As his youngest child I have had the privilege of observing and being with my father who epitomized his idol Lord Rama in the way he conducted the different facets of his illustrious life of ninety years It is only my father who could have transformed me from a shy introverted despondent and diffident teenager floundering in his academics into a confident man capable of facing up to and fighting his own battles in life He inculcated in me a love for English literature but for which you wouldn't be reading this book He in fact prepared me for life after him He was a Gem of Purest Ray Serene Gray's Elegy To borrow a quote from the Great Bard's play Julius Caesar Mark Anthony's tribute to Caesar could well apply to Dad When Comes Such Another It is my sincere hope that the readers find my father's memoir an inspiring and engaging read **Victory in Australia** Richard Whitehead, 2025-07-03 AVAILABLE TO PRE ORDER NOW Such incredibly gripping sports writing It was like being there Truly Every ball Giles Coren Elegant and evocative the definitive word on England's most astonishing Ashes tour ever Matthew Engel THE DEFINITIVE ACCOUNT OF AN EPIC ASHES BATTLE The Ashes series of 1954-55 marked a watershed moment in the history of English cricket Under the leadership of Len Hutton the national team's first professional captain one of the greatest group of players ever to represent England won an Ashes series in Australia for the first time in more than 20 years It is a feat that has been repeated only four times in more than 70 years since But Hutton's men had to overcome the additional obstacle of losing heavily in the first Test only one England team has managed to win an overseas Ashes series after such a monumental setback The names of the cricketers who locked horns in 1954-55 resonate down the decades Hutton's team included Denis Compton Frank Tyson Brian Statham Trevor Bailey Godfrey Evans Peter May and Colin Cowdrey Among their Australian opponents were Ray Lindwall Keith Miller Neil Harvey and Richie Benaud In the 1950s these players were not just elite sportsmen they were household names An Ashes series for the ages is brought thrillingly to life in this momentous slice of sporting and social history **My World - and Welcome to it** James Thurber, 1942 A book of humor and satire covers topics from baseball to Macbeth **Harold Larwood** Duncan Hamilton, 2017-02-02 Winner of the William Hill Sports Book of the Year this is the first ever biography of Harold Larwood Larwood one of the most talented accurate and intimidating fast bowlers of all time is mainly remembered for his role in the infamous Bodyline series of 1932-3 which brought Anglo-Australian diplomatic relations to the brink of collapse Larwood was made the scapegoat and despite the fact he was simply following his captain's instructions he never played cricket for England again Devastated by this betrayal he eventually emigrated to Australia where he was accepted by the country that had once despised him Acclaimed author Duncan Hamilton has gained unprecedented access to the late sportsman's family and archives to tell the story of a true working class hero and cricketing legend **Brave Knights** Meg Clibbon, 2009 A highly illustrated imaginative look at the world of knights including a complete short story
