Political Representation In France:

Political Representation in France Philip E. Converse, Roy Pierce, 1986 There can scarcely be a greater tribute to the vitality of the Fifth Republic's democracy than this monumental work. A searching analysis of how the will of the voters is translated into authoritative political decision making, this book not only uncovers political truths about contemporary France but also provides a model for the study of other popular forms of government. The authors set out to find an answer to the perplexing question of how representative government operates in France in the seemingly unstable context of multiparties. By interviewing voters as well as legislators in 1967 and in 1968 after the great upheaval and by monitoring policies of the National Assembly from 1967 to 1973, the authors test relationships between public opinion and decision making. They are able to sort out the abiding political cues that orient the French voter to establish the normal electoral processes to gauge the nature of mass perceptions of the political options available to voters and to interpret the strikes, riots and demonstrations of 1968 as a channel of communication parallel to the electoral process itself. Lucid in style, methodologically sophisticated and often comparative in approach, *Political Representation in France* is a seminal work for political scientists, sociologists and historians.

Political Representation in France and Germany Oscar W. Gabriel, Eric Kerrouche, Suzanne S. Schüttemeyer, 2018-06-28 Notwithstanding its contemporary critics, political representation remains at the core of democratic politics. Based on a comparative research project that gathered data from observations, surveys, experiments and expert interviews, this book examines the process and the quality of political representation in France and Germany from a dual perspective. First, it analyzes MPs' behavior during their district activities. Second, it investigates the perceptions and evaluations of the represented, the French and German citizens. In ten chapters, different facets of MPs' activities as well as citizens' attitudes are comparatively investigated. The book is relevant for politics scholars and practitioners at national parliaments to better understand representative democracies and it may also contribute to improve representation itself.

Parliamentary Representation in France Olivier Costa, 2017-07-05 Despite real improvements since the beginning of the last decade, legislative studies are still underdeveloped in France compared to other modern democracies. This weakness is linked to the characteristics of the political system itself: the Constitution of 1958 has created a semi-presidential regime, the centrality of which has been constantly reinforced since. The French parliament is thus supposed to be extremely feeble. This lack of interest for legislative studies is also to be found in the specificities of French political sociology, which pays little attention to institutions. As a result, very few papers and books deal with French chambers and MPs. Yet they are fascinating cases of study for scholars interested in parliamentary representation, professionalization of political life and French politics. The French parliament and MPs are deeply paradoxical: MPs are very attached to the concept of national sovereignty but remain involved at local level and in surgery work; the French National Assembly is supposed to be weak but is quite active and influential; citizens are more aware of the role of MPs than it seems and their views and

values are closer than predicted This book gathers seven papers from the LEGIPAR research project 2008 2012 The project was designed by the contributors to rejuvenate French legislative studies by collecting systematic data on MPs socio biographical profiles and activities conducting face to face interviews gathering exhaustive data on National Assembly activity and organising focus groups to analyse citizens perceptions of their MPs This book was originally published as a special issue of the Journal of Legislative Studies Parliamentary Representation in France Olivier Costa,2017-07-05

Mazur,2016-11-24 The Oxford Handbook of French Politics provides a comprehensive and comparative overview of the French political system through the lens of political science The Handbook is organized into three parts the first part identifies foundational concepts for the French case including chapters on republicanism and social welfare the second part focuses on thematic large scale processes such identity governance and globalization while the third part examines a wide range of issues relating to substantive politics and policy among which are chapters on political representation political culture social movements economic policy gender policy and defense and security policy The volume brings together established and emerging scholars and seeks to examine the French political system from a comparative perspective The contributors provide a state of the art review both of the comparative scholarly literature and the study of the French case making The Oxford Handbook of French Politics an invaluable resource for anyone interested in the foundations of contemporary political life in France **The Reform of Political Representation** Sir John Fischer Williams,1918 **Muslim Women's Political Participation in France and Belgium** Amina

Easat-Daas,2020-10-03 This book outlines the principal motivations opportunities and barriers to Muslim women s political participation in France and francophone Belgium Easat Daas draws on in depth comparative contextual analysis along with semi structured interview material with women from France and Belgium who self identify as Muslim and are active in a variety of modes of political participation such European Parliamentarians Senators councilwomen trade union activists and those engaged in grass roots political movements This provides an alternative framing of Muslim women removed from the tired and often exaggerated stereotypes that portray them as passive objects or sources of threat instead highlighting their remarkable resilience and consistent determination Through exploring the intersecting fault lines of racial Islamophobic and gendered struggles of Muslim women in these two cases this book also sheds new light on the role of European Islam political opportunity structures secularism and Muslim women s dress *Ethnic Minority Migrants in Britain and France*

Rahsaan Maxwell,2012-03-05 This book addresses why some ethnic minority migrant groups have better economic and political integration outcomes than others The central claim is that social integration leads to trade offs with economic and political integration The logic behind this claim is that socially segregated groups may have difficulties interacting with mainstream society but will have more capacity for group mobilization That mobilization can improve economic and political integration In comparison socially integrated groups may have greater capacity to interact with mainstream society but also less likelihood of developing significant group mobilization resources As a result this can limit their economic and political integration outcomes Rahsaan Maxwell develops this argument with evidence from Britain and France claiming that similar group level dynamics exist despite numerous national level contextual differences and provides a brief extension of the argument to The Netherlands and the United States Gender Quotas, Parity Reform, and Political Parties in France

Katherine A. R. Opello,2006-01-01 France is notorious for the underrepresentation of women in its halls of politics Having been unsuccessful at implementing quotas for female candidates unlike several of their European neighbors France passed a gender parity law in 2000 that required all political parties to field an equal number of male and female candidates Yet in the 2002 elections the main political parties fell well short of nominating equal numbers of male and female candidates How did parity replace gender quotas as the preferred way to achieve greater representation for women in elected office Why have these gender based measures been embraced by some parties and not others And why do parties sometimes fail to implement quotas and parity Gender Quotas Parity Reform and Political Parties in France considers this transition from quotas to parity providing a history of French women s rights and the French electoral process as well as an examination of the roles of the Socialist and Gaullist political parties Compelling and clearly written Opello has created a work that bridges an existing gap in literature about contemporary France and will appeal to scholars of gender politics and France

Contemporary France Anne Sa'adah,2003 Annotation Describing actors beliefs institutions and policies this introduction interprets contemporary democratic politics in France and explores why and with what political consequences so many

people in France experience globalization as a harbinger of national decline Special attention is paid to the impact of historical legacies WWII and France's role in Europe The author teaches law and political science at Dartmouth College Annotation c 2003 Book News Inc Portland OR booknews com *Searching for the New France* James F.

Hollifield,2013-12-16 The face of today's France does not resemble its forebear of a quarter century ago it is more like its European neighbors *Searching for the New France* provides an in depth historical account of the changes that have swept France over the past three decades and explores the political challenges that confront the country today An array of distinguished international scholars examine changes in French politics society and the economy The compilation is both comprehensive and topical in its coverage and is unique in the broad based historical and interpretive nature of its essays The study will be invaluable to a wide range of scholars and students in the social sciences **Women and Politics in**

France 1958-2000 Dr Gill Allwood,Gill Allwood,Dr Khursheed Wadia,Khursheed Wadia,2002-01-04 An essential guide to the role of women in the political life of France under the Fifth Republic It shows that the unique political history of France ensures that it remains an important and exceptional example of women's participation in the politics of a Western European country Its study is essential in order to have a complete understanding of women and politics today This is the first English language study to capture the new enthusiasm engendered by the campaign for parity in 1992 which produced constitutional reform and a record number of deputies and ministers Political Culture in France and Germany (RLE: German Politics)

John Gaffney,Eva Kolinsky,2014-12-17 This book originally published in 1991 assesses how attitudes political orientations and social values changed during the five decades after the Second World War The case studies in the book focus on key sites in political culture in France on the extreme right the cinema the impact of media personalities and changes of political discourse in Germany on the decline of regional identities the emergence of specific issues and the concern of political parties with the effectiveness of language This interdisciplinary study provides new insights into the way French and German people see themselves Portraiture and Politics in Revolutionary France Amy Freund,2015-06-13 Portraiture and Politics

in Revolutionary France challenges widely held assumptions about both the genre of portraiture and the political and cultural role of images in France at the beginning of the nineteenth century After 1789 portraiture came to dominate French visual culture because it addressed the central challenge of the Revolution how to turn subjects into citizens Revolutionary portraits allowed sitters and artists to appropriate the means of representation both aesthetic and political and articulate new forms of selfhood and citizenship often in astonishingly creative ways The triumph of revolutionary portraiture also marks a turning point in the history of art when seriousness of purpose and aesthetic ambition passed from the formulation of historical narratives to the depiction of contemporary individuals This shift had major consequences for the course of modern art production and its engagement with the political and the contingent *The Politics of Immigration in France, Britain, and*

the United States M. Schain,2012-06-18 Updated through 2012 with all new material in every chapter Schain's book provides

a detailed comparative look at the policies that drive and inform immigration politics in three Western countries and shows how immigration policy has political sources far beyond labor market needs

Government and Political Life in England and France, c.1300-c.1500 Christopher Fletcher, Jean-Philippe Genet, John Watts, 2015-04-20 How did the kings of England and France govern their kingdoms This volume the product of a ten year international project brings together specialists in late medieval England and France to explore the multiple mechanisms by which monarchs exercised their power in the final centuries of the Middle Ages Collaborative chapters mostly co written by experts on each kingdom cover topics ranging from courts military networks and public finance office justice and the men of the church to political representation petitioning cultural conceptions of political society and the role of those excluded from formal involvement in politics The result is a richly detailed and innovative comparison of the nature of government and political life seen from the point of view of how the king ruled his kingdom but bringing to bear the methods of social cultural and economic history to understand the underlying armature of royal power

Immigration and Insecurity in France Jane Freedman, 2017-07-05 The importance of the immigration issue in French politics has been highlighted by the success of Jean Marie Le Pen leader of the extreme right Front National party in reaching the second round of the presidential elections This absorbing book closely examines the debate over immigration in contemporary France looking not only at the development of immigration and nationality policies but also at the changing discourse on the integration of immigrants It analyzes the continuing racialization of discourse on immigration and anti Islamic sentiment arising from the Islamic headscarf affair The work addresses issues such as the gendered nature of immigration and pays particular attention to the experiences of women immigrants in France This careful analysis is then placed within the context of developments in the EU towards creating a unified immigration and asylum policy

Politics in France and Europe P. Perrineau, 2009-12-07 This book offers an in depth analysis of political life in France and Europe at the beginning of the 21st century at a time of change and crisis Encompassing questions about values political actors and electoral choices it is dedicated particularly to scholars and students enrolled in comparative politics programs

Strikes in France 1830-1968 Edward Shorter, Charles Tilly, 1974-08-15 Monograph tracing the historical evolution of strike and unofficial strike activities in France from 1830 to 1968 covers trade unionization the impact of industrialization and urbanization etc Bibliography pp 401 to 412 graphs maps references and statistical tables

Interest-Group Politics in France Frank Lee Wilson, 1987 This book represents a comprehensive examination of interest group politics in France focusing on the overall pattern of interaction between interest groups and government Wilson examines the structures and methods of group politics the perspectives and attitudes of group leaders and the place of interest groups in the broader pattern of French politics

Political Representation In France Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Representation In France has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Representation In France has opened up a world of possibilities. Downloading Political Representation In France provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Representation In France has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Representation In France. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Representation In France. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Representation In France, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political

Representation In France has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Representation In France Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
