Power Prestige And Bilingualism International Perspectives On Elite Bilingual Education:

Power, Prestige, and Bilingualism Anne-Marie De Mejía, 2002-01-01 This book describes a particular type of educational provision referred to as elite or prestigious bilingual education which caters mainly for upwardly mobile highly educated higher socio economic status learners of two or more internationally useful languages The development of different types of elite bilingual or multilingual educational provision is discussed and an argument is made for the need to study bilingual education in majority as well as in minority contexts *Bilingual Education in South America* Anne-Marie De Mejía, 2005 This book presents a vision of bilingual education in six South American nations three Andean countries Peru Ecuador and Colombia and three Southern Cone countries Brazil Argentina and Paraguay It provides an integrated perspective including work carried out in majority as well as minority language contexts referring to developments in the fields of indigeneous Deaf and international bilingual and multilingual provision **Foundations of Bilingual Education and Bilingualism** Colin Baker, 2006-01-01 Written as an introductory text from a crossdisciplinary perspective this book covers individual and societal concepts in minority and majority languages Foundations of Bilingual Education and Bilingualism Colin Baker, 2011 The fifth edition of this bestselling book provides a comprehensive introduction to bilingualism and bilingual education In a compact and clear style its 19 chapters cover all the crucial issues in bilingualism at individual group and national levels **The SAGE Handbook of Research in International Education** Mary Hayden, Jack Levy, Jeff Thompson, 2015-10-13 The landscape of international education has changed significantly in the last ten years and our understanding of concepts such as international global and multicultural are being re evaluated Fully updated and revised and now including new contributions from research in South East Asia the Middle East China Japan Australasia and North America the new edition of this handbook analyses the origins interpretations and contributions of international education and explores key contemporary developments including internationalism in the context of teaching and learning leadership standards and quality in institutions and systems of education the promotion of internationalism in national systems This important collection of research is an essential resource for anyone involved in the practice and academic study of international education including researchers and teachers in universities governmental and private curriculum development agencies examination authorities administrators and teachers in schools The Practice of Narrative: Storytelling in a Global Context Michael Heitkemper-Yates, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Story can have a power and presence that stretches beyond the vast unspeakable boundaries of time and space and yet story can also have a delicate impermanence that lasts no longer than a moment before it flashes back into the void Some stories can bring people together other stories can tear entire civilisations apart Stories express and enliven experience stories project and describe the desires and anxieties of existence Stories can be narrated through written word and physical gesture through graphic illustration and musical orchestration through the spatial dynamics of architecture and the abstract

poetics of conjecture For these and myriad other reasons storytelling and narrative are central to humanity and the study of these practices is central to an understanding of what it means to be human In this volume the many narrative dimensions media and critical approaches to storytelling are explored with the common intention of comprehending and appreciating the global role that story plays in the articulation of human experience *Ebonics* David J Ramirez, Terrence Wiley, Gerda de Klerk, Enid Lee, Wayne E. Wright, 2005-03-22 Controversy erupted in 1996 when the Oakland Unified School District's Ebonics Resolution proposed an approach to teaching Standard English that recognized the variety of English spoken by African American students With new demands for accountability driven by the No Child Left Behind policy and its emphasis on high stakes testing in Standard English this debate will no doubt rise again This book seeks to better inform this next episode In Part 1 leading scholars place the debate within its historical and contemporary context provide clear explanations of what Ebonics is and is not and offer practical approaches schools can and should follow to address the linguistic needs of African American students Part 2 provides original documents that accompanied the debate including the original resolutions legislation organization position papers and commentary analyses from leading linguists This book is written for all those whose work impacts the lives of Ebonics speakers in our public schools **Travel Notes from the New Literacy Studies** Kate Pahl, Jennifer Rowsell, 2006-02-06 This book joins two important fields that of literacy and multimodality with a focus on local and global literacies Chapters include work on media popular culture and literacy weblogs global and local crossings in and out of educational settings in such locations as the US the UK South Africa Australia and Canada Decolonisation, Globalisation Angel Lin, Peter Martin, 2005-07-04 This volume brings together scholars from around the world to juxtapose the voices of classroom participants alongside the voices of ruling elites with the aim of critically linking language policy issues with classroom practice in a range of contexts The volume is suitable for postgraduate students researchers and educators in a range of areas **Continua of Biliteracy** Nancy H. Hornberger, 2003-05-23 Biliteracy the use of two or more languages in and around writing is an inescapable feature of lives and schools worldwide yet one which most educational policy and practice continue blithely to ignore The continua of biliteracy featured in the present volume offers a comprehensive yet flexible model to guide educators researchers and policy makers in designing carrying out and evaluating educational programs for the development of bilingual and multilingual learners each program adapted to its own specific context media and contents **Second Language Students in English-Medium Classrooms** Coreen Sears, 2015 This practical guide is for all teachers administrators and parents of children in international schools with students from linguistically and culturally diverse backgrounds It includes references to the latest uses of embedded technology and many exemplary strategies and resources that are becoming customary usage in international schools The SAGE Handbook of Sociolinguistics Ruth Wodak, Barbara Johnstone, Paul E Kerswill, 2011 This Handbook answers a long standing need for an up to date comprehensive international in depth critical survey of the history trajectory data results and key figures involved in
