My Time To Shine:

Misunderstood Soul: A Lost Cause Sandra M. Dorazil, 2016-03-03 It's not easy to express true pain and suffering to others. Being a teenager and making your way up to young adult life has its share of obstacles. Along the way, there are many lessons learned and many deep feelings that don't have the needed closure. Understanding and acceptance is what can make everything better. These are a collection of poems that were written from the hardest memories of High School until the last year of college.

Glitterball Yasmin Wilde, 2022-09-22 More Bassey than Bhangra. Sonia's life has always been a bit of a double act brought up as one half of a Shirley Bassey tribute act. Alongside her overbearing mother Gloria, she left a trail of sequins across the working men's clubs of East Anglia. Now she's divorced, battling through the middle age jungle, wrangling unimpressed teenagers and navigating rocky friendships. But the arrival of her half brother Naim brings a refreshed sense of belonging and cultural identity, and she begins to piece together the mosaic of her life. Can Sonia shake off the past even with her ever-present mother keeping the show on the road from beyond the grave? *Glitterball* is a play with live music, wry humour, and a whole lotta sparkle. This edition was published to coincide with the first run produced by Rifco Theatre and Watford Palace Theatre at Watford Palace Theatre in September 2022.

The Ultimate Surprise Jacqueline P. Jones, 2009-08-10 The Ultimate Surprise will take you on a journey like no other journey you have ever traveled before. First, let me explain what the ultimate surprise was. It was a brain tumor, a Meningioma. This type of tumor, in most cases, is benign and not cancerous. To be told that you have a brain tumor, cancerous or not, is traumatic. That is the way I felt when I was told that I had a brain tumor. Trust me when you hear those words, everything else is mute, and you can't hear anything else. The only thought that comes to mind is, "Oh My God, a Brain Tumor." You answer to yourself, "Yes, that is what you have." The next thing you do is brace yourself for what you must still have to face. This book was written to help you through this journey and the many stops you have to take to reach your destination. Your destination starts with meeting your surgeon, having the surgery to eradicate, remove the ultimate surprise, and then you stay on the road to recovery until you feel better. The end of the journey is when you are pain-free, and the ultimate surprise is just a memory.

My Spoken Words Rahimah S. Phillips, 2022-08-05 She had just turned fifty years young and was having the time of her life. She felt like she was living her best life. She looked good and felt great. Then things changed real quick. She was scheduled for a colonoscopy but could never seem to get to the doctor's office early enough. She didn't want to take a day off work. Not for this. Maybe if she had things would have been different. Throughout this collection of poetry, Rahimah shares her feelings of living with a death sentence. As she struggles to survive and find ways to cope with a life-threatening illness, she uses poetry to help describe her feelings and express her thoughts. Then just when things were starting to get better, came this horrible disease called COVID-19. Then there were so many more emotions. Mixed emotions. Confined to her home, Rahimah began to watch the news. Although some people came together, they remained apart. As Rahimah prayed for the struggles to end, she saw people killing and being killed. There were people who

did not believe in unity equality equity and dignity As her words hit the paper and she spoke into her cell phone her poetry came alive Rahimah began to capture other people s emotions and incorporated them into her poetry She continued to listen She continued to live She continued to breathe without ease She continued to yearn She continued to learn Rahimah s poetry expresses feelings of faith hope courage determination and strength And with the belief that a picture is worth a thousand words Fred R Barnard Rahimah captures poetry in motion and uses vibrant pictures to continue expressing other feelings such as love joy peace happiness and pride during challenging times *Emerald Volume 2 Multiple Poets, A Poetry collection with multiple themes* Poetry is Cool Joe Lyon,2013-02-16 I am Joe Lyon and this is my book Poetry is Cool It took me 34 years to write what is contained within these 140 or so pages The following are just some of my musings and writings just a fraction of them really sketched down since 1979 throughout most of my life They cover a wide range of topics but mostly about living life growing older and wiser and looking back over the landscapes of my life both real and imaginary for reasons unknown at the time She Got Game Cynthia Cooper,2025-05-01 WNBA star and Olympic gold medalist Cynthia Cooper shares her extraordinary story in this fascinating and inspiring book that proves that hard work commitment and determination can pave the way for success no matter what the odds **Story Land** Aaron McCuddy,2011 *Me* Ricky Martin,2010-11-02 International superstar Ricky Martin who has sold more than 60 million albums worldwide opens up for the first time about memories of his early childhood experiences in the famed boy band Menudo struggles with his identity during the *Livin la Vida Loca* phenomenon reflections on coming to terms with his sexuality relationships that allowed him to embrace love and life changing decisions like devoting himself to helping children around the world and becoming a father *Me* is an intimate memoir about the very liberating and spiritual journey of one of the most iconic pop stars of our time
