Old Testament Conceptual Metaphors and the Christology of Luke's Gospel Gregory R. Lanier, 2018-08-23 Extensive scholarship has been devoted to Jesus depiction in the Gospels and how such depiction is influenced by the Old Testament Gregory R Lanier presents a new case for the importance of conceptual metaphor arguing that the Gospel of Luke employs certain metaphors reflected in Israel's traditions such as horn of salvation dawn from on high mother bird gathering Jerusalem's children and crushing stone in order to portray the identity of Jesus as both an agent of salvation and more provocatively the one God of Israel Setting his argument at the intersection of three sub fields of New Testament scholarship early Christology the use of Israel's Scriptures in the New Testament and contemporary metaphor theory Lanier suggests ways to overcome the low high binary and perceive the Gospel's Christology as multi faceted Applying metaphor theory to the influence of the Old Testament metaphors on Luke's Christology Lanier adds methodological rigor to the tracing of such influences in cases where standard criteria for quotations and allusions echoes are stretched thin [The Dead Sea Scrolls, Volume 5A](#)

Joseph L. Angel, 2010-04-06 Departing from scholarship dedicated to the socio historical realities of priesthood at Qumran this book

explores in two parts the most pervasive literary representations of priesthood in the Dead Sea Scrolls as a reflection of the religious worldview of the Qumran community and broader segments of Second Temple society Part one compares depictions of otherworldly priesthood in non sectarian and sectarian documents Part two examines the historical and traditional roots of portrayals of messianic eschatological priesthood The study reveals a fresh understanding of the integral role of priestly imagery in the tension filled eschatological identity of the Qumran community It concludes with a consideration of the relationship of the evidence treated to the phenomenon of democratization of priestly holinesses in rabbinic Judaism and Christianity

Repentance at Qumran Mark A. Jason, 2015 Mark A Jason offers a detailed investigation of the place of repentance in the Dead Sea Scrolls addressing a significant lacuna in Qumran scholarship Normally when the belief system of the community is examined repentance is usually taken for granted or relegated to a peripheral position By careful attention to key texts Jason establishes the importance of repentance as a fundamental way of structuring and describing religious experience within the Qumran community Repentance was important not only for entry into the community and covenant but also for daily governance and cultic activities and even for authenticating understanding of the end times Jason shows then that repentance was a central and decisive element in shaping that community's identity and undergirded its religious experience from the start Further comparison with relevant texts from the Apocrypha and Pseudepigrapha shows that the Qumran community represented a distinctive penitential movement in Second Temple Judaism

Adam's Dust and Adam's Glory in the Hodayot and the Letters of Paul Nicholas Meyer, 2016-06-27 In *Adam's Dust and Adam's Glory* Nicholas A Meyer challenges the scholarly reconstruction of a traditional theological framework of creation fall and restoration in order to comprehend the pessimistic anthropologies of the Hodayot and the letters of Paul

Meyer argues that too little notice has been paid to the fact that this literature problematizes ordinary humanity by way of original humanity its sexuality its earthly physicality its spiritual moral frailty and that these texts look not for the restoration of human nature as determined in creation but rather for its transformation Setting aside the traditional threefold framework the author offers an innovative and comprehensive reading of the use of traditions of anthropogony including the glory of Adam and the image of God in this literature

Reconstructing Jerusalem Kenneth A. Ristau, 2016-06-01 Jerusalem one of the most contested sites in the world Reconstructing Jerusalem takes readers back to a pivotal moment in its history when it lay ruined and abandoned and the glory of its ancient kings David and Solomon had faded Why did this city not share the same fate as so many other conquered cities destroyed and forever abandoned never to be rebuilt Why did Jerusalem disgraced and humiliated not suffer the fate of Babylon Nineveh or Persepolis Reconstructing Jerusalem explores the interrelationship of the physical and intellectual processes leading to Jerusalem s restoration after its destruction in 587 B C E stressing its symbolic importance and the power of the prophetic perspective in the preservation of the Judean nation and the critical transition from Yahwism to Judaism Through texts and artifacts including a unique comprehensive investigation of the archaeological evidence a startling story emerges the visions of a small group of prophets not only inspired the rebuilding of a desolate city but also of a dispersed people Archaeological historical and literary analysis converge to reveal the powerful elements of the story a story of dispersion and destruction but also of re creation and revitalization a story about how compelling visions can change the fate of a people and the course of human history a story of a community reborn to a barren city

Bible as Notepad Liv Ingeborg Lied, Marilena Maniaci, 2018-09-10 The present volume provides a comparative look at the contents and layout features of secondary annotations in biblical manuscripts across linguistic traditions Due to the privileged focus on the text in the columns these annotations and the practices that produced them have not received the scholarly attention they deserve The vast richness of extant verbal and figurative notes accompanying the biblical texts in the intercolumns and margins of the manuscript pages have thus been largely overlooked The case studies gathered in this volume explore Jewish and Christian biblical manuscripts through the lens of their annotations addressing the various relationships between the primary layer of text and the secondary notes and exploring the roles and functions of annotated manuscripts as cultural artifacts By approaching biblical manuscripts as potential notepads the volume offers theoretical reflection and empirical analyses of the ways in which secondary notes may shed new light on the development and transmission of text traditions the shifting engagement with biblical manuscripts over time as well as the change of use and interpretation that may result from the addition of the notes themselves
