Books in Print, 2002 *Identity and Memory in Post-Soviet Central Asia* Timur Dadabaev, 2015-08-11 Central Asian states

have experienced a number of historical changes that have challenged their traditional societies and lifestyles The most

significant changes occurred as a result of the revolution in 1917 the incorporation of the region into the Soviet Union and

gaining independence after the collapse of the USSR Impartial and informed public evaluation of the Soviet and post Soviet

periods has always been a complicated issue and the official descriptions have often contradicted the interpretations of the

past viewed through the experiences of ordinary people Identity and Memory in Post Soviet Central Asia looks at the

tradition of history construction in Central Asia By collecting views of the public s experiences of the Soviet past in

Uzbekistan the author examines the transformation of present day Central Asia from the perspective of these personal

memories and analyses how they relate to the Soviet and post Soviet official descriptions of Soviet life The book discusses

that the way in which people in Central Asia reconcile their Soviet past to a great extent refers to the three fold process of

recollecting their everyday experiences reflecting on their past from the perspective of their post Soviet present and re

imagining These three elements influence memories and lead to selectivity in memory construction emphasising the aspects

of the Soviet era people choose to recall in positive and negative lights Presenting a broader picture of Soviet everyday life at

the periphery of the USSR the book will be a useful contribution for students and scholars of Central Asian Studies Ethnicity

and Identity Politics *Regime Transition in Central Asia* Dagikhudo Dagiev, 2013-10-30 Presenting a study of regime

transition political transformation and the challenges that faced the post Communist republics of Central Asia on

independence this book focuses on the process of transition in Tajikistan and Uzbekistan and the obstacles that these newly

independent states are facing in the post Communist period The book analyses how in the early stages of their independence

the governments of Central Asia declared that they would build democratic states but that in practice they demonstrated that

they are more inclined towards authoritarianism With the declaration of independence Tajikistan and Uzbekistan like many

other former Soviet national republics were faced with the issues of nationalism ethnicity identity and territorial delimitation

This book looks at how the discourse of patrimonial nationalism in post Communist Tajikistan and Uzbekistan has been the

elites strategy to address all these issues to maintain the stateness of their respective countries to preserve the unity of their

nation to fill the ideological void of post Communism to prevent the rise of Islam and to legitimize their authoritarian practice

Arguing against the claim that the Central Asian states have undergone divergent paths of transition the book discusses how they are in fact all authoritarian although exhibiting different degrees of authoritarianism This book provides a useful contribution to studies on Central Asian Politics and International Relations Nationalism In Uzbekistan James Critchlow,2018 Drawing from a wide range of Uzbek and Russian sources James Critchlow analyzes significant developments leading up to Uzbekistan s declaration of sovereignty and examines the outlook for the republic s emergence as an independent international player The author s primary focus is on the Uzbek elites attitudes and their efforts to throw off Moscow s hegemony by using popular grievances to mobilize mass support against the central Soviet government Critchlow traces local grievances to two roots The first is Uzbekistan s decades long economic exploitation by Moscow through the imposition of an intensive cotton monoculture the accumulated effects of which have been massive environmental degradation illness and death The second is the central government s failure to adequately compensate Uzbekistan for these hardships and for the republic s overall contribution to the Soviet economy while having further impoverished Uzbeks by limiting the range of their cultural and political expression Among the manifestations of Uzbek resistance explored here are protests against russification and compulsory military conscription persistent and open adherence to religious traditions and loyalty above all to local political ethnic and family ties which frequently has led Moscow to charge the republic s leadership with nepotism and corruption Now that their campaign for sovereignty has triumphed will Uzbek leaders be able to solve the knotty political and economic problems their republic still faces The analysis offered here illuminates this question and suggests possible answers Provided by publisher *The Political Economy of Reform in Central Asia* Martin C. Spechler,2008-04-23 This book examines the economic reforms and material progress of the Central Asian republics after becoming independent from the Soviet Union focusing especially although not exclusively on the largest of these new states Uzbekistan It considers the region s abundant energy resources and prospects for future development **Making Uzbekistan** Adeeb Khalid,2015-12-21 In *Making Uzbekistan* Adeeb Khalid chronicles the tumultuous history of Central Asia in the age of the Russian revolution He explores the complex interaction between Uzbek intellectuals local Bolsheviks and Moscow to sketch out the flux of the situation in early Soviet Central Asia His focus on the Uzbek intelligentsia allows him to recast our understanding of Soviet nationalities policies Uzbekistan he argues was not a creation of Soviet policies but a project of the Muslim intelligentsia that emerged in the Soviet context through the interstices of the complex politics of the period *Making Uzbekistan* introduces key texts from this period and argues that what the decade witnessed was nothing short of a cultural revolution Open Access edition funded by the National Endowment for the Humanities Socio-economic Transformation of Soviet Central Asia R.
