Frederick O'Brien, 1921 Mystic Isles of the South Seas Frederick O'Brien, 2021-09-07 Frederick O'Brien was an American author, journalist, hobo, peripatetic world traveler, and public administrator. He wrote three best-selling travel books about French Polynesia between 1919 and 1922: *White Shadows in the South Seas*, *Mystic Isles of the South Seas*, and *Atolls of the Sun*. The warning gong had sent all but crew and passengers ashore though our ship did not leave the dock. Her great bulk still lay along the piling though the gangway was withdrawn. The small groups on the pier waited tensely for the last words with those departing. These passengers were inwardly bored with the prolonged farewells and wanted to be free to observe their fellow voyagers and the movement of the ship. They conversed in shouts with those ashore but most of the meanings were lost in the noise of the shuffling of baggage and freight, the whistling of ferries, and the usual turmoil of the San Francisco waterfront.
