Quiet Heroes:

Silent Heroes Sherri Greene Ottis, 2014-07-11 In the early years of World War II it was an amazing feat for an Allied airman shot down over occupied Europe to make it back to England By 1943 however pilots and crewmembers supplied with escape kits knew they had a 50 percent chance of evading capture and returning home An estimated 12 000 French civilians helped make this possible More than 5 000 airmen many of them American successfully traveled along escape lines organized much like those of the U S Underground Railroad using secret codes and stopping in safe houses If caught they risked internment in a POW camp But the French Belgian and Dutch civilians who aided them risked torture and even death Sherri Ottis writes candidly about the pilots and crewmen who walked out of occupied Europe as well as the British intelligence agency in charge of Escape and Evasion But her main focus is on the helpers those patriots who have been all but ignored in English language books and journals To research their stories Ottis hiked the Pyrenees and interviewed many of the survivors She tells of the extreme difficulty they had in avoiding Nazi infiltration by double agents of their creativity in hiding evaders in their homes sometimes in the midst of unexpected searches of their generosity in sharing their meager food supplies during wartime and of their unflagging spirit and courage in the face of a war fought on a very personal level

Silent Heroes, 2004 Powerful brave and inspiring stories of war at the front and at home from ordinary people This remarkable book gives first hand accounts of the war experiences of working class men and women from Castlemilk Glasgow The stories are from the front and at home We learn what life was like before war intervened the streets and the fields the jobs at the factory and the blacksmith the large families with wholesome food and the church going After the war the lives they once knew were forever vanished and some of them faced another struggle to fit in to a changing world Few talked about their wartime experiences but here they tell John Miller the stories of their experiences Unusually these are not the accounts of politicians and Generals but of the unheard ordinary people coping with the realities of war We might expect such stories to be bitter or harrowing Instead they are full of courage tolerance and stoicism Among the unspeakable horrors of war we find acts of human kindness

Kuilenburg,2013-05 Author Hans Moederzoon van Kuilenburg was a 10 year old girl living in Amsterdam when German soldiers invaded Holland in the spring of 1940 The Dutch had intended to stay neutral at the outbreak of the war as their military was no match for the Nazi hordes Within five days Holland had fallen and the German occupation was underway The five ensuing years were among the darkest chapters in Dutch history culminating in the hunger winter of 1944 during which 30 000 Dutch citizens died of hunger and cold Even today people like the author who grew up during that time are more prone to heart attacks as a result of the physical stress of those years But despite having capitulated so quickly in the face of the overwhelming might of the German war machine there were many heroes in Holland during the occupation people like the author s father a civilian supervisor of marine supplies who robbed the Germans blind and gave stolen food and clothing to Dutch people in need Eventually his activities attracted the attention of the German authorities and he was imprisoned Thankfully Hans mother was able to stage a dramatic escape with the help of the family doctor The Silent Heroes is a true story of heroism survival and resistance during a time of fear despair and hardship Hans Moederzoon van Kuilenburg was born in Amsterdam and immigrated to the U S in 1959 She had a distinguished career as a medical assistant before retiring In addition to writing she also does photography and sometimes exhibits her work The Silent Heroes is her first book Publisher s website <http://sbpra.com/HansMoederzoonVanKuilenburg>
