Political Gain And Civilian Pain Humanitarian Impacts Of Economic Sanctions:

The impact of economic sanctions Great Britain: Parliament: House of Lords: Select Committee on Economic Affairs, 2007-05-09 impact of economic Sanctions 2nd report of session 2006 07 Vol 2 Evidence A Strategic Understanding of UN Economic Sanctions Golnoosh Hakimdavar, 2013-10-08 Economic Sanctions are increasingly used as a legal non military technique of combating abusers of international peace However it remains unclear how the success or failure of these sanctions is measured This book examines the seldom explored United Nations economic sanctions deliberation process and exposes systematic problems in the measurement of the success or failure of these sanctions Centering on the key concepts of peace and security the author brings the reader's attention to the discrepancies that exist in the process of decision making implementation and evaluation of UN imposed economic sanctions She engages international law and development methods to provide proof for the lack of consensus in measures of success and failure which in turn suggests that sanction implementation on a uniform domestic front are unattainable This thorough analysis concludes with suggestions for improving the sanctions process only to clear the path for negating them as a whole and suggest alternative non coercive measures for mitigating conflict situations and threats to peace and security

Contributions to the Study of Peacemaking United States Institute of Peace, 1991 Contributions to the Study of Peacemaking, 1995 **Contributions to the Study of Peacemaking** Amy Smith, 1999 **The Law of the List** Gavin Sullivan, 2020-04-23 Governing through the technology of the list is transforming international law global security and the power of international organisations **Economic Sanctions and American Diplomacy** Richard Haass, 1998 What cannot be disputed is that economic sanctions are increasingly at the center of American foreign policy to stem the proliferation of weapons of mass destruction promote human rights discourage aggression protect the environment and thwart drug trafficking United Nations Sanctions Management Paul Conlon, 2021-10-25 This remarkable book scrutinizes the rationale and enforcement of the continuing United Nations sanctions in Iraq a program widely criticized for imposing misery on an entire population in a fruitless attempt to humble a cynical tyrant It is the first book length study ever undertaken of the functioning of a Security Council sanctions committee It analyzes in detail substantive UN sanctions law the operation of mandatory Chapter VII sanctions and their practical enforcement strategies The author offers recommendations both legislative and organizational for improving the effectiveness of multilateral sanctions measures in the future Providing a rare insider's view of this aspect of international law and organization and based largely on previously unpublished documents United Nations Sanctions Management will be of great interest for the light it sheds on the background to the current UN impasse on Iraq There are two statistical tables four flowcharts lists of committee members and meetings and a select bibliography Published under the auspices of the Procedural Aspects of International Law Institute PAIL For more information about PAIL go to pail.institute.org Published under the Transnational Publishers imprint The Prevention and

Intervention of Genocide Samuel Totten, 2017-09-08 Over the last twenty years the world has witnessed four major genocides There was the genocide in Iraq 1988 in Rwanda 1994 in Srebrenica 1995 and in Darfur 2003 and continuing Most observers agree there is an urgent need to assess the international community s efforts to prevent genocide and to intervene once a genocide is under way in an effective and timely manner This volume the latest in a widely respected series on the subject of genocide provides an overview of a host of issues germane to this task The book begins with a cogent discussion of the issues of prevention and intervention during the Cold War years The second chapter discusses the abject failures and moderate though in some cases highly controversial successes at prevention and intervention carried out in the 1990s and early 2000s Further chapters examine latest efforts to develop an effective genocide early warning system and examine the complexity of and barriers to prevention The pros and cons of sanctions and the problems of enforcement and evaluation their effectiveness are then discussed Conflicts between state sovereignty and the protection of threatened populations are examined both in historical context and by incorporating the latest thinking Later chapters treat the issue of intervention why and how it has met with only limited success Concentrating on Rwanda and Srebrenica chapter 8 discusses various peace operations that were abject failures and those that were moderately successful The concept of an anti genocide regime is examined in terms of progress in developing such a regime as well as what the international community must do in order to implement it Chapters discuss key issues related to post genocidal periods those that need to be addressed in order to establish stability in a wounded land and populace as well as to prevent future genocides The final chapter asks whether bringing perpetrators to justice has any impact in breaking impunity ensuring deterrence and bringing about reconciliation The contributors to the volume are all noted scholars some of whom specialize in the study of genocide and others who specialize in such areas as early warning peacekeeping and sanctions

Armed Humanitarians Robert C. DiPrizio, 2002-09-27 Since the end of the Cold War the US military has found itself embroiled in many operations other than war most controversially in humanitarian interventions DiPrizio examines the factors that lay behind decisions to send in troops analyzing the decision making process and its constraints

Israel Yearbook on Human Rights, Volume 30 (2000) Yoram Dinstein, Fania Domb, 2021-09-06 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which

are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations Volume 30 contains amongst others articles on Humanitarian Protection in non international armed conflicts International Humanitarian Law: Origins John Carey, William Dunlap, Pritchard, 2015-01-27 In three distinct volumes the editors bring together a distinguished group of contributors whose essays chart the history practice and future of international humanitarian law At a time when the war crimes of recent decades are being examined in the International Criminal Tribunals for Former Yugoslavia and Rwanda and a new International Criminal Court is being created as a permanent venue to try such crimes the role of international humanitarian law is seminal to the functioning of such attempts to establish a just world order The intent of these volumes is to help to inform where humanitarian law had its origins how it has been shaped by world events and why it can be employed to serve the future The other volumes in this set are International Humanitarian Law Challenges and International Humanitarian Law Prospects Published under the Transnational Publishers imprint **Military-Civilian Interactions** Thomas G. Weiss, 2005 Updated to include discussion of Afghanistan Iraq this text explores the recent history of military civilian interaction in the context of international military intervention develops a framework for assessing military costs against civilian benefits War, Hunger, and Displacement: E. Wayne Nafziger, Frances Stewart, Raimo Väyrynen, 2000-10-19 Since the end of the cold war the number of civil wars in developing countries has escalated to the point where they are the most significant source of human suffering in the world today Although there are many political analyses of these emergencies this two volume work is the first comprehensive study of the economic social and political roots of humanitarian emergencies identifying early measures to prevent such disasters Nafziger Stewart and Väyrynen draw on a wide range of specialists on the political economy of war and on major conflicts to show the causes of conflict The first volume provides a general overview of the nature and causes of the emergencies including economic political and environmental factors The second volume provides detailed case studies of thirteen conflicts including Rwanda Burundi the Congo Afghanistan and the Caucasus that originated in the weakness of the state or where economic factors predominate The volumes emphasize the significance of protracted economic stagnation and decline high and increasing inequality government exclusion of distinct social groups state failure and predatory rule They debunk beliefs recurrent in the literature that emergencies are the result of deteriorating environmental conditions structural adjustment and deep seated ethnic animosity By analysing the causes and prevention of war and humanitarian emergencies in developing countries this work outlines a less costly alternative to the present strategy of the world community of spending millions of dollars annually to provide mediation relief and rehabilitation after the conflict occurs

Thinking about Global Governance Thomas George Weiss, 2011 This collection presents Thomas G Weiss most important contributions to debates on UN Reform non state actors and global governance and humanitarian action in a turbulent world *The International Struggle Over Iraq* David M. Malone, 2006-06-22 Iraq has dominated international

headlines in recent years but its controversial role in international affairs goes back much further The key arena for these power politics over Iraq has been the United Nations Security Council Spanning the last quarter century The International Struggle over Iraq examines the impact the United Nations Security Council has had on Iraq and Iraq's impact on the Security Council The story is a fascinating one Beginning in 1980 in the crucible of the Iran Iraq War the Council found a common voice as a peacemaker after the divisions of the cold war That peacemaking role was cemented when a UN mandated force expelled Iraqi forces from Kuwait in 1991 offering a glimpse of a new role for the UN in the New World Order But unilateralism soon set in as the Security Council struggled under the weight and bureaucratic demands of its changing identity The Security Council gradually abandoned its traditional political and military tools for the legal regulatory approach but was unable to bridge the gap between those who believed allegations of Iraqi possession of weapons of mass destruction and those who didn't Growing paralysis led eventually to deadlock in the Council in 2002 with the result that it was sidelined during the 2003 Coalition invasion This relegation when combined with the loss of some of its best and brightest in a massive truck bomb in Iraq later that year precipitated a deep crisis of confidence The future role of the UN Security Council has now once again become uncertain The paperback edition contains a substantial new preface covering recent developments Drawing on the author's unparalleled access to UN insiders this volume offers radical new insights into one of the most persistent crises in international affairs and the different roles the world's central peace making forum has played in it

Diplomatic Interventions K. Fierke, 2005-04-22 Diplomatic Interventions argues that war is a social construction In so doing it unsettles the definition of intervention as a coercive interference by one state in the affairs of another to examine the range of communicative or diplomatic practices which through their presence modify the experience of war The tension between claims that war is pervasive and that war is a social construct is analysed in relation to a range of moral legal military economic cultural and therapeutic interventions The concluding chapter highlights how the book itself is a critical intervention that requires us look at again from a new angle at international practice

Routledge Handbook of Nuclear Proliferation and Policy Joseph Pilat, Nathan Busch, 2015-05-15 This new Handbook is a comprehensive examination of the rich and complex issues of nuclear proliferation in the early 21st century The future of the decades long effort to prevent the further spread of weapons of mass destruction is at a crossroads today If international nonproliferation efforts are to be successful an integrated multi tiered response will almost certainly be necessary A serious thorough and clear eyed examination of the range of threats challenges and opportunities facing the international community is a necessary first step This Handbook which presents the most up to date analysis and policy recommendations on these critical issues by recognized leading scholars in the field intends to provide such an examination The volume is divided into three major parts Part I presents detailed threat assessments of proliferation risks across the globe including specific regions and countries Part II explains the various tools developed by the international community to address these proliferation threats Part III

addresses the proliferation risks and political challenges arising from nuclear energy production including potential proliferation by aspiring states and nonstate groups This Handbook will be of great interest to students and practitioners of nuclear proliferation arms control global governance diplomacy and global security and IR general **Foreign Pressure and the Politics of Autocratic Survival** Abel Escribà-Folch, Joseph Wright, 2015-09-17 Can coercive foreign policy destabilize autocratic regimes Can democracy be promoted from abroad This book examines how foreign policy tools such as aid economic sanctions human rights shaming and prosecutions and military intervention influence the survival of autocratic regimes Foreign pressure destabilizes autocracies through three mechanisms limiting the regime's capacity to maintain support undermining its repressive capacity and altering the expected utility of stepping down for political elites Foreign Pressure and the Politics of Autocratic Survival distinguishes between three types of autocracies personalist rule party based regimes and military dictatorships These distinct institutional settings influence the dictators strategies for surviving in power as well as the propensity with which their leaders are punished after a regime transition Consequently the influence of foreign pressure varies across autocratic regime types Further the authors show that when foreign coercion destabilizes an autocracy this does not always lead to democratic regime change because different regimes breakdown in distinct ways While democratization is often equated with the demise of autocratic rule it is just one possible outcome after an autocratic regime collapses Many times instead of democratization externally induced regime collapse means that a new dictatorship replaces the old one This theory is tested against an extensive analysis of all dictatorships since 1946 and historical cases which trace the causal process in instances where foreign policy tools helped oust dictatorships Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford
