Mysterious Gunfighter The Story Of Dave Mather

Jack DeMattos

Mysterious Gunfighter The Story Of Dave Mather:

Mysterious Gunfighter Jack DeMattos,1992-01-01 *Weekly World News* ,1988-02-09 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site *Triggernometry* Eugene Cunningham,1996-01-01 Interviews and writing Cunningham examines the evidence and breaks down the myths surrounding the exploits of Wild Bill Hickok for example preferring instead to find the living breathing human behind the legend His final chapter *Triggernometry* remains a fascinating discussion of the gunfighters expertise with the fast draw the road agent's spin pistol fanning the border shift rolling and pinwheeling and the use of various holsters and harnesses **Dodge City and the Birth of the Wild West** Robert R. Dykstra,Jo Ann Manfra,2017-07-15 Raised on Gunsmoke *Bat Masterson and The Life and Legend of Wyatt Earp* we know what it means to get outta Dodge to make a hasty escape from a dangerous place like the Dodge City of Wild West lore But why of all the notorious violent cities of old did Dodge win this distinction And what does this tenacious cultural metaphor have to do with the real Dodge City In a book as much about the making of cultural myths as it is about Dodge City itself authors Robert Dykstra and Jo Ann Manfra take us back into the history of Dodge to trace the growth of the city and its legend side by side An exploration of murder statistics court cases and contemporary accounts reveals the historical Dodge to be neither as violent nor as lawless as legend has it but every bit as intriguing In a style that captures the charm and chicanery of storytelling in the Old West *Dodge City and the Birth of the Wild West* finds a culprit in a local attorney Harry Gryden who fed sensational accounts to the national media during the so called Dodge City War of 1883 Once launched the legend leads the authors through the cultural landscape of twentieth century America as Dodge City became a useful metaphor in more and more television series and movies Meanwhile back in the actual Dodge struggling on a lost frontier a mirror image of the mythical city began to emerge as residents increasingly embraced tourism as an economic necessity *Dodge City and the Birth of the Wild West* maps a metaphor for belligerent individualism and social freedom through the cultural imagination from a historical starting point to its mythical reflection In this the book restores both the reality of Dodge and its legend to their rightful place in the continuum of American culture *Age of the Gunfighter* Joseph G. Rosa,1995 Joseph G Rosa's vivid and expertly written tale of this violent time combines contemporary accounts with meticulous historical research and an unjaundiced appraisal of the facts Telling the story of every major gunfighter peace officer and outlaw of the West Rosa places them within the context of a violent frontier and the coming of law and order Complementing the text are twenty seven outstanding color spreads featuring firearms from the Gene Autry Western Heritage Museum Los Angeles and the Buffalo Bill Historical Center Cody Many of the spreads contain guns owned and used by such well known individuals as Pat Garrett Billy the Kid Doc Holliday Wyatt Earp Wild Bill Hickok John Wesley Hardin Frank James and Harvey Logan *Deadly Dozen* Robert K. DeArment,2015-01-06 Wyatt Earp Billy the Kid Doc

Holliday such are the legendary names that spring to mind when we think of the western gunfighter But in the American West of the late nineteenth and early twentieth centuries thousands of grassroots gunfighters straddled both sides of the law without hesitation Deadly Dozen tells the story of twelve infamous gunfighters feared in their own times but almost forgotten today Now noted historian Robert K DeArment has compiled the stories of these obscure men DeArment a life long student of law and lawlessness in the West has combed court records frontier newspapers and other references to craft twelve complete biographical portraits The combined stories of Deadly Dozen offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West More than a collective biography of dangerous gunfighters Deadly Dozen also functions as a social history of the gunfighter culture of the post Civil War frontier West As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N Lake for Wyatt Earp in 1931 DeArment himself a talented writer brings these figures from the Old West to life John Bull Pat Desmond Mart Duggan Milt Yarberry Dan Tucker George Goodell Bill Standifer Charley Perry Barney Riggs Dan Bogan Dave Kemp and Jeff Kidder are the twelve dangerous men that Robert K DeArment studies in Deadly Dozen Twelve Forgotten Gunfighters of the Old West

A Rough Ride to Redemption Robert K. DeArment, Jack DeMattos, 2012-11-09 He may be little known today but Ben Daniels was a feared gunman who typified the journeyman gunfighter every bit as much as those whose names have become legend Yet his story has eluded researchers and yarn spinners alike until now Two prominent western historians have teamed up to tell the story of Ben Daniels s rise from outlaw and convict to presidential prot g and high ranking officer of the law Tracing his life from jailhouse to White House from Dodge City to San Juan Hill Robert DeArment and Jack DeMattos present a full length biography of Daniels the most controversial of Teddy Roosevelt s White House Gunfighters The book faithfully traces Daniels s early years the time he spent in the Wyoming Territorial Penitentiary his rebirth as a Dodge City lawman including the controversy over his shooting a man in the back and his part in the Battle of Cimarron Following military service with the Rough Riders in the Spanish American War Daniels was appointed by President Roosevelt as U S marshal for turbulent Arizona Territory Daniels was as quick with his mind as with a gun but he had a rough ride to redemption This original biography belongs on the shelf of every gunfighter buff and anyone interested in the broader story of the Old West It rescues Daniels from the footnotes of history and shows us the amazing life of one of the West s most intriguing gunmen

The Gunfighters Bryan Burrough, 2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of *The Big Rich* and *Forget the Alamo* comes an epic reconsideration of the time and place that spawned America s most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a

crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story

A Wyatt Earp Anthology Roy B. Young, Gary L. Roberts, Casey Tefertiller, 2019-08-15 Wyatt Earp is one of the most legendary figures of the nineteenth century American West notable for his role in the gunfight at the O K Corral in Tombstone Arizona Some see him as a hero lawman of the Wild West whereas others see him as yet another outlaw a pimp and failed lawman Roy B Young Gary L Roberts and Casey Tefertiller all notable experts on Earp and the Wild West present in A Wyatt Earp Anthology an authoritative account of his life successes and failures The editors have curated an anthology of the very best work on Earp more than sixty articles and excerpts from books from a wide array of authors selecting only the best written and factually documented pieces and omitting those full of suppositions or false material Earp s life is presented in chronological fashion from his early years to Dodge City Kansas triumph and tragedy in Tombstone and his later years throughout the West Important figures in Earp s life such as Bat Masterson the Clantons the McLaurys Doc Holliday and John Ringo are also covered Wyatt Earp s image in film and the myths surrounding his life as well as controversies over interpretations and presentations of his life by various writers also receive their due Finally an extensive epilogue by Gary L Roberts explores Earp and frontier violence

The Notorious Luke Short Jack DeMattos, Chuck Parsons, 2015-06-15 Often times the smaller the man the harder the punch this adage was true in the case of diminutive Luke Short whose brief span of years played out in the Wild West His adventures began as a teenage cowboy who followed the trail from Texas to the Kansas railheads He then served as a scout for the U S Army during the Indian wars and finally he perfected his skills as a gambler in locations that included Leadville Tombstone Dodge City and Fort Worth In 1883 in what

became known as the Dodge City War he banded together with Wyatt Earp Bat Masterson and others to protect his ownership interests in the Long Branch Saloon an event commemorated by the famous Dodge City Peace Commission photograph The irony is that Luke Short is best remembered for being the winning gunfighter in two of the most celebrated showdowns in Old West history the shootout with Charlie Storms in Tombstone Arizona and the showdown against Jim Courtright in Fort Worth Texas He would have hated that During his lifetime Luke Short became one of the best known sporting men in the United States and one of the wealthiest He had been a partner in the Long Branch Saloon in Dodge City as well as the White Elephant in Fort Worth He became friends with other wealthy sporting men such as William H Harris Jake Johnson and Bat Masterson who helped broaden his gaming interests to include thoroughbred horse racing and boxing Before he died he would become a familiar figure in Chicago Memphis New Orleans and Saratoga Springs where he raced his string of horses He traveled with other wealthy sporting men in private railroad cars to attend heavyweight championship fights Luke Short was always a little man dealing in big games He married the beautiful Hattie Buck who could turn heads at all the top resorts they visited as man and wife Jack DeMattos and Chuck Parsons have researched deeply into all records to produce the first serious biography of Luke Short revealing in full the epitome of a sporting man of the Wild West

Thank you very much for downloading **Mysterious Gunfighter The Story Of Dave Mather**. Maybe you have knowledge that, people have look hundreds times for their chosen books like this Mysterious Gunfighter The Story Of Dave Mather, but end up in harmful downloads.
