastered multiplication I've always excelled at anything that I made up my mind to do From grade school through high school I had no problems academically I graduated

college had a successful business and entered into the positive career field of law enforcement I was extremely blessed but greed got the best of me while climbing my way to the top of the economic ladder Then there I was living it up in Laughlin Nevada in a clean brown Armani suit to match my complexion wearing jewelry that could pay someones mortgage for a year enjoying the high life in the City of Lights and Chances Everything was so exciting every moment so electric and I was clueless that the ground beneath me was caving in As I placed another bet eyes glazed over in anticipation waiting for the big money hit I was oblivious to the fact that my quiet secure humble home and my business were being surrounded for a raid How foolish and greedy could I have been to let it get this far Now there was no way out I was caught **Happy Holidays**

Ralph Henson,2011-06 This short book on holidays gives some of the feelings and possible reactions to the politically correct sayings we hear now It talks about how some holidays are overshadowed by the preparation of another It gives some feelings about not being able to talk about not even mentioning the reason for a holiday Are you offended by somebody saying they are offended by the standard remarks or displays associated with a holiday Perhaps you will find out you are not alone and it is time to reconsider your feelings and thoughts about being politically correct Happy Holidays tells us the real reasons we celebrate some of our holidays **My Porcelain Doll**

Sherry Anne Coombe,2013-09 My Porcelain Doll is Sherry Coombe s poignant tribute to her late daughter and a moving memoir about walking side by side through Heather s struggles and triumphs during cancer Sherry traces the journey she and Heather shared through some of the toughest challenges and sweetest moments of fighting cancer Genuine intimate and unconditional love My Porcelain Doll is a story of hope joy and sadness that only a mother could write Then came a bunch of words like aggressive really bad tumor spinal taps and on and on Of course it still didn t sink in how bad he thought it was until he started talking about transplant team and City Of Hope I knew then I was a really sick lil gal I think that was the first time I was really truly scared that it might be too late Heather Coombe *Wild Love*

Gill Edwards,2012-03-29 Whenever we try to be good or expect others to be good we disconnect from the freedom joy and unconditional love that is our natural birthright It is only when we aim to be happy and reach for our dreams that we reconnect with Source energy and release our loving creative and unique potential Leading spiritual writer Gill Edwards explains that a deep magical and joyous reality lies just beyond our reach if only we can find the key to unlock the door In WILD LOVE she helps us find that elusive key by giving up our old patterns of relating and aligning ourselves with Source energy WILD LOVE is a beautifully written and inspiring book which will help you to become wild and free and to become a passionate and visionary co creator of your own heaven and earth **My Encounters with God**

Paulette Nkeng Dadey,2020-01-27 The stories in this book are encouraging and display the countless ways the Lord has always worked through and for me The book displays God s love and faithfulness with the hope of assuring readers that God will always take care of them if they put all their trust in Him Our storms are only temporary but God s blessings last forever if only We have faith Taking time to know and be in God s presence is the best way and place to find strength and peace I

believe you will be empowered to find full satisfaction through close intimacy with God by reading this book **Railway Carmen's Journal** ,1918 *Thomas W. Schaller, Architect of Light* Thomas Schaller,2018-09-11 Powerful Paintings from a Watercolor Master The most nearly perfect paintings to me are rarely the ones simply characterized by technical expertise More often they are the ones in which you can sense the beating heart of the artist just below the surface flaws included Twenty years into a career as architect and architectural illustrator Thomas Schaller embarked upon a bold new path as a fine artist Today he is one of the world s most accomplished watercolor artists celebrated for his poignant treatment of light and its dynamic interplay with the natural and manmade landscape The first and only collection of work from this popular contemporary artist Thomas W Schaller *Architect of Light* features 150 of his finest paintings buildings bridges boats people and other scenes from around the world In a series of essays Schaller ruminates on his journey as an artist what drives him and the truths he s discovered along the way He offers not only sage insight on composition color and other technical aspects of painting but also provocative perspective on more fundamental struggles for the artist such as overcoming self doubt and honing one s own unique voice Schaller s essays like his art shine with passion authenticity and the epiphanies that comprise his artistic constellation discovering the power of breathing the secret to finding the art in any subject and how the quest for perfection led him to worry less about the final result to take greater joy in the process itself It s a pivoting read for collector art lover and practicing artist alike full of views to savor and enlighten
