Mysteries Of Mary The Fullness Of Discipleship:

Mysteries of Mary Bernhard Häring, 1999 Drawing only on scriptural to reference Mary from the Annunciation through Pentecost Father Haring presents a cameo of the Mother of God In brief but thorough vignettes Häring captures the ways in which Mary models perfect discipleship for us Included are reflective intercessory prayers for Mary's mothering guidance in our own attempts at Christian discipleship

Forthcoming Books Rose Arny, 2002 [A Practical Discipleship Model That Fosters Spiritual Maturity](#) Owar Ojha Ojulu, 2023-11-09 Jesus challenges us to live in him and continue living out the truth so that we claim our allegiance to Christ and live as disciples free from fear and from cultural customs that contradict the gospel message This project has found that the lack of discipleship training among the Anyuwa churches has resulted in a lack of understanding of what this ministry entails teaching and making disciples In addition failure to embed elements of the Anyuwa culture into the discipleship approach and the persistence of certain elements of Anyuwa life that run counter to gospel beliefs has inflamed this crisis Therefore this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel calling people to embrace gospel values within their own cultural context When we start interpreting strong cultural beliefs and traditions through the truth of the gospel it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life our church and the hearts of our believers

[Jesus, the New Adam](#) Dennis J. Billy CSsR, 2017-11-15 This book retells the narrative of Christ's redemptive journey by looking at some of the Gospel's underlying assumptions and showing how they are both reasonable and credible For Christians faith is not contrary to reason but presupposes and even builds on it This faith asks us to put aside whatever preconceptions we may have regarding the Gospel message and listen with an open heart to the way it speaks to the universal human condition The seed of hope buried deep within the mythologies of old is nothing but a faint reflection of God's dream for his creation For Christians this dream has entered the arena of history in the person of Jesus Christ the New Adam who sheds light on our human condition by making all things new Rev 21:5

Traditioning Disciples Colleen Mary Mallon, 2011-01-01 In a globalized world and an age that cannot name itself how do Christian communities sustain a recognizable gospel identity How might examining tradition and identity formation from both theology and cultural anthropology help churches approach the challenges of being a follower of Jesus today With these questions in focus Colleen Mallon studies symbol systems in the works of anthropologists Mary Douglas Victor Turner and Clifford Geertz and places her findings in dialogue with a thick description of discipleship gleaned from the great Roman Catholic ecclesiologist Yves Congar OP The result is a reflection on gospel identity that will be invaluable to Christian ministers missionaries and students of theology interested in the social and theological processes of disciple
