The Human Mystery of Sexuality Marc Oraison,1967 *The Mystery of Sexuality* Rosemary Haughton,1972-01-01

Sanctified Sexuality Sandra Glahn,C. Gary Barnes,2020-09-22 Expert biblical and practical advice for handling today's most challenging sexual issues Although modern culture constantly changes its views on sexuality God's design for sexuality remains the same Bringing together twenty five expert contributors in relevant fields of study Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today From a scriptural perspective and with an irenic tone the contributors address issues such as The theology of the human body Male and female in the Genesis creation accounts Abortion Celibacy Sexuality in marriage Contraception Infertility Cohabitation Divorce and remarriage Same sex attraction Gender dysphoria An ideal handbook for pastors counselors instructors and students Sanctified Sexuality provides solid answers and prudent advice for the many questions Christians encounter on a daily basis *Sexuality: God's Gift* Anne Krabill Hershberger,2010-06-17 Big business makes big money selling a phony notion of what we want and need as sexual people Ads insist that certain products will make us more sexually appealing But what we really want and need is true intimacy the knowledge that we matter to another person and are loved for who we are We all are sexual beings all of our lives and relate to each other sexually all the time God marvelously made us this way Using the metaphor of sexuality as a good gift from God this book offers Christian resources for living a sexually healthy and fulfilling life Extraordinarily comprehensive nuanced and sensitive even richer than its predecessor It is a splendid resource for all Christians who wish to live more deeply in gratitude to God for their own sexuality James B Nelson professor emeritus of Christian ethics United Theological Seminary of the Twin Cities An important contribution to Christians seeking to celebrate their sexuality with holiness and integrity The Rev Debra W Haffner executive director Religious Institute Westport Connecticut **The Sexuality Series** Oneil McQuick,2006-07-09 *Catholic Theological Ethics* Todd A. Salzman,Michael G. Lawler,2015-11-23 This book has two objectives one explicit and one implicit The explicit objective is to explore the normative implications for both general and sexual ethics of the methodological and anthropological developments in Catholic tradition The implicit objective is to stimulate dialogue in the Church about ethics particularly sexual ethics a dialogue that must necessarily include all in the communion Church laity theologians and hierarchy Since we believe that genuine and respectful dialogue about sexual morality is sorely needed to clarify Christian truth today we intend this book to be part of that genuine dialogue

Myths and Mysteries of Same-Sex Love Christine Downing,2006 *Myths and Mysteries of Same Sex Love* makes a powerful statement about the realities of gay and lesbian psyche A gay and lesbian psychic perspective may at first be startling but once examined it proves to be unforgettable The Advocate **Sacred Sexuality** Georg Feuerstein,2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world's religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual

practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture s recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs

Inclusion and Sexuality in Catholic Higher Education Mark A. Levand,2023-05-23 Drawing on research conducted at 17 Catholic universities in the United States making it the largest study of its kind this volume explores effective practice in improving institutional policy relating to issues of sexuality The text calls attention to campus cultures of fear shame or denial around sexuality and highlights possible points of institutional resistance to changes in policy Discussing topics such as sexual identity sexuality education in the curriculum Title IX employee termination and morality clauses the book shows how staff and faculty are crucial in effecting change across Catholic campuses providing valuable insight into the unspoken rules around sexuality within the shadow culture at Catholic institutions Moreover the text illustrates how institutions can maintain fidelity to Church teachings and even embrace notions of human dignity solidarity and the common good to achieve sexual inclusivity A unique study demonstrating how Catholic teaching can help support inclusive change around issues of sexuality and gender in higher education it ultimately puts forward a practical framework for effecting change and improving student and staff support structures in Catholic institutions It will thus appeal to researchers and academics working in the fields of Higher Education Management Gender and Sexuality in Education Religion Gender and Sexuality and the Sociology of Religion

Dostoevsky's Secrets Carol Apollonio Flath,2009-01-14 When Fyodor Dostoevsky proclaims that he is a realist in a higher sense it is because the facts are irrelevant to his truth And it is in this spirit that Apollonio approaches Dostoevsky s work reading through the facts the text of his canonical novels for the deeper truth that they distort mask and ultimately disclose This sort of reading against the grain is Apollonio suggests precisely what these works with their emphasis on the hidden and the private and their narrative reliance on secrecy and slander demand In each work Apollonio focuses on one character or theme caught in the compromising self serving or distorting narrative lens Who she asks really exploits whom in Poor Folk Does White Nights ever escape the dream state What is actually lost and what is won in The Gambler Is Svidrigailov of such ill repute in Crime and Punishment in fact an exemplar of generosity and truth Who in Demons is truly demonic Here we see how Dostoevsky has crafted his novels to help us see these distorting filters and develop the critical

skills to resist their anaesthetic effect Apollonio s readings show how Dostoevsky s paradoxes counter and usurp our comfortable assumptions about the way the world is and offer access to a deeper immanent essence His works gain power when we read beyond the primitive logic of external appearances and recognize the deeper life of the text
