Montgomery Ward Montgomery Ward, 1943 *Industrial Directory of New York State*, 1949 *The Delineator* R. S. O'Loughlin, H. F. Montgomery, Charles Dwyer, 1920 *Anniversaries (Boxed Set)* Uwe Johnson, 2018-10-16 A landmark of 20th Century literature about New York in the late 1960s now in English for the first time As a novel Uwe Johnson's masterpiece *Anniversaries* is at once daringly simple in conception and wonderfully complex and engaging in effect Late in 1967 Johnson already one of the most celebrated German novelists of his generation set out to write a book that would take the form of an entry for every day of the year that lay ahead The first section was dated August 20 and Johnson had of course no idea what the year would bring that was part of the challenge but he did have his main character Gesine Cresspahl a German emigre living on the Upper West Side of New York City and working as a translator for a bank who is the single mother of a ten year old daughter Marie The book would tell the story of a year in the life of this little family in relation to the unfolding story of the year as winnowed from the pages of the New York Times of which Gesine is a devoted if wary reader These stories would in turn be overlayed by another Gesine is 34 born just as Hitler was coming to power and she has decided to tell Marie the story of her grandparents lives and of her own rural childhood in Nazi Germany It is important that Marie know where and what she comes from The days of the year are also anniversaries of years past The world that was and the world of the 1960s with the struggle for civil rights leading to riots in American cities and abroad the escalating destruction of the Vietnam War are in the end one world *Anniversaries* was published in four volumes over the more than ten years that it took Johnson to write it and as the volumes came out it became clear that this was one the great twentieth century novels The book courts comparison to Joyce's *Ulysses* the book of a day and to Proust's *In Search of Lost Time* the book of a lifetime but it stands apart in its dense polyphonic interplay of voices and stories *Anniversaries* is many books the book of a mother and daughter of a family and its generations of the country and the city and of two times and two countries that seem farther apart perhaps than they are It is a novel of private life a political novel and a new kind of historical novel reckoning not only with past history but with history in the making Monumental and intimate sweeping in vision and full of incident richly detailed and endlessly absorbing *Anniversaries* now for the first time available in English in a brilliant new translation by Damion Searls is nothing short of a revelation *Cliche Christmas* Elle Brownlee, 2022-12-06 Lake Copeland's best friend Miriam is perpetually single When she laments the idea of returning to her hometown solo for the holidays to meet her mom's new husband Lake has the perfect solution he'll tag along as her boyfriend Fake boyfriend that is Some of his favorite holiday romances have fake boyfriends that lead to true love and complications But since he's gay there'll be no complications Right Unfortunately Lake's foolproof plan didn't account for Miriam's new stepbrother Spencer who sets Lake's heart aglow *The Royal Neighbor*, 1953 *Anniversaries, Volume 1* Uwe Johnson, 2021-07-27 The first volume of a titanic masterpiece of twentieth century literature named one of the best books of 2018 by The New York Times critics
