My Third Escape:

My three years in Manipur : and escape from the recent mutiny Ethel St. Clair Grimwood, 2025-03-02 In *My Three Years in Manipur And Escape from the Recent Mutiny* Ethel St Clair Grimwood offers a gripping first hand account of her experiences in the tumultuous region of Manipur during a period of considerable political and social upheaval in British India. Written in a vivid and engaging prose style that reflects the heightened emotions of her experiences, Grimwood's narrative blends personal memoir with historical documentation, providing a unique perspective on the complexity of colonial relationships and the profound realities of war. The book serves not only as a thrilling adventure but also as an invaluable record of a woman's resilience in the face of adversity amid the backdrop of the 1857 Indian Rebellion, showcasing the intersection of gender and colonialism in the literary context of the time. Ethel St Clair Grimwood, a remarkable figure of her era, was born into a colonial tapestry that likely influenced her narrative approach. As the wife of a British officer stationed in India, her insights are imbued with both personal experience and an acute observation of societal dynamics, reflecting her deep empathy for the indigenous populations. Grimwood's perspective as a woman in a male-dominated society adds layers of complexity to the narrative, highlighting the often overlooked voices of women in colonial literature. This compelling memoir is highly recommended for readers interested in colonial history, women's studies, and military narratives. Grimwood's eloquent storytelling allows contemporary audiences to engage with a pivotal historical moment through the eyes of one who lived it, making it an essential addition to the canon of British colonial texts.

Escape from Stalag Luft III Bram Vanderstok, Simon Pearson, 2019-06-30 A memoir of the most decorated pilot in Dutch history and one of the World War II POWs who fled Nazi Germany, what is known as The Great Escape. On the night of 24 March 1944, Bram Vanderstok was the eighteenth of 76 men who crawled out of Stalag Luft III in Zagan, Poland. The 1963 film *The Great Escape* was largely based on this autobiography, but with Vanderstok's agreement, filmmakers chose to turn his story into an Australian character named Sedgwick, played by James Coburn. His memoir sets down his wartime adventures before being incarcerated in Stalag Luft III and then describes various escape attempts which culminated with the famous March breakout. After escaping, Vanderstok roamed Europe for weeks before making it back to England. Two months after escaping, he returned to the British No. 91 Squadron. In the following months, he flew almost every day to France, escorting bombers and knocking down V1 rockets. In August 1944, he finally returned to his home. He learned that his two brothers had been killed in concentration camps after being arrested for resistance work. His father had been tortured and blinded by the Gestapo during interrogation. He had never betrayed his son. His escapes, his operations as a Spitfire pilot, his experiences as a prisoner of war, and his incredible escape crossing the Pyrenees, all are described in a breathtaking manner which made me read his book through in one sitting. Prof. Dr. L. de Jong, founder-director of the Dutch Institute for War Documentation. Such a modest man, such a dramatic story, you'll be pulled into this absorbing account. Jonathan Vance, author of *The True Story of the Great Escape*.
