Mystery Of Mormonism 1920:

The Mystery of Mormonism Stuart Martin, 2025-05-22 The Mystery of Mormonism 1920 delves into the historical origins and evolving identity of the Church of Jesus Christ of Latter day Saints Stuart Martin examines the key figures foundational texts and unique theological claims that shaped Mormonism in its early years The book explores the controversies and social dynamics surrounding this religious movement offering insights into its place within the broader context of 19th century American religious landscape It offers a detailed look at a formative period in the history of Mormonism and remains a valuable resource for those interested in American religious history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Joseph Smith's Polygamy, Volume 2:**

History Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and expos s multiplied it was not until 1852 that Mormons in Brigham Young s Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith s poignant response

and the possibility of Joseph Smith offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson s own private research conducted in the late nineteenth century Telling the story of Joseph Smith s polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all A

Sociological Analysis of Some of the Aspects of Rural Religious Culture as Shown by Mormonism Thomas Lynn Smith,1929 **Convicting the Mormons** Janiece Johnson,2023-04-06 On September 11 1857 a small band of Mormons led

by John D Lee massacred an emigrant train of men women and children heading west at Mountain Meadows Utah News of the Mountain Meadows Massacre as it became known sent shockwaves through the western frontier of the United States reaching the nation s capital and eventually crossing the Atlantic In the years prior to the massacre Americans dubbed the Church of Jesus Christ of Latter day Saints the Mormon problem as it garnered national attention for its unusual theocracy and practice of polygamy In the aftermath of the massacre many Americans viewed Mormonism as a real religious and physical threat to white civilization Putting the Mormon Church on trial for its crimes against American purity became more important than prosecuting those responsible for the slaughter Religious historian Janiece Johnson analyzes how sensational media attention used the story of the Mountain Meadows Massacre to enflame public sentiment and provoke legal action against Latter day Saints Ministers novelists entertainers cartoonists and federal officials followed suit spreading anti Mormon sentiment to collectively convict the Mormon religion itself This troubling episode in American religious history sheds important light on the role of media and popular culture in provoking religious intolerance that continues to resonate in the present **News Notes of California Libraries** California State Library,1922 Vols for 1971 include annual reports and statistical summaries

Of Faith and Reason: 80 Evidences Supporting Joseph Smith Michael R. Ash,2023-02-02 In the early 1800s many people criticized the Prophet Joseph Smith for his prophecies and revelations today several evidences prove that Joseph was right Michael Ash a well known LDS apologist explains why it is useful and perhaps even necessary to combine reason with faith in our testimony of Joseph Smith He reminds us that although secular evidences can t replace a spiritual witness they can support a testimony and provide an atmosphere where a spiritual witness can flourish Using scholarly journal articles and ancient Jewish and Christian writings Ash provides evidences that show how the Book of Mormon is a true account of an ancient people how LDS scriptures are consistent with the traditions and culture of ancient Israel and how the doctrines of the Church accurately reflect the teachings of Christ Ash writes clearly and simply providing numerous resources to foster further study With over 80 evidences this book is an excellent resource for those seeking more information about Joseph Smith and his works Subject Index of the Modern Books Acquired by the British Museum in the

Years 1916-1920 British Museum. Department of Printed Books,1922 *Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...* British Museum,1922 The United Order Among the Mormons (Missouri

Phase) Joseph Arch Geddes, 1924 **The Mysteries of Godliness** David John Buerger, 1994 Providing a fascinating chronology of developments associated with Latter day Saint temples and temple ordinances this source book discusses the origins of the temple concept comparative rituals and changes in ceremonies Buerger charts the abandonment of the adoption sealing which once linked unrelated families and examines the near disappearance of the second anointing once considered the crowning ordinance of the temple
