The Otherside Brandon Taylor Erics, 2014-01-15 Validation equals survival This one point summarizes what this book is about It is an attempt to put into context the struggle that has occurred within and outside of the gay community for equality justice and substantiation This book will seek to paint a picture of homo sexism through various institutions in this country that shape societal views and perceptions I define homo sexism as discriminatory or abusive behavior towards members of the homosexual orientation including from within the gay community No where have I seen this term used or defined Why not Homo sexism exists and I believe because it has not been defined it will continue to exist Have we jumped defining basic terms in light of more dramatic terms such as hate crimes or homophobia Homo sexism is not the same as homophobia Homophobia describes a fear against same sex preferences that can lead to homo sexism and ultimately hate crimes There is a process It is appropriately used to legally and culturally define the use of ones gender against the individual or group but does not include homosexuality It is because there is so much passion several issues exude at once Because of this multiple exudation this project began out of frustration and utter invalidation How is that for a motivation Many friends and students have directly or indirectly encouraged me to go forward with my ideas This book examines the struggles one gay man has in his life and uncovers the truth it holds as he combats love disease and society

Other Side of Ellen White, The Paul Ricchiuti, 2019-04-30 Who was Ellen White anyway Was she just another human like the rest of us Yes she was Of course Ellen White was also a very special friend of God and His personal messenger to those in these last days She sometimes had to share very serious messages from Him with His flock here on earth But that didn t mean she was always the little lady dressed in black looking stern stuffy and unfriendly Not at all In this book Paul Ricchiuti shows us The Other Side of Ellen White the colorful side that was caring kind fun loving and humorous She loved to laugh She loved the people around her and took special joy in experiencing the small wonders of nature every day Many of the stories found in this book come from her time in Australia and at Elmhaven in California Even during these later years she did not lose her zest for life and she worked tirelessly for the beloved children of God until the day she died Enjoy these refreshing reflections on the life of a very special lady who had a very special relationship with God May you also find that joy in walking hand in hand with our Lord
