Myth And Sacred Scripture Of The Serpent:

Myth and Sacred Scripture of the Serpent Arthur M. Coon, James S. Perkins, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Heathen Mythology Corroborative Or Illustrative of Holy Scripture** Hugh Barclay, 1884 *Lange's Commentary on the Holy Scripture, Volume 1* Lange, John Peter, All sixty three of the original volumes are included in a nine volumes set There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject Lange s Commentary on the Old and New Testaments translated revised edited and enlarged from the German editions of John Peter Lange and many contributors and edited by Philip Schaff Lange s Commentary on the entire Bible has remained one of the most useful and valuable work of its kind It is conservative in theology and universal in hermeneutics Delmarva Publications is proud to make it available in digital format The original work was completed in 63 volumes but we have made it available in 9 volumes they are Volume 1 Genesis to Ruth Volume 2 1 Samuel to Esther Volume 3 Job to Ecclesiastes Volume 4 Song of Songs to Lamentations Volume 5 Ezekiel to Malachi Volume 6 Matthew to John Volume 7 Acts to 2 Corinthians Volume 8 Galatians to 2 Timothy Volume 9 Titus to Revelation **The Christian Observer** ,1832 **The Doctrine of Sacred Scripture** George Trumbull Ladd, 1883 *Tolerance and Intolerance in Early Judaism and Christianity* Graham Stanton, Guy G. Stroumsa, 1998-05-28 The essays in this book consider issues of tolerance and intolerance faced by Jews and Christians between approximately 200 BCE and 200 CE Several chapters are concerned with many different aspects of early Jewish Christian relationships Five scholars however take a difference tack and discuss how Jews and Christians defined themselves against the pagan world As minority groups both Jews and Christians had to work out ways of co existing with their Graeco Roman neighbours Relationships with those neighbours were often strained but even within both Jewish and Christian circles issues of tolerance and intolerance surfaced regularly So it is appropriate that some other contributors should consider inner Jewish relationships and that some should be concerned with Christian sects Myths and Symbols; Or, Aboriginal Religions in America Stephen Denison Peet, 1905 The Holy Bible ... with Critical, Philological and Explanatory Notes by the Rev. John Hewlett ... Illustrated with ... Engravings, Etc ,1812 Karl Barth's Doctrine of Holy Scripture Klaas Runia, 2018-11-27 Hardly any Christian doctrine is discussed so much today as that of Holy Scripture Innumerable books are published about it and official discussions in many churches are concerned with it Karl Barth s doctrine plays a great part whether positively or negatively in all of these discussions and reports His stature is so great that no one can deal with the problem of Holy Scripture without considering

Barth's view and defining his own position over against it. Indeed many aspects of Barth's view have come to be generally accepted as beyond criticism. Such uncritical acceptance is itself a good reason to devote a special study to Barth's doctrine of Holy Scripture because no matter how we assess it the Church Dogmatics of Karl Barth is one of the greatest forces in the modern theological world. In its vastness and variety its comprehensiveness and detail it constitutes a challenge to every school. Nor is it to be met by caricature or sweeping generalization. The individual themes demand searching analysis and appraisal at the exegetical, historical and dogmatic levels at which Barth himself develops them. Only on the basis of detailed treatment can there be ultimate understanding and assessment of the whole. It is because Dr Runia tackles this preliminary problem that his present work is so significant. He does not add to the list of general books. Choosing a critical and sensitive area he devotes himself to the concentrated task of presenting the Barthian teaching on inspiration in its normative form. In the course of his analysis he examines the proposed biblical basis of Barth's statement and brings it into lively interaction with the Reformation tradition which Barth believes that he represents. By means of a thorough inquiry into the single point Dr Runia thus gives us a far more informative, stimulating and authoritative criticism that is possible in more comprehensive studies. The result is a valuable work which deserves to be widely studied and which should serve as a model for similar investigations into the many detailed themes of the Dogmatics. It is characterized by an honesty and relevance which gives it more than a narrowly academic interest. The real problems are faced and it is candidly the most orthodox of statements. Yet the great verities of the traditional doctrine emerge the clearer and stronger for this powerful discussion and in such a way that they may again make their salutary impact on a wider theological front.

Life in Christ: a Study of the Scripture

Doctrine on the Nature of Man Edward White, 1875
