Mystery Of The Silent Idol:

The Mystery of the Silent Idol Elspeth Campbell Murphy, 1988 Three cousins uncover a drug dealing operation and learn about the commandment You shall not make for yourself an idol **The Mystery of the Vanishing Present** Elspeth Campbell Murphy, 1988 Three cousins endeavor to find out who gave a painting entitled Sabbath Day to their grandfather for a birthday present **The Mystery of the Princess Doll** Elspeth Campbell Murphy, 1990 Their investigation of the disappearance of an old doll from an antique show helps cousin detectives appreciate the meaning of the beatitude Blessed are those who are persecuted because of righteousness for theirs is the Kingdom of Heaven **Sacramental Presence** Ruthanna B. Hooke, 2023-05-22 Drawing on performance studies and sacramental and liturgical theology Ruthanna B Hooke develops a theology of proclamation grounded in the body's experience of preaching The author explores the claim that preaching is a sacramental event of communion with the triune God by comparing the steps involved in voice production with the fourfold shape of the Eucharist This comparison yields a description of preaching as an event of self offering that allows space for the humanity of the preacher and as an encounter with the Holy Spirit that is communal and prophetic Preaching draws participants into Christ's dying and rising and hence into a mode of power known in vulnerability Calling hearers into the eschatological event of the resurrection preaching inherently moves toward proclamation on political and ethical issues Hooke uses this theological framework to offer ways of preaching on environmental crisis and on racism The author calls preachers to embodied engagement with preaching and describes a way for preachers to bear witness to Jesus Christ not only in the content of their proclamation but in their way of being in the preaching event *The Mystery of the Carousel Horse* Elspeth Campbell Murphy, 1988 The efforts of three cousins to keep an elderly neighbor from being cheated out of an antique wooden carousel horse help them understand the Biblical commandment You shall not covet **Silent Mystery and Detective Movies** Ken Wlaschin, 2009-05-15 The silent film era was known in part for its cliffhanger serials and air of suspense that kept audiences returning to theaters week after week Icons such as Douglas Fairbanks Laurel and Hardy Lon Chaney and Harry Houdini were among those who graced the dark and shadowy screen This reference guide to silent films with mystery and detective content lists more than 1 500 titles in one of entertainment's most popular and enduring genres While most of the films examined are from North America mystery films from around the world are included *The Mystery of the Double Trouble* Elspeth Campbell Murphy, 1988 Tim and his two cousins set out to find the boy who seems to be his double and learn the meaning of the commandment Honor your father and your mother **The Mystery of the Tattletale Parrot** Elspeth Campbell Murphy, 1988 In solving the mystery of who owns a parrot who has been taught to misuse God's name in swearing three cousins uncover a burglary ring and experience the meaning of the commandment You shall not misuse the name of the Lord your God *The Mystery of the Laughing Cat* Elspeth Campbell Murphy, 1988 Three cousins pursue a thief at a flea market and learn about the commandment You shall not steal On Mystery, Ineffability, Silence

and Musical Symbolism Laurence Wuidar, 2021-09-09 Collecting together numerous examples of Augustine's musical imagery in action Laurence Wuidar reconstructs the linguistic laboratory and the hermeneutics in which he worked Sensitive and poetical this volume is a reminder that the metaphor of music can give access not only to human interiority but allow the human mind to achieve proximity to the divine mind Composed by one of Europe's leading musicologists now engaging an English speaking audience for the first time this book is a candid exploration of Wuidar's expertise Drawing on her long knowledge of music and the occult from antiquity to modernity Wuidar particularly focuses upon Augustine's working methods while refusing to be distracted by questions of faith or morality The result is an open and at times frightening vista on the powers that be and our complex need to commune with them
