Psychic Certainties H. F. Prevost Battersby, 2014-03 This Is A New Release Of The Original 1920 Edition **Psychic Research**, 1930 Mystical Paths Susan Howatch, 2010-12-08 No writing today can equal Susan Howatch's ability to write compelling novels that combine theology and psychology in a complex fast moving plot offering beautifully delineated characters and the suspense of a mystery thriller The denouement will leave readers breathless Publishers Weekly Nicholas Darrow is a strong willed and independent minded man full of the energy and assurance of his age and his moment in time he is twenty five in 1968 A magnet for attention and attraction Nicholas is already beset by a troubled past and expert at ignoring the grip it has on his life But as he follows his father into the Anglican priesthood his fascination with his own psychic powers results near tragedy It will only be by facing the truth about his relationship with his father that Nicholas can find his way out of the seemingly impenetrable darkness that engulfs him Told with all the drama intelligence and emotional depth we have come to expect from Susan Howatch Mystical Paths is a breathtaking novel about the powerful often painful but finally indestructible ties between parent and child And like its four highly praised predecessors in the Church of England series it is a novel that celebrates the redeeming power of self knowledge and faith Intelligent compelling and fascinating The Cleveland Plain Dealer *Psychic Certainties*, 195? *Anxiety and Evil in the Writings of Patricia Highsmith* Fiona Peters, 2011 Drawing extensively on the under explored Highsmith Archive Peters suggests that the usual generic distinctions crime fiction mystery suspense have been largely unhelpful in elucidating Patricia Highsmith's novels Peters adopts a psychoanalytic approach to show that specific disturbances within her text have resulted in Highsmith's writing remaining resistant to explication and to the more sophisticated interpretative strategies that would seek to position her within a specific genre *Consulting Spirits* Joel Bjorling, 1998-04-30 Throughout history people have been intrigued with spirits angels or devas as sources of wisdom and guidance They are not only interesting as those who possess an insight into events and circumstances but also as proof of life after death In this clear and useful reference guide Bjorling presents a listing of the literature on the various ways in which people of different cultures have consulted spirits through shamans and oracles magic mediums Voodoo and psychics Each chapter contains a general introduction to the respective topic as well as a listing of pertinent books articles and dissertations His survey also includes early spirit contacts in Africa Latin America and Asia **A Unity of Opposites: Chance and Certainty** Steve Gossage, 2017-03-31 Twenty second century Earth experiences an eco social upheaval that involves an asteroid and Earth changes A new United Democratic Nations conducts a campaign to deal with the asteroid Earth changes and neofascists Behind the calamities a Texas megabillionaire Doug Parker is responsible for setting off the chain of events Two cousins from Virginia Jonathan and Billy Cole enlist to serve the UDN Jonathan continues to serve the FBI UDN in an operation that involves a continuing neofascist urban guerrilla a mysterious Dr Minge and extraterrestrials And will Jonathan also find romance too **Journal of the American Society for Psychical**
