Thompson,2019-04-04 *12 Hour Shift* By M Thompson Just another typical hot summer evening in Redding California or so it seems The alarm clock wakes Quinn Another fun filled evening of driving a taxi is before him and he is getting tired of it As he is fed by his dear Aunt Ginger his little brother Donnie walks into their home telling them both how he had met a gorgeous vixen from the local college After approval from their Aunt this beautiful woman comes over Strange feelings emerge from within Quinn and Ginger this young woman is very bizarre After spending time alone with Donnie and an Ouija board they spoke with something else for a time Ginger finds out expressing her dislike for Ouija boards The young beauty doesn t want to leave Verbal violence erupts ultimately causing the young beauty to leave but not without giving them some of her venom first What interest this beauty has in Donnie remains a mystery for a time until more strange and bloodcurdling things begin to happen throughout the evening Donnie becomes progressively ill with something unknown his elderly and moody neighbor commits suicide his regular fares disappear and now a mysterious jet black four door sedan menaces the night It all began with her that gorgeous young mysterious woman from the college As the hours pass everything becomes darker and more life threatening with Quinn becoming desperate to save his little brother Desperation transforms into madness as Quinn fights for his family attempting to make it through his twelve hour shift *The Ox-Bow Man* Jackson J. Benson,2006-07-27 Walter Van Tilburg Clark author of the classic novel *The Ox Bow Incident* was one of the West s most important literary figures a

writer who contributed mightily to the tradition of viewing the West realistically and not through the veil of myth and romance As a comparatively young man he published three novels and a collection of short stories then remained almost silent for the rest of his life the victim of a paralyzing case of writer's block Now Jackson J Benson one of the country's foremost literary biographers has produced the first full length biography of this brilliant enigmatic and ultimately tragic figure Based on widely scattered sources personal papers and correspondence interviews with family members friends and others and Clark's unpublished stories and poems Benson's biography focuses on Clark's intellectual and literary life as a writer teacher and westerner Benson masterfully balances his engaging account of the experiences people and settings of Clark's life with a penetrating examination of his complex psyche and the crippling perfectionism that virtually ended Clark's career as well as offering up a thoughtful assessment of Clark's place in Western writing In these pages Clark lives again a warm complex and ultimately anguished human being Benson's remarkably astute and sensitive biography is destined to be the book that readers and researchers consult first for information about this major western writer *Report, Returns and*

Brigham Young and the Expansion of the Mormon Faith Thomas G.

Alexander, 2019-05-02 As president of the Church of Jesus Christ of Latter-day Saints and Utah's first territorial governor Brigham Young 1801-77 shaped a religion, a migration and the American West. He led the Saints to Utah, guided the establishment of 350 settlements and inspired the Mormons as they weathered unimaginable trials and hardships. Although he generally succeeded, some decisions, especially those regarding the Mormon Reformation and the Black Hawk War, were less than sound. In this new biography, historian Thomas G. Alexander draws on a lifetime of research to provide an evenhanded view of Young and his leadership. Following the murder in 1844 of church founder Joseph Smith, Young bore a heavy responsibility ensuring the survival and expansion of the church and its people. Alexander focuses on Young's leadership, his financial dealings, his relations with non-Mormons, his families, and his own deep religious conviction. Brigham Young and the Expansion of the Mormon Faith addresses such controversial issues as the practice of polygamy. Young himself had fifty-five wives, relations and conflicts between Mormons and Indians, and the circumstances and aftermath of the horrific events of Mountain Meadows in 1857. Although Young might have done better, Alexander argues that he bore no direct responsibility for the tragedy. Young relied on the counsel of his associates, and at times the Mormon people pushed back to prevent him from implementing changes. In some cases, such as polygamy and the doctrine of blood atonement, the church leadership eventually rejected his views. Yet on the whole, Brigham Young emerges as a multifaceted human figure and as a prophet revered by millions of LDS members: an inspired leader who successfully led his people to a distant land where their community expanded and flourished.
