Case of the Broken Bridge Shanna Swendson,2022-09-22 Locking the doors may not keep a killer out Lexie Lincoln hoped the Saturday outing Wes Mosby planned would be a date a step toward defining their ambiguous relationship but it turns out to be something better a story Wes fears there was something shady about the construction of a bridge that collapsed in a recent storm It s out of his jurisdiction but he thinks Lexie s just the person to dig into it She suspects Wes might be right when the county engineer she calls about the bridge invites her to his house for a cookout instead of arranging an interview There must be something he doesn t want to discuss at the office But when she arrives he s nowhere to be found His family can t get into the house because it s locked from the inside After the police resort to kicking in a door they find him dead from an apparent suicide Or is it It doesn t make sense for him to invite Lexie over then kill himself before talking On the other hand there are those locked doors How could the killer have left Then again this is Stirling Mills where half the population can do seemingly impossible things Getting in and out in spite of locked doors isn t out of the question If it was murder was he killed because

of the bridge or was it something else Either way Lexie s investigation into the bridge has made her a target of threats If she s dealing with someone willing to kill to keep her from finding and publishing the truth and if that person can lock or unlock any door she won t be safe until she brings the killer to justice **The Broken Bridge** Suzanne Kamata,1998-07 Absorbing fiction from Outsiders in a land that does not absorb foreigners easily ***The Broken Bridge*** Philip Pullman,2017-03-29 At 16 Ginny finds that her love of painting connects her to the artistic Haitian mother she never knew and eases the isolation she feels as the only mixed race teen in her Welsh village When she learns she has a half brother by her father s first marriage her world is shattered Ginny embarks on a quest for the truth that will allow her to claim her artistic heritage and face her father **Shadow's Secret Missions on Cobblestone Street** Robin Wickens,2024-06-07 The moon a luminous pearl in the velvet sky cast a silver glow on the cobblestone street below Shadows stretched and twisted dancing to a silent tune as the wind whistled through the alleyways Whispers carried on the night breeze seemed to tell tales of secrets and hidden wonders weaving a tapestry of mystery that enveloped the entire village of Hawthorne From the inky depths of a doorway a pair of emerald eyes emerged gleaming like precious jewels They belonged to a creature shrouded in legend and mystery a being of grace and stealth whose very presence held an air of enchantment A cat sleek and silent stepped into the moonlight its paws padding softly across the cobblestones Its fur as black as the midnight sky shimmered with an otherworldly sheen Each movement was fluid and deliberate as if choreographed by the moon itself The cat paused tilting its head its ears twitching as it listened to the symphony of the night The faint rustle of leaves the distant hoot of an owl and the murmured conversations of villagers settling into their homes for the night all formed a harmonious backdrop to the cat s silent vigil This was Shadow a cat known throughout Cobblestone Street not just for his sleek appearance but for the air of mystery that always seemed to accompany him To the villagers Shadow was a guardian of sorts a silent sentinel who watched over the night and ensured that peace reigned while they slept Children whispered tales of his bravery and adults respected his presence believing that wherever Shadow walked he brought with him an invisible cloak of protection ***American Book Publishing Record*** ,1997 **Fantastic Bead of the World's Original Qi** Mo WangJunLing,2020-05-04 A powerhouse that had been subjected to the unwritten rules a fate that was not under his control and he who had intertwined with the fate of the spirit pearl could he break through the shackles of fate and reach the realm where the heavens and earth could be carefree and unfettered If you want to know more just look at the Primordius Soul Pearl
