that for many years she has desired to write this book She visited the city many times in the fall and stayed for long periods in order to internalize all that she describes expertly afterwards providing the reader with her interesting reflections on the streets the innumerable bridges and the countless churches but also a wonderful lesson in History and an eye catching look at its mysterious and sensual Art We all know what Venice is for art lovers Reading her book it is obvious that she had an exclusive dialogue with the Serenissima in order for its magic to penetrate inside her and then to be able to narrate her intimate relationship within this dreamy city I particularly liked the point when she asked Venice not to hide behind its masks but to throw aside its touristic veils and be revealed to her without any secrets Lydia Mastronikolis President of the Friends of the Cultural Association Hellenic World Attentive to the Venetian glances of Barbara Athanassiadis book I realized an emotional escalation as the author is quite literal with her title MY VENICE This is indeed her own Venice with the meaning not so much of her subjective glance or the focus on what selectively charms her but in the particular way she sees things looking towards the view of many sights and not really seeing them She wanders amongst her favorite places and drags my gaze to colors and sensations without guiding it Just as charmingly she approximates aspects of everyday life in her extra literary life calmly with a nonchalance and always with a smile Just as spontaneously and naturally she unfolds the myth in which she dresses her wanderings Motives thoughts quests reactions of her heroes occur nearly as obviously By reading her book we follow the confessional narration of a friend where the intimacy of her voice is entrusted to our ears Helen Kritika Book Critic Through the narration of Barbara Athanassiadis I discovered in fact that Venice is inside her hence the title MY VENICE While our friendship has bonded us for years I was truly touched by her book It s as if she has taken me by the hand and together we stroll this fairytale town either when the fog envelops it or when the pink color of its sunset embraces it Barbara s spontaneous and mature descriptions have spurred my curiosity to such an extent that I feel a strong desire to actually go to Venice and see the places that have inspired her I consider myself lucky when I fall upon such a book The narrative makes me travel and look at places I have heard about countless times in a fresh and novel way all while I sit comfortably in my armchair Zoe Kyriakou Radio Producer Easy 97 2 Athens Greece
