Simmons-McMillan,2012-10 The subject of race particularly as relates to interracial dating and marriage has long been considered strongly controversial I maintain that any lack of acceptance on the part of the races where it still exists is largely the result of a lack of familiarity one to another Knowledge insight and the dispelling of stereotypical rumor are each important elements necessary to bridge the racial gap that yet remains The purpose of this book is to provide the material necessary to gain a greater understanding of just how truly connected we are as a people While we will each possess our own individual dreams hopes fears and insecurities it is hopeful that above all we will recognize the presence and plan of God within each of our lives The following material has been written in such a format that one can simply begin by opening the book on any given page even starting in the middle if so desired In your reading it is my hope that you will glean valuable information along the way The composition of material is likened to that of a family scrapbook or album whose contents are assorted snippets sentimental tokens and snapshots of life You might also compare it to a recipe where a dash of this and a sprig of that enter into the mix Subjects range from healthcare to cuisine and even manage to include encapsulated brief short story The material is intended to educate inform and enlighten Moreover may it serve as a reminder of the obligation we all bear to show respect for all races and nationalities looking beyond title race or ethnicity In essence seeking to know the true person the heart the genuine soul the individual Ordinary Miracles in Nursing Patricia Winstead-Fry,Deborah Labovitz,2006 Compiles touching stories from nurses about their everyday miraculous experiences *The Romance of a Trained Nurse* Francina Scott,1901 *Communication in Nursing - E-Book* Julia Balzer Riley,2023-05-05 NEW Emphasis on the holistic self care of the nurse includes Self Care Nudge content in the narrative and new Simplify and Deepen boxes NEW Case studies for the Next Generation NCLEX in relevant chapters challenge you to apply clinical judgment to nursing communication scenarios NEW Confronting Bullying and Incivility with Honesty and Respect chapter helps you learn how to approach these difficult situations and respond in an honest and respectful manner NEW Three new appendices provide mapping of the AACN Essentials to the text a holistic self care assessment and the answer key for Next Generation NCLEX case studies **Hard Labor** Susan L.
