

The background of the book cover is a collage of various Kabbalistic diagrams and Hebrew text. At the top, there are circular diagrams with Hebrew words like 'יהוה' (YHWH) and 'יהי' (Yehi). Below these, there are more complex diagrams with multiple levels of boxes and lines, some containing Hebrew text. At the bottom, there are two circular diagrams with Hebrew text, one on the left and one on the right, both featuring a central figure. The entire collage is set against a light beige background.

ON THE KABBALAH AND ITS SYMBOLISM

"An essential and readable guide for anyone who seeks
to taste the mysteries of the Kabbalah."

—DANIEL C. MATT,
author of *The Essential Kabbalah*

GERSHOM SCHOLEM
WITH A NEW FOREWORD BY BERNARD MCGINN

On The Kabbalah And Its Symbolism

Robert R. Redfield

On The Kabbalah And Its Symbolism:

On the Kabbalah and Its Symbolism Gershom Scholem,1972 *On the Kabbalah and its symbolism* Gershom Gerhard Scholem,1972 On the Kabbalah and Its Symbolism Gershom G. Scholem,1965 Idolatry Moshe Halbertal,Avishai Margalit,1992 Ranging with authority from the Talmud to Maimonides from Marx to Nietzsche and on to G E Moore this account of a subject central to our culture also has much to say about metaphor myth and the application of philosophical analysis to religious concepts and sensibilities *On the Kabbalah and its symbolism, tr* Gershom Gerhard Scholem, On the Kabbalah and Its Symbolism ,1969 *On the Kabbalah and Its Symbolism* Scholem Gershom G.,1965 *Walter Benjamin and Architecture* Gevork Hartoonian,2009-10-27 Drawing from Walter Benjamin's ideas the essays compiled in this book contribute to a critical understanding of contemporary architectural theories **On the Mystical Shape of the Godhead** Gershom Scholem,1997-02-25 In clear and easy to understand prose the pioneer of the modern study of Jewish mysticism explains the basic concepts of the Kabbalah A major contribution to our understanding of the Kabbalah Arthur Green Professor of Jewish Thought Brandeis University In the Zohar and other writings of the Kabbalah Jewish mystics developed concepts and symbols to help them penetrate secrets of the cosmos that cannot be understood through reason or intellect These ideas about God human beings and creation continue to fascinate and influence spiritual seekers of all persuasions today For anyone seeking to taste the mysteries of the Kabbalah this is an essential book that explains the mystical form of the imageless God good and evil the Tsaddik or righteous soul the Shekhinah the feminine aspect of God gilgul the transmigration of souls and tselem the concept of the astral body **Old Worlds, New Mirrors** Moshe Idel,2010 In *Old Worlds New Mirrors* Moshe Idel turns his gaze on figures as diverse as Walter Benjamin and Jacques Derrida Franz Kafka and Franz Rosenzweig Arnaldo Momigliano and Paul Celan Abraham Heschel and George Steiner to reflect on their relationships to Judaism in a cosmopolitan mostly European context **Gershom Scholem's Major Trends in Jewish Mysticism 50 Years After** Peter Schäfer,Joseph Dan,1993 Sponsored by the Gershom Scholem Center for the Study of Jewish Mysticism **Religious Perspectives in Modern Muslim and Jewish Literatures , The Body and Its Symbolism** Annick de Souzaenelle,2015-11-01 This intricate and profound exploration of Kabbalistic symbolism as applied to the human body is a classic in French esoteric circles It is the life work of psychotherapist Annick de Souzaenelle whose tremendous depth of thought has been partially inspired by the depth psychology of C G Jung De Souzaenelle incorporates the symbolism of the Hebrew language with biblical references and her understanding of Kabbalistic spirituality to present the Kabbalistic tree of life as a pattern of the human body in all its various parts and vital organs from the bottom of the feet to the top of the head Not only is hers an important work in the field it also affords some flavor of the rich French esoteric tradition *The Body and Its Symbolism* will be sought after by advanced students of the Western esoteric traditions especially Kabbalah **Goddesses in Myth and Cultural Memory** Emilie Kutash,2021-04-22 How have the goddesses of ancient

myth survived prevalent even now as literary and cultural icons How do allegory symbolic interpretation and political context transform the goddess from her regional and individual identity into a goddess of philosophy and literature Emilie Kutash explores these questions beginning from the premise that cultural memory a collective cultural and social phenomenon can last thousands of years Kutash demonstrates a continuing practice of interpreting and allegorizing ancient myths tracing these goddesses of archaic origin through history Chapters follow the goddesses from their ancient near eastern prototypes to their place in the epic poetry drama and hymns of classical Greece to their appearance in Platonic and Neoplatonic philosophy Medieval allegory and their association with Christendom Finally Kutash considers how goddesses were made into Jungian archetypes and how some contemporary feminists made them a counterfoil to male divinity thereby addressing the continued role of goddesses in perpetuating gender binaries *Polemical Encounters* Olav Hammer, Kocku von Stuckrad, 2007-09-30 In its historical development from late antiquity to the present western esotericism has repeatedly been the issue of polemical discourse This volume engages the polemical structures that underlie both the identities within and the controversy about esoteric currents in European history From Jewish and Christian kabbalah through heretical discourse and interconfessional polemics in early modernity to the legitimization of esoteric identity in modern culture the 12 chapters accompanied by an editors introduction provide a cornucopia of relevant cases that are interpreted in a framework of polemical discourse and Othering This volume sheds new light on the ultimately polemical structure of western esotericism and thus opens new vistas for further research into esoteric discourse *The Columbia History of Western Philosophy* Richard Henry Popkin, 1999 Richard Popkin has assembled 63 leading scholars to forge a chronological account of the development of Western philosophical traditions From Plato to Wittgenstein and from Aquinas to Heidegger this volume provides lively in depth and up to date historical analyses of all the key figures schools and movements of Western philosophy Each chapter includes an introductory essay and Popkin provides notes that draw connections among the separate articles The rich bibliographic information and the indexes of names and terms make the volume an invaluable resource *Suckling at My Mother's Breasts* Ellen Davina Haskell, 2012-11-06 One of Kabbalah's most distinctive images of the feminine divine is that of a motherly breastfeeding God Suckling at My Mother's Breasts traces this idea from its origins in ancient rabbinic literature through its flourishing in the medieval classic Sefer ha Zohar The Book of Splendor Taking the position that kabbalistic images provide specific detailed models for understanding the relationship between God and human beings Ellen Davina Haskell connects divine nursing theology to Jewish ideals regarding motherhood breastfeeding and family life from medieval France and Spain where Kabbalah originated Haskell's approach allows for a new evaluation of Kabbalah's feminine divine one centered on culture and context rather than gender philosophy or psychoanalysis As this work demonstrates the image of the nursing divine is intended to cultivate a direct emotional response to God rooted in nurture love and reliance rather than knowledge sexuality or authority *Gershom Scholem* Paul Mendes-Flohr, 2012-02-01 In the

early part of the twentieth century Gershom Scholem 1897 1982 founded the academic discipline of the study of Jewish Mysticism In so doing he not only broke new scholarly ground but he also revolutionized the field of Judaic Studies as a whole and left an indelible mark on the study of religion This book presents essays by several of Israel s eminent scholars reflecting on Scholem s impact on the academic and Jewish worlds and his life as a scholar a Jewish thinker and an activist The editor has provided an intellectual and spiritual biography of Scholem which complements the papers by Ephraim Urbach Joseph Ben Shlomo Isaiah Tishby Rivka Schatz Malachi Beit Ari Nathan Rotenstreich and Joseph Dan Together they highlight the enduring significance of Scholem s work which has remained the touchstone for all further scholarship on Jewish Mysticism and Kabbala This volume thus sets the context for the current debate conducted by a new generation of scholars who have introduced fresh ideas new methodologies and radical critique of the man they still revere as their master

Imagery Techniques in Modern Jewish Mysticism Daniel Reiser, 2018-07-09 This book analyzes and describes the development and aspects of imagery techniques a primary mode of mystical experience in twentieth century Jewish mysticism These techniques in contrast to linguistic techniques in medieval Kabbalah and in contrast to early Hasidism have all the characteristics of a full screenplay a long and complicated plot woven together from many scenes a kind of a feature film Research on this development and nature of the imagery experience is carried out through comparison to similar developments in philosophy and psychology and is fruitfully contextualized within broader trends of western and eastern mysticism

Memory, Humanity, and Meaning Neamtu, Mihail, Tataru-Cazaban, Bogdan, 2009-01-01 On the 23rd of August 2008 Professor Andrei Ple u has marked his sixtieth birthday In view of his distinguished service to the public welfare and his manifold contributions to academic life the editors of this volume have invited a number of Romanian and international scholars to celebrate this event with a Festschrift Colleagues friends and former students of Andrei Ple u joined together to offer a critical appreciation of his understanding of culture in today s world The participants in this volume explore the continuing debates around the place of philosophy politics aesthetics ethics and religion in shaping the identity of Western civilization
