## **Quietude And Quest Protagonists And Antagonists In The Theatre On And Off Stage:**

*The Great European Stage Directors Volume 2* David Barnett, 2021-10-07 This volume surveys and assesses the contributions of Vsevolod Meyerhold Erwin Piscator and Bertolt Brecht to theatre making which richly exemplify the range of ways that directors address dramatic material theatrical space and their audiences Their directorial work marks an unmistakeable interest in developing the political potential of theatre in the early 20th century although each director offered more to their actors collaborators and spectators than simply the staging of politics and the political Quietude and Quest

Leon Askin, C. Melvin Davidson, 1989 The autobiography of the actor director producer and television star Leon Askin traces his life from his youth in Vienna to his experiences as an actor and director Following his forced exile as a Jewish refugee in 1938 incarceration in France and U S military service he was able to continue his theater career in the U S and also score great success as General Burkhalter in the popular TV series Hogan s Heroes Featured are Askin s interpretations of major plays based on his most important stage roles and his acclaimed directorial achievements **Alice's Book**

Karina Urbach, 2022-05-12 A remarkable and important story BBC Radio 4 Woman s Hour Unputdownable Urbach has also retold the tragic Holocaust story in quite unforgettable lines A N Wilson In a remarkable new book Alice s granddaughter Karina a noted historian has traced what happened to her family but also what happened to the cookbook Daniel Finkelstein This fascinating book by Alice s granddaughter Karina Urbach shines a spotlight on this lesser known aspect of Nazi looting The Times A gripping piece of 20th century family history but also something much more original a rare insight into the Aryanisation of Jewish authored books during the Nazi regime Financial Times What happened to the books that were too valuable to burn Alice Urbach had her own cooking school in Vienna but in 1938 she was forced to flee to England like so many others Her younger son was imprisoned in Dachau and her older son having emigrated to the United States became an intelligence officer in the struggle against the Nazis Returning to the ruins of Vienna in the late 1940s she discovers that her bestselling cookbook has been published under someone else s name Now eighty years later the historian Karina Urbach Alice s granddaughter sets out to uncover the truth behind the stolen cookbook and tells the story of a family torn apart by the Nazi regime of a woman who with her unwavering passion for cooking survived the horror and losses of the Holocaust to begin a new life in America Impeccably researched and incredibly moving Alice s Book sheds light on an untold chapter in the history of Nazi crimes against Jewish authors As this engaging memoir makes clear the theft of the cookbook remained for Alice s entire life the symbol of everything that had been taken from her TLS Translated from the German by Jamie Bulloch **Acting**

Mary Beth Osnes, 2001-12-07 A groundbreaking cross cultural reference work exploring the diversity of expression found in rituals festivals and performances uncovering acting techniques and practices from around the world Acting An International Encyclopedia explores the amazing diversity of dramatic expression found in rituals festivals and live and filmed performances Its hundreds of alphabetically arranged fully referenced entries offer insights into famous players

writers and directors as well as notable stage and film productions from around the world and throughout the history of theater cinema and television The book also includes a surprising array of additional topics including important venues from Greek amphitheaters to Broadway and Hollywood acting schools the Actor s Studio and companies the Royal Shakespeare performance genres from religious pageants to puppetry technical terms of the actor s art and much more It is a unique resource for exploring the techniques performers use to captivate their audiences and how those techniques have evolved to meet the demands of performing through Greek masks and layers of Kabuki makeup in vast halls or tiny theaters or for the unforgiving eye of the camera

*Genus Envy* , **Hogan's Heroes** Robert R. Shandley, 2011-09-15 Analyzes the unique satirical social and political commentary offered by Hogan s Heroes during a volatile period in American history Hogan s Heroes originally aired between 1965 and 1971 on CBS corresponding to the most uncertain years of America s involvement in the Vietnam War In an era when attitudes about the military patriotism and authority were undergoing a sea change Hogan s Heroes did not offer direct commentary on the conflict but instead explored incompetent military leaders draft dodging and perpetual war in an absurd storyline about Allied saboteurs inside a World War II German prisoner of war camp In Hogan s Heroes author Robert Shandley argues that the series reveals much about the parameters of comedy on militarism and war before the popularity of comedic social realism that would define later programs like the more critically acclaimed M A S H In three chapters Shandley investigates the significance of Hogan s Heroes to social cultural and television history First Shandley places Hogan s Heroes within its generic and television history contexts providing background on the genre of uniform sitcoms that were popular in the mid 60s In the second chapter he places the series within the historical filmic and televisual discourses surrounding World War II including the fact that several of its actors were refugees from the racial politics of Nazi Germany Finally Shandley demonstrates how the series uses its generic framework to engage in debates about the conflict in Vietnam and American militarism and shows that Hogan s Heroes laid the groundwork upon which M A S H would build Since the storyline and characters in Hogan s Heroes do not significantly progress throughout the run of the show Shandley primarily analyzes the show at the episode level to make the most of specific performances and content While it was moderately successful in its network run between 1965 and 1971 Hogan s Heroes has enjoyed constant play in syndicated re release since its cancellation Fans of this well loved show and scholars of television history will appreciate this insightful study of Hogan s Heroes

**Major Figures of Turn-of-the-century Austrian Literature** Donald G. Daviau, 1991 The purpose of this projected seven volume series is to help make the major figures of Austrian literature from 1800 to the present accessible to an English speaking audience The introductions provide an overview of the cultural and political background of the age to furnish a broader context for the individual contributions Bibliographies of primary and secondary texts enhance the value of the volumes as reference works This volume covers the turbulent period between the two world wars Despite the hardships endured by a country recovering from a severe war and

despite the prominence of politics literature flourished to a degree that surprisingly perhaps makes this era one of the richest periods in Austrian literary history

**Hogan's Heroes** Brenda Scott Royce, 1993 Hogan's Heroes creation and creators the directors the writers the promotion and the eventual end of the show are chronicled A guide to each of the 168 episodes provides title air date rerun date production number writer director guest cast and a plot synopsis Co-existent Contradictions Helen Chambers, 1991 As a socialist monarchist Jewish Catholic sceptical mystic and humorous sage Roth has never fitted neatly into any one literary or historical category The essays in this volume devoted to the Austrian writer Joseph Roth on the occasion of the fiftieth anniversary of his death in Paris in 1939 take a fresh look at his apparent contradictions and demonstrate his contemporary relevance as an acute analyst of the relationship between private life and political change

Forthcoming Books Rose Army, 1990 **Austrian Writers and the Anschluss** Donald G. Daviau, 1991 This series of essays attempts to revise the widespread view of Austria as the first victim of Hitler and thus place the events of the 1930s and the Anschluss of March 11 1938 into a more accurate perspective The articles fall into three groups those dealing with events leading up to the Anschluss those concerned with the Anschluss directly and those presenting the retrospective views of contemporary authors toward the Anschluss The presentations make clear how the Nazi takeover was prepared and how the political events of the 1930s and the Anschluss still influence contemporary Austrian society adversely

**Bibliographic Guide to Theatre Arts** New York Public Library. Research Libraries, 1990 **CURRENT CONTENTS: Arts & Humanities -- Volume 15, Number 6, March 15, 1993.** , 1993 **Modern Austrian Literature** , 2001 Includes the index to the Journal of the International Arthur Schnitzler Research Association 1961 67

**Relationships** Adolf Opel, Donald G. Daviau, 1991 This anthology presents an image of the Austrian people through short narrative prose works by forty of the leading modern and contemporary authors The dimensions of being human from the soaring heights to the abysmal depths are most striking in the relationships of the individual to his or her surroundings For this reason prose pieces were chosen that illustrate relationships not only those between man and wife man and woman murderer and victim father and daughter or mother and daughter but also those between man and man human being and God man and city as well as relationships between familiar and alien forms of life

**Austria in the Thirties** Kenneth Segar, 1991 These essays deal with the interaction between culture and politics during the period of the Austrian Corporate State the five years preceding the Anschluss in 1938 The contributions show that no aspect of literary and cultural life remained unchanged by the National Socialist infiltration that took place in the 1930s All Austrian writers publishers theater directors and film makers had to decide whether to face economic penalty by opposing National Socialism and being blacklisted in Germany or to seek financial advantage by joining the Nazi movement Jewish writers and political activists had no choice but were forced to flee into exile or face imprisonment in concentration camps after the Anschluss

**The Cumulative Book Index** , 1990 A world list of books in the English language *Reunion in Vienna* Edith Foster, 1991 **"What People Call Pessimism"** Mark

Luprecht, 1991 The ideas were in the air is an oft heard expression particularly when there is a striking intersection of ideas as was the case in the works of Freud and Schnitzler Luprecht establishes the University of Vienna Medical School as a significant source of these thinkers shared intellectual views Many of Freud s scientific concepts have already been traced to his medical education But this book makes a convincing case for crediting the University of Vienna Medical School with a far deeper and more extensive influence on Freud and Schnitzler than has previously been recognized **Kafka and Language** Gabriele von Natzmer Cooper, 1991

Getting the books **Quietude And Quest Protagonists And Antagonists In The Theatre On And Off Stage** now is not type of inspiring means.
