Miguel de Cervantes Saavedra,2013-08-15 Miguel de Cervantes y Saavedra was born in Alcal of Henares in 1547 He was a novelist playwright and poet criticized by himself considered as one if not the greatest Spanish language writer of all time even though he never studied at a university Don Quixote is his best known work which has transcended nations cultures languages epochs and times Cervantes has been read by children and adults men and housewives rich and poor He described his own portrait by writing of an aquiline face brown hair with a silver beard that twenty years early was a golden one The hidalgo Don Quixote of La Mancha wishes to cleanse the world of scoundrels talkative and goofy Did he achieve it Even today he is doing it because although it is utopian to think that human strength can reach such step he learned to transcend the times and bring us that unequivocal victory while denouncing and trying to introduce some bravery inside our reasoning We cannot look at the characters of Sancho and Don Quixote as a mere souls contradiction of the one same people in this case Spain They actually complement each other in a kind of literary marriage one wants justice shared base of any society and reports it through his ideals the other is practical as he wants to see them in reality but two the announcer and corroborator are both active in their impeachment *Hearings* United States.
