Quiet Time for Christians ADRIAN V W. FREER, 2019-03-07 Setting aside a regular time each day to read God's Word and have a time of prayer is one of the most valuable disciplines for any Christian if they are to have a closer walk with their Saviour It is an indisputable fact that those who develop this routine become stronger Christians have a deeper faith are less liable to succumb to temptation are more likely to make the right decisions in life and they will persevere to the end in their Christian walk In so doing they will lead happier contented and more fulfilled lives That being the case all Christians should surely want to read their Bible on a daily basis The aim of this book is twofold firstly to assist those who already have a quiet time to make it more profitable and productive and secondly to persuade those who do not as yet have a regular time alone with God to embark on the rewarding and lifelong journey of discovering the glorious truths recorded in God's Word Chapters include Preface Introduction to daily Bible reading Why read the Bible on a daily basis Set aside a regular time and place for Bible reading Bible translation Examples of translation approaches How to read God's Word Conclude with a time

Tiegreen,2021-11-09 The faith journey can be hard but it doesn't have to be Abraham Joseph David Paul and even Jesus himself all heroes of the faith who experienced both the soaring grace of answered prayers and crushing sorrow when God seemed unwilling to respond or too far away to hear And yet even in the darkest times God was working writing an unseen story of redemption that would save the world When we pray how do we see beyond the immediate and into the eternal How do we know when to keep praying and when to give up when to consider something a promise from God and when to recognize that it was from our own imagination Why does silence from God rarely mean no and almost always mean come closer The One Year Praying in Faith Devotional answers these questions and many more taking you through a 365 day journey that will help you experience a prayerful relationship with God like never before **My Daily Walk with Jesus**

Bernd Weimer,2014-09-11 Time time time In this fast moving world of modern ever changing technology we all struggle with time to do the things we know we need to do One of those need to disciplines is the daily reading of God's Word in a way that is life changing and mind renewing When Bernd Weimer told me that he was going to write a book on how to systematically read and study the entire Bible in a year it was all I could do to keep from saying Oh no not another read the Bible in a year book Although I was inwardly skeptical I encouraged him as he started the project There were so many books already written from a Bible devotional nature that Bernd's book would have to be very unique to be accepted and widely used But Bernd has pulled it off He has developed a method whereby the reader can work his or her way through the Word of God without guilt of failure This book is more than just a Bible reading plan When used this book can become a lifelong journal filled with your impressions from the Lord special quotes from people that have touched your heart and spirit and your own personal Bible study notes To the casual reader this book will be impressive because of its sheer simplicity and yet many will be astonished by the book's depth of allowing the reader to make it his or her own life history with the Lord It is a single bright sword cut across three different books in one a Bible reading guide a person journal and a Biblical insight on key passages Pastor
