Mysteries And Christianity:

The Mysteries of Christianity Matthias Joseph Scheeben, 2023-03-17 The Mysteries of Christianity is Matthias Joseph Scheeben's youthful magnum opus, a logically rigorous and spiritually profound dogmatic theology. In its pages, he explores the intelligibility of Christianity's supernatural mysteries and their deep connectedness, ultimately demonstrating that Christian theology constitutes a science before the court of human reason, even as its object transcends human comprehension. Scheeben's task is to present a unified view of the whole panorama of revealed truth, and he pursues this by considering nine key Christian mysteries: the Trinity, creation, sin, the Incarnation, the Eucharist, the Church and its sacraments, justification, eschatological glory, and predestination. Since the mystery of the Trinity is the root of the supernatural order, Scheeben begins here, showing that the foundation of the salvific economy lies in the eternal processions of persons in God: the begetting of the Son and the spiration of the Spirit. Being in different ways the cause of the life of grace in the human soul, when the Son and the Spirit are sent into the world in the Incarnation and through the bestowal of grace, they provide the way for human beings to see God face to face in the beatific vision, the end for which God created humans. Among the means of return to God, Scheeben particularly emphasizes the Eucharist on account of its close connection with the mystery of the Incarnation. By placing his treatment of the Eucharist before that of the Church, he signals that his is a genuinely Eucharistic ecclesiology centered on the abiding presence of the incarnate divine Son.

Removing the Mysteries of Christianity
Tony Murray, 2007-09 God has always been the same. Though people change, human nature remains the same from the time of Adam and Eve. Forces that include angels and evil spirits have been in existence for ages and have built barriers between God and His creation. Scripture explains much of the associated mysterious evidence that has been uncovered by science. God's plan is to reconcile to Himself as many as would be willing. He revealed and confirmed this plan and continues to do so by the work of His Spirit through the lives of many. This plan is framed and executed by love. In order to participate in God's plan, exposure to this largely misunderstood love is required. Since the plan is communicated through imperfect people, it is often misunderstood and rejected. This book is for assisting God's people to obtain an improved understanding of both His love and His plan. TONY MURRAY, raised in denominational churches, the author helped start and served for years as assistant pastor in non-denominational churches in Ohio. He then served as pastor for a period of time. For over twenty years, he worked in the training profession while observing the reactions and tendencies of people as they dealt with various circumstances. He recognized first in himself but in others also that these reactions and tendencies varied very little regardless of someone's abandonment to a church, person, or cause. He sees that while it is a decent gesture to commit to one's concept of Christianity, Christ often is not served. Misconceptions about God abound. He resolved to stress that the responsibility of the Christian is to abandon themselves completely to the person and teaching of Christ Jesus. Anything less will result in falling short of impacting the world the way that God desires.
