Paul J. Zingg

My Usual Game Adventures In Golf:

My Usual Game David Owen,1996-05-01 *My Usual Game* chronicles David Owen s funny and enlightening quest to come to terms with a game that has frustrated and fascinated him ever since he was a child Follow Owen as he rescues his swing at golf school spends a week with the inventor of the modern golf club nearly wins a three day Pro Am at a tournament on the PGA Tour travels with three golf crazed friends to tacky Myrtle Beach follows Fred Couples and Paul Azinger at the Ryder Cup and discovers what may be the darkest secret of the golf swing The difference between a slice and a draw is a certain number of beers *My Usual Game* is a hilarious and wonderfully literate tour through the sometimes peculiar culture of this very popular sport Golfers of all ages will discover *My Usual Game* for many years to come It is destined to become a classic of golf literature

My Usual Game David Owen,2011-11-23 Published just in time for Father s Day this engagingly witty discourse takes readers along on Owen s golfing adventures playing the Masters course in Augusta touring Ireland s greatest greens meeting the sport s real millionaires the equipment manufacturers and chatting with local duffers Line drawings

Golf and the American Country Club Richard J. Moss,2001 In this entertaining cultural history Moss explores the circumstances that led to the establishment of the country club as an American social institution and its inextricable connection to the ancient imported game of golf Moss traces the evolution of country clubs from informal groups of golf playing friends to country estates in the suburbs and eventually into public and private daily fee courses corporate country clubs and gated golfing communities The book shows how these developments reflect shifts in American values and attitudes toward health and sport as well as changing social dynamics

Club Life John Steinbreder,2006-03-30 The golf club may be most commonly regarded as a place where men and women play that royal and ancient game but truth be told it also serves as a sort of Petri dish for some of the most outrageous hysterical and inane behavior found in modern society You have hackers and stiffs Flakes and dilettantes Corporate big wigs and trust fund babies They all exist in a kind of upper crust Animal House where the denizens wear Burberry blazers instead of togas and guzzle gin and tonics rather than beers But the laughs and the head shaking are very much the same

Lure of the Links David Owen,Joan Bingham,1999-03 This handsome anthology of stories and essays profiles the great courses the players and the spirit of the game of golf in humorous fashion
