Kurt E. Armbruster

Orphan Road The Railroad Comes To Seattle 1853 1911:

Orphan Road Kurt E. Armbruster, 1999 This well illustrated account describes the growth of railways across the Puget Sound region from the initial 1853 54 government surveys to the completion of the Milwaukee Road in 1911 Included are descriptions of the individual lines the intense Seattle Tacoma rivalry and the colorful personalities and urban aspirations that eventually brought Seattle to the forefront of Washington commerce *The Willits Brothers and Their Canoes* Patrick F. Chapman, 2006-05-25 For half a century Earl and Floyd Willits built some of the world s finest canoes first near Artondale Washington then on Day Island right off of Puget Sound in Tacoma Turning out approximately twenty canoes a year carefully logging and numbering each one the brothers emphasized quality and design rather than volume Willits Brothers Canoe Company earned a reputation that enabled the tiny company to compete successfully with businesses much larger leaving a name and legacy which is still admired by canoe aficionados today Carefully researched and documented this combination biography and company history tells the story of Earl and Floyd Willits and their unique canoe company Beginning with their family s westward migration from Illinois it follows the brothers as they set about starting the business that would become their lifelong work Close attention is given to the Willitses business management and construction techniques as well as their personal lives Interviews with surviving contemporaries and family members add a personal dimension to the Willitses story Appendices include a detailed company logbook instructions from the Willits brothers on various areas of canoe use and maintenance a price list of canoes from 1928 to 1964 and a list of serial numbers and dates of manufacture In addition a price comparison with the Old Town Canoe Company a listing of museums exhibiting a Willits Brothers canoe two Willits Brothers Canoe company catalogs and various plans of Willits canoes are provided Contemporary photographs from the Willits family collection are also included *Before Seattle Rocked* Kurt E. Armbruster, 2011-10-17 Seattle is a music town with rich deep roots that have influenced the culture and identity of its civic life for decades In a society that appreciates music but is ambivalent toward the profession of making it the importance and contribution of Seattle s musicians have been routinely overlooked in historical accounts of the city Kurt Armbruster fills that gap in this far reaching and entertaining panorama of Seattle music from the 1890s to the 1960s before Seattle rocked For this once remote city music forged links as real as those created by railroads and steamships Classical music embodied the middle class aspirations for gentility and cosmopolitan stature jazz and blues gave Seattle s small African American community a vehicle for affirmation and economic advancement ethnic music helped immigrants adjust to a new home songs and drumming kept the memories of the Duwamish alive in a changing world Before Seattle Rocked is enlivened by personal anecdotes and memories from many of Seattle s most beloved musicians and is enriched by historic photos of the changing music scene Watch the trailer <http://www.youtube.com/watch?v=tyo22tC6PkQ> feature channel_video_title Before Seattle Rocked was made possible in part by a grant from 4Culture s Heritage Program *East Lake Sammamish Master Plan Trail* ,2010 *The White Cascade* Gary

Krist,2008-01-22 The never before told story of one of the worst rail disasters in U S history in which two trains full of people trapped high in the Cascade Mountains are hit by a devastating avalanche In February 1910 a monstrous blizzard centered on Washington State hit the Northwest breaking records The world stopped but nowhere was the danger more terrifying than near a tiny town called Wellington perched high in the Cascade Mountains where a desperate situation evolved minute by minute two trainloads of cold hungry passengers and their crews found themselves marooned without escape their railcars gradually being buried in the rising drifts For days an army of the Great Northern Railroad s most dedicated men led by the line s legendarily courageous superintendent James O Neill worked round the clock to rescue the trains But the storm was unrelenting and to the passenger s great anxiety the railcars their only shelter were parked precariously on the edge of a steep ravine As the days passed food and coal supplies dwindled Panic and rage set in as snow accumulated deeper and deeper on the cliffs overhanging the trains Finally just when escape seemed possible the unthinkable occurred the earth shifted and a colossal avalanche tumbled from the high pinnacles sweeping the trains and their sleeping passengers over the steep slope and down the mountainside Centered on the astonishing spectacle of our nation s deadliest avalanche Gary Krist s The White Cascade is the masterfully told story of a supremely dramatic and never before documented American tragedy An adventure saga filled with colorful and engaging history this is epic narrative storytelling at its finest **Native Seattle**

Coll Thrush,2009-11-23 Winner of the 2008 Washington State Book Award for History Biography In traditional scholarship Native Americans have been conspicuously absent from urban history Indians appear at the time of contact are involved in fighting or treaties and then seem to vanish usually onto reservations In Native Seattle Coll Thrush explodes the commonly accepted notion that Indians and cities and thus Indian and urban histories are mutually exclusive that Indians and cities cannot coexist and that one must necessarily be eclipsed by the other Native people and places played a vital part in the founding of Seattle and in what the city is today just as urban changes transformed what it meant to be Native On the urban indigenous frontier of the 1850s 1860s and 1870s Indians were central to town life Native Americans literally made Seattle possible through their labor and their participation even as they were made scapegoats for urban disorder As late as 1880 Seattle was still very much a Native place Between the 1880s and the 1930s however Seattle s urban and Indian histories were transformed as the town turned into a metropolis Massive changes in the urban environment dramatically affected indigenous people s abilities to survive in traditional places The movement of Native people and their material culture to Seattle from all across the region inspired new identities both for the migrants and for the city itself As boosters historians and pioneers tried to explain Seattle s historical trajectory they told stories about Indians as hostile enemies as exotic Others and as noble symbols of a vanished wilderness But by the beginning of World War II a new multitribal urban Native community had begun to take shape in Seattle even as it was overshadowed by the city s appropriation of Indian images to understand and sell itself After World War II more changes in the city combined with the agency of Native people led to a

new visibility and authority for Indians in Seattle The descendants of Seattle's indigenous peoples capitalized on broader historical revisionism to claim new authority over urban places and narratives At the beginning of the twenty first century Native people have returned to the center of civic life not as contrived symbols of a whitewashed past but on their own terms In Seattle the strands of urban and Indian history have always been intertwined Including an atlas of indigenous Seattle created with linguist Nile Thompson Native Seattle is a new kind of urban Indian history a book with implications that reach far beyond the region Replaced by ISBN 9780295741345 *Redmond, Washington* Georgeann Malowney, 2002 Only 17 miles northeast of Seattle Redmond is nestled among fir trees with the majestic backdrop of the Cascade Mountains to the east and the Olympic Mountains to the west In 1870 when the first official census of Seattle listed 1 107 people Luke McRedmond obtained a land patent in the area later to be named for him From the auspicious beginnings of lumber fishing and hunting industries sprang a thriving town which was destined to gain international recognition as the home of Microsoft With photographs collected from the relatives of its founding families this volume focuses on the history of Redmond from 1870 to the 1920s Included are many unpublished photos of the pioneer families as well as rare glimpses of the railway station early farms and schools and historic shots of the Redmond Fire Department Pictured social occasions include the earliest 4th of July celebrations birthday parties and Redmond's famous Derby Days the country's oldest annual bicycle race begun in 1939

Monumental Seattle Robert Spalding, 2021-06-22 Beginning with the 1899 installation of a stolen Tlingit totem pole at Pioneer Square and stretching to artist Lou Cella's Ken Griffey Jr sculpture erected at Safeco Field in 2017 Seattle offers an impressive abundance of public monuments statues busts and plaques Whether they evoke curiosity and deeper interaction or elicit only a fleeting glance the stories behind them are worth preserving Private donors and civic groups commissioned prominent national sculptors as well as local artists like James A Wehn who sculpted multiple renderings of Chief Seattle and Alonzo Victor Lewis who produced a number of bas reliefs and statues including one of the city's most controversial a World War I soldier known as The Doughboy The resulting creations represent diverse perspectives and celebrate a wide array of cultural heroes dozens of firsts the Alaska Yukon Pacific Exposition aviation and military and maritime service Author Robert Spalding provides the history surrounding these works Beyond the words chiseled into granite or emblazoned in bronze he considers the deeper meaning of the heritage markers exploring how and why people chose to commemorate the past the selection of sites and artists and the context of the time period He also discusses how changing societal values affect public memorials noting works that are missing or relocated and how they have been maintained or neglected An appendix lists the type year location and artist for sixty monuments and statues and whether each still exists Another useful appendix offers maritime plaque inscriptions

Written in the Snows Lowell Skoog, 2021-10-01 Century of Northwest wilderness skiing stories by noted expert 150 black and white and color photographs Celebrates the friluftsliv or open air living spirit of backcountry skiing In *Written in the Snows* renowned local

skiing historian Lowell Skoog presents a definitive and visually rich history of the past century of Northwest ski culture from stirring and colorful stories of wilderness exploration to the evolution of gear and technique. He traces the development of skiing in Washington from the late 1800s to the present, covering the beginnings of ski resorts and competitions, the importance of wild places in the Olympic and Cascade mountains, including Oregon's Mount Hood, and the friluftsliv or open air living spirit of backcountry skiing. Skoog addresses how skiing has been shaped by larger social trends, including immigration, the Great Depression, war, economic growth, conservation, and the media. In turn, Northwest skiers have affected their region in ways that transcend the sport, producing local legends like Milnor Roberts, Olga Bolstad, Hans Otto Giese, Bill Maxwell, and more. While weaving his own impressions and experiences into the larger history, Skoog shows that skiing is far more than mere sport or recreation.

Pacific Connections Kornel Chang, 2012-06-12

In the late nineteenth century, the borderlands between the United States, the British Empire in Canada, and the Asia Pacific Rim emerged as a crossroads of the Pacific world. In *Pacific Connections*, Kornel Chang tells the dramatic stories of the laborers, merchants, smugglers, and activists who crossed these borders into the twentieth century, and the American and British empire builders who countered them by hardening racial and national lines. But even as settler societies attempted to control the processes of imperial integration, their project fractured under its contradictions. Migrant workers and radical activists pursued a transnational politics through the very networks that made empire possible. Charting the U.S./Canadian borderlands from above and below, Chang reveals the messiness of imperial formation and the struggles it spawned from multiple locations and through different actors across the Pacific world. *Pacific Connections* is the winner of the Outstanding Book in History award from the Association for Asian American Studies and is a finalist for the John Hope Franklin Book Prize from the American Studies Association.

Orphan Road The Railroad Comes To Seattle 1853 1911 Book Review: Unveiling the Power of Words
