Keshari Mitchell is on the verge of total meltdown as she works desperately on a daily basis to keep the stressful duality of her life as record industry mogul and increasingly reluctant crime boss separate. This most complex predicament is complicated all the more when she breaks her own rule regarding romantic entanglements and falls in love with the handsome new West Coast general counsel at ASCAP American Society of Composers, Authors, and Publishers. Will love of a lifetime be able to survive and surpass the deception of Keshari Mitchell's double life? And will Keshari Mitchell be able to survive and walk away from the very dark side of her life that is blood in, blood out?
