**Shobha Priya** Praveen Kumar, 2018-11-12 Collection of English Poems      Love & Pride Praveen Kumar, 2009-08-24

Praveen Kumar has more than three decades of government service in senior levels. He is a poet of five published collections and an author of two volumes on matters of governance and public interests. He is a familiar face in Indian intellectual circuits. His contributions on these topics to prominent national dailies and periodicals of India and journals like *The Indian Journal of Criminology* and *Criminalistics* of MHA GOI Delhi were very popular and often sensational due to their innovative and unorthodox thoughts. Born in Mangalore, Praveen Kumar graduated in science from St Aloysius College Mangalore, going on to obtain a post graduate degree in literature from Mysore University. He also holds post graduate diplomas in business management and cooperation. In his student days, he was also a prize-winning orator and writer. He lives in Bangalore with his wife Smt Jayashree and son Pratheek. He is a familiar face in national seminars and TV networks in India as a poet and thinker. Stemming from his varied academic background are the lively far-ranging interests that have compelled him to write on subjects as diverse as matters of public interest and poetry, striking the perfect balance between the pursuit of vocation and avocation. *Love Pride* is his sixth collection of poetry.

**Peacock** Christine E. Jackson, 2006-11-30 A sweeping combination of social and natural history. *Peacock* is the first book to bring together all the shimmering colorful facets of these magnificent birds. **Unknown Horizons** Praveen Kumar, 1991      Portraits of Passion Praveen Kumar, 2017-01-28

What the poet sings here is true of his life. He is open for the temptations of both the passion and the reason. When they act together, we find the person at his best in life with the strengths of purpose and will; we find the poet at his best in poetry with sweet ironies spliced with the power of language when the wind of passion and the barriers of reason pull apart from sides. Thus, the author gained from both his strength and weakness. Poetry to this poet is an integrated expression of personality. His conception of poetry is beautifully expressed in the following stanza in the poem *Poetry*: You the gentle queen on inspiration's throne, In splendours of words, rhythms, colours, Musics and passions in unending layers, Come sit on heart, build bridges to the mind, Bring light to the eyes to choose a carriage, To carry your muse to gentle souls. It is significant of this poet that the utility of poetry for him lies in carrying her muse to gentle souls. He is deeply subjective and inward-looking in nature. This subjective and inward-looking tendency makes him a proud and self-assured individual. Read the following lines in the poem *The Path of Life*: Whatever may come, whatever may go, Whatever on the path is in store as fate, I must walk as always. I am Proud of self and diligent of walk, I tread the path that comes in front, Whatever at back bears my print, Whatever in front conforms to inner strength. The poet has tried to portray the widening gulf between rich and poor in the poem *Humanity*, wherein an image of poverty is laid in the following lines: A hapless mother Offers her to greed, To save her child from the hunger's death, No roof to hide, no cloth to cover, No fire in heart to save honour, Dirt and filth, sickness everywhere, Dirt and filth, sickness everywhere. The sufferings of the people touch the poet while writing about Bangladesh cyclone in the poem.

Bangladesh Cyclone he describes how a famished man appears after the devastation God forsaken man sits in the middle And knows not whether he is dead or alive Portraits of Passion is primarily a portrait of passion passion in its varied and verdant forms and hues passion for life passion of love and passion to know the world around The collection has a few love portraits in both meeting and parting frames of mind Read following lines of the poem That Day She held the portrait close to her heart And drank his form to the brim of eyes What a gentle shine what contentment Her eyes spread in expression of her heart What depth it had what immortal warmth That he felt at loss to pierce far enow Parting is the more intense form of love The foretaste of the impending separation how withers souls and brings them closer in the milieu of climacteric gloom and silence is portrayed in the poem Gulf of Life and Death Face to face they sat in silence No word to speak no shine in eyes Both blankly stared beyond each other No world to smile no light or sunshine They sought each other for hope and comfort In the eye of high tide of the time s drift There are a few poems on the nature in this fascicle Following three lines describe the full moon in motion in her full glory through the demi jour of the heaven in a mise en scene The golden queen in the stride of royal grace Ascended heaven with gold dusts splayed On the fading silk carpet of the thin sunshine The aureate beauty of the full moon day is painted in following lines The night is full with beauty s sweet contrasts Of peace and passions stillness and motion With shades and twilight fits of sensuous quietude A conflict of life and death and desperate waiting for something eerie and lovefull are lurking in many of the poet s writings and give his poems an arcane touch
