Origins Of The Shakers From The Old World To The New World:

The Oxford Handbook of Nineteenth-century Christian Thought Joel D. S. Rasmussen, Judith E. Wolfe, Johannes Zachhuber, 2017 This Handbook considers Christian thought in the long nineteenth century from the French Revolution to the First World War encompassing not only doctrine and theology but also Christianity's mutual influence on literature and the arts political and economic thought and the natural and social sciences

Utopias Howard P. Segal, 2012-03-02 This brief history connects the past and present of utopian thought from the first utopias in ancient Greece right up to present day visions of cyberspace communities and paradise Explores the purpose of utopias what they reveal about the societies who conceive them and how utopias have changed over the centuries Unique in including both non Western and Western visions of utopia Explores the many forms utopias have taken prophecies and oratory writings political movements world's fairs physical communities and also discusses high tech and cyberspace visions for the first time The first book to analyze the implicitly utopian dimensions of reform crusades like Technocracy of the 1930s and Modernization Theory of the 1950s and the laptop classroom initiatives of recent years

Divine Healing: The Years of Expansion, 1906-1930 James Robinson, 2014-05-07 In the present volume James Robinson completes his trilogy which deals with the history of divine healing in the period 1906-1930 The first volume is a study of the years 1830-1890 and was hailed as a standard reference for years to come The second book covers the years 1890-1906 and was acclaimed as a monumental achievement that combines careful historical scholarship and a high degree of accessibility This volume completes the study up to the early 1930s and like the other two works has a transatlantic frame of reference Though the book gives prominence to the theology and practice of divine healing in early Pentecostalism it also discusses two other models of healing the therapeutic and sacramental promoted within sections of British and American Anglicanism Some otherwise rigorous Fundamentalists were also prepared to practice divine healing The text contributes more widely to medical and sociocultural histories exemplified in the rise of psychotherapy and the cultural shift referred to as the Jazz Age of the 1920s The book concludes by discussing the major role that divine healing plays in the present rapid growth of global Christianity

The Public Universal Friend Paul B. Moyer, 2015-11-18 Amid political innovation and social transformation Revolutionary America was also fertile ground for religious upheaval as self-proclaimed visionaries and prophets established new religious sects throughout the emerging nation Among the most influential and controversial of these figures was Jemima Wilkinson Born in 1752 and raised in a Quaker household in Cumberland Rhode Island Wilkinson began her ministry dramatically in 1776 when in the midst of an illness she announced her own death and reincarnation as the Public Universal Friend a heaven-sent prophet who was neither female nor male In *The Public Universal Friend* Paul B. Moyer tells the story of Wilkinson and her remarkable church the Society of Universal Friends Wilkinson's message was a simple one humankind stood on the brink of the Apocalypse but salvation was available to all who accepted God's grace and the authority of his prophet the Public Universal Friend

Wilkinson preached widely in southern New England and Pennsylvania attracted hundreds of devoted followers formed them into a religious sect and by the late 1780s had led her converts to the backcountry of the newly formed United States where they established a religious community near present day Penn Yan New York Even this remote spot did not provide a safe haven for Wilkinson and her followers as they awaited the Millennium Disputes from within and without dogged the sect and many disciples drifted away or turned against the Friend After Wilkinson s second and final death in 1819 the Society rapidly fell into decline and by the mid nineteenth century ceased to exist The prophet s ministry spanned the American Revolution and shaped the nation s religious landscape during the unquiet interlude between the first and second Great Awakenings The life of the Public Universal Friend and the Friend s church offer important insights about changes to religious life gender and society during this formative period The Public Universal Friend is an elegantly written and comprehensive history of an important and too little known figure in the spiritual landscape of early America Protestant Communalism in the Trans-Atlantic World, 1650-1850 Philip Lockley,2016-04-29 This book explores the trans Atlantic history of Protestant traditions of communalism communities of shared property The sixteenth century Reformation may have destroyed monasticism in northern Europe but Protestant Christianity has not always denied common property Between 1650 and 1850 a range of Protestant groups adopted communal goods frequently after crossing the Atlantic to North America the Ephrata community the Shakers the Harmony Society the Community of True Inspiration and others Early Mormonism also developed with a communal dimension challenging its surrounding Protestant culture of individualism and the free market In a series of focussed and survey studies this book recovers the trans Atlantic networks and narratives ideas and influences which shaped Protestant communalism across two centuries of early modernity *The Grove Encyclopedia of American Art* Joan M. Marter,2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries **The Inspirationists, 1714-1932 Vol 1** Peter Hoehnle,2024-08-01 The Community of True Inspiration or Inspirationists was one of the most successful religious communities in the United States This collection offers a broad variety of Inspirationist texts almost all of them translated from German and published here for the first time

Puritans and Catholics in the Trans-Atlantic World 1600-1800 Crawford Gribben,Scott Spurlock,2016-01-26 For many English puritans the new world represented new opportunities for the reification of reformation if not a site within which they might begin to experience the conditions of the millennium itself For many Irish Catholics by contrast the new world became associated with the experience of defeat forced transportation indentured service cultural and religious loss And yet as the chapters in this volume demonstrate the Atlantic experience of puritans and Catholics could be much less bifurcated than some of the established scholarly narratives have suggested puritans and Catholics could co exist within the same trans Atlantic families Catholics could prosper just as puritans could experience financial decline and Catholics and puritans could adopt and exchange similar kinds of belief structures and practical arrangements even to the extent of being mistaken for

each other This volume investigates the history of Puritans and Catholics in the Atlantic world 1600 1800 *Enlightening enthusiasm* Lionel Laborie, 2015-10-01 In the early modern period the term enthusiasm was a smear word used to discredit the dissenters of the radical Reformation as dangerous religious fanatics In England the term gained prominence from the Civil War period and throughout the eighteenth century Anglican ministers and the proponents of the Enlightenment used it more widely against Paracelsian chemists experimental philosophers religious dissenters and divines astrologers or anyone claiming superior knowledge But who exactly were these enthusiasts What did they believe in and what impact did they have on their contemporaries This book concentrates on the notorious case of the French Prophets as the epitome of religious enthusiasm in early Enlightenment England Based on new archival research it retraces the formation development and evolution of their movement and sheds new light on key contemporary issues such as millenarianism censorship and the press blasphemy dissent and toleration and madness *Women Prophets and Radical Protestantism in the British Atlantic World, 1640-1730* Elizabeth Bouldin, 2015-11-12 This book examines the stories of radical Protestant women who prophesied between the British Civil Wars and the Great Awakening It explores how women prophets shaped religious and civic communities in the British Atlantic world by invoking claims of chosenness Elizabeth Bouldin interweaves detailed individual studies with analysis that summarizes trends and patterns among women prophets from a variety of backgrounds throughout the British Isles colonial North America and continental Europe Highlighting the ecumenical goals of many early modern dissenters *Women Prophets and Radical Protestantism in the British Atlantic World 1640 1730* places female prophecy in the context of major political cultural and religious transformations of the period These include transatlantic migration debates over toleration the formation of Atlantic religious networks and the rise of the public sphere This wide ranging volume will appeal to all those interested in European and British Atlantic history and the history of women and religion *Mormon Studies* Ronald Helfrich, Jr., 2021-12-30 Mormonism arose in early 19th century New York and has fired the imaginations of its devotees critics and students ever since Some intellectuals and academics read Mormonism as the product of economic change wrought by the Erie Canal in the Burned over District of western New York State and upper north eastern Ohio Others read Mormonism as an authoritarian reaction to Jacksonian democracy Finally some including most of those who became Mormons in the early 19th century and most of those who are believing Mormons today read Mormonism as the intervention of God in human history This book engages with Mormon Studies from its beginnings in the early nineteenth century to the end of the 20th century It covers those who fought over Mormonism s truth or falsity on those who tried to understand Mormonism as a religious and sociological phenomenon and on those who explored the history of Mormonism from a more dispassionate perspective It concludes with an exploration of the culture war that erupted as Mormon Studies professionalized particularly after the 1960s **The Evangelical Counter-Enlightenment** William R. Everdell, 2021-05-21 This contribution to the global history of ideas uses biographical profiles of 18th century contemporaries to find what Salafist

and Sufi Islam Evangelical Protestant and Jansenist Catholic Christianity and Hasidic Judaism have in common Such figures include Muhammad Ibn Abd al Wahab Count Nikolaus Zinzendorf Jonathan Edwards John Wesley Jean Jacques Rousseau and Israel Ba al Shem Tov The book is a unique and comprehensive study of the conflicted relationship between the evangelical movements in all three Abrahamic religions and the ideas of the Enlightenment and Counter Enlightenment Centered on the 18th century the book reaches back to the third century for precedents and context and forward to the 21st for the legacy of these movements This text appeals to students and researchers in many fields including Philosophy and Religion their histories and World History while also appealing to the interested lay reader

Christian History, Volume 2 Thomas S. Kidd, 2024-09-01 Thomas S Kidd presents a global history of the Christian church in the modern age Christian History Volume 2 From the Reformation to the Present provides a composite picture of important influential and representative Christian beliefs thinkers activists trends and practices from about 1500 to the present day In a highly readable style Kidd covers the events and figures from the Reformation the Great Awakenings higher criticism and the culture wars of the late twentieth and early twenty first centuries This volume also covers the global nature of God's church by examining historical global traditions as well as the recent demographic shift of active Christian communities to the global South In addition to the major theologians movements and events of the period Kidd highlights the everyday Christian experience through the centuries including accounts of ordinary men and women who experienced conversion lived sacrificially for the gospel or endured persecution A lively engaging and readable text Christian History Volume 2 From the Reformation to the Present will become a staple text for students and professors alike

Blood from the Sky Adam Jortner, 2017-02-03 In the decades following the Revolution the supernatural exploded across the American landscape fabulous reports of healings exorcisms magic and angels crossed the nation Under First Amendment protections new sects based on such miracles proliferated At the same time Enlightenment philosophers and American founders explicitly denied the possibility of supernatural events dismissing them as deliberate falsehoods and therefore efforts to suborn the state Many feared that belief in the supernatural itself was a danger to democracy In this way miracles became a political problem and prompted violent responses in the religious communities of Prophetstown Turtle Creek and Nauvoo In Blood from the Sky Adam Jortner argues that the astonishing breadth and extent of American miracles and supernaturalism following independence derived from Enlightenment ideas about proof and sensory evidence offering a chance at certain belief in an uncertain religious climate Jortner breaks new ground in explaining the rise of radical religion in antebellum America revisiting questions of disenchantment modernity and religious belief in a history of astounding events that as early Americans would have said needed to be seen to be believed

American Women's History Glenna Matthews, 2000 Alphabetical articles on major events documents persons social movements and political and social concepts connected with the history of women in America

Encyclopedia of American Cultural & Intellectual History Mary Kupiec Cayton, Peter W. Williams, 2001 A study of

American thought and culture throughout history examines the individuals and documents that revealed significant ideas issues and movements

Drunk in the Spirit Merrill G. Greene, 2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one's own cherished stories

Kentucky by Design Andrew Kelly, 2015-07-31 The Index of American Design was one of the most significant undertakings of the Federal Art Project the visual arts arm of the Works Progress Administration Part of President Franklin D Roosevelt's New Deal this ambitious initiative set out to discover and document an authentic American style in everyday objects The curators of the Index combed the country for art of the machine age from carved carousel horses to engraved powder horns to woven coverlets created by artisans for practical use In their search for a true American artistic identity they also sought furniture designed by regional craftsmen laboring in isolation from European traditions Kentucky by Design offers the first comprehensive examination of the objects from the Bluegrass State featured in this historic venture It showcases a wide array of offerings including architecture furniture ceramics musical instruments textiles clothing and glass and metalworks The Federal Art Project played an important role in documenting and preserving the work of Shaker artists from the Pleasant Hill and South Union communities and their creations are exhibited in this illuminating catalog Beautifully illustrated with both the original watercolor depictions and contemporary art quality photographs of the works this book is a lavish exploration of the Commonwealth's distinctive contribution to American culture and modern design Features contributions from Jean M Burks Erika Doss Jerrold Hirsch Lauren Churilla Larrie Currie Michelle Ganz Tommy Hines Lee Kogan Ron Pen Janet Rae Shelly Zegart Mel Hankla Philippe Chavance Kate Hesseldenz Madeleine Burnside and Allan Weiss

Choreomania Kéline Gotman, 2018 When political protest is read as epidemic madness religious ecstasy as nervous disease and angular dance moves as dark and uncouth the disorder being described is choreomania At once a catchall term to denote spontaneous gestures and the unruly movements of crowds choreomania emerged in the nineteenth century at a time of heightened class conflict nationalist policy and colonial rule In this book author Kéline Gotman examines these choreographies of unrest rethinking the modern formation of the choreomania concept as it moved across scientific and social scientific disciplines Reading archives describing dramatic misformations of bodies and body politics she shows how prejudices against expressivity unravel in turn revealing widespread anxieties about demonstrative agitation This history of the fitful body complements stories of nineteenth century discipline and regimentation As she notes constraints on movement

imply constraints on political power and agency In each chapter Gotman confronts the many ways choreomania works as an extension of discourses shaping colonialist orientalism which alternately depict riotous bodies as dangerously infected others and as curious bacchanalian remains Through her research Gotman also shows how beneath the radar of this colonial discourse men and women gathered together to repossess on their terms the gestures of social revolt

The Battle over America's Origin Story Brian Regal, 2022-05-06 This book examines the legends of who really discovered America It argues that histories of America's origins were always based less on empirical evidence and more on social political and cultural wish fulfillment Influenced by a complex interplay of Nativist hatred of immigrants and Aboriginal people as well as distrust of academic scholarship these legends ebbed and flowed with changing conditions in wider American society The book focuses on the actions of a collection of quirky obsessed amateur investigators who spent their lives trying to prove their various theories by promoting Welsh princes Vikings Chinese admirals Neo lithic Europeans African explorers and others who they say arrived centuries before Columbus These myths acted as mitigating agencies for those who embraced them Along with recent scholarship this book makes extensive use of archival materials some of which have never been employed before It covers the period from the sixteenth century to the present It brings together separate historiographic ideas to create a unified history rather than focusing on one particular legend as most books on the subject do It shows how questions of who discovered America helped create the field of historical scholarship in this country This book does not attempt to prove who discovered America rather it tells the story of those who think they did

Origins Of The Shakers From The Old World To The New World Introduction

In today's digital age, the availability of *Origins Of The Shakers From The Old World To The New World* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Origins Of The Shakers From The Old World To The New World* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Origins Of The Shakers From The Old World To The New World* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Origins Of The Shakers From The Old World To The New World* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Origins Of The Shakers From The Old World To The New World* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Origins Of The Shakers From The Old World To The New World* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Origins Of The Shakers From The Old World To The New World* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Origins Of The Shakers From The Old World To The New World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Origins Of The Shakers From The Old World To The New World books and manuals for download and embark on your journey of knowledge?

FAQs About Origins Of The Shakers From The Old World To The New World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Origins Of The Shakers From The Old World To The New World is one of the best book in our library for free trial. We provide copy of Origins Of The Shakers From The Old World To The New World in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Origins Of The Shakers From The Old World To The New World. Where to download Origins Of The Shakers From The Old World To The New World online for free? Are you looking for Origins Of The Shakers From The Old World To The New World PDF? This is definitely going to save you time and cash in something you should think about.
