Qumran Cave 4 Vol Iv Miqsat Maase Ha Torah:

Hebrew Union College and the Dead Sea Scrolls Jason Kalman, 2012-11-01 The bare outline of the story of the discovery of the Dead Sea Scrolls is well known both to scholars and in the popular imagination The precise details the sequence and causal interplay of events even some of the key players behind the scenes are less well known and sometimes completely forgotten or misconstrued The recovery of this history in all its complexity is vital for understanding how and why scholarly work on the Scrolls developed as it did over the six decades during which the texts were slowly published Jason Kalman recovers the fascinating story of Hebrew Union College Jewish Institute of Religion s involvement with the Dead Sea Scrolls from their discovery in 1948 until the early 1990s when they were first made accessible to all scholars and to the public Scholars at HUC JIR actively participated in efforts to acquire and preserve the manuscripts and played a significant part in breaking the monopoly of scholars initially assigned to publish them Despite these activities a number of HUC JIR s influential teachers took a negative view of the scrolls As a consequence rabbinical students either did not encounter the material or left the institution with a view of it that was far from the mainstream This book traces the activities of HUC JIR s administration and faculty over five decades the contribution they made to the new academic field and their influence on how knowledge of the Dead Sea Scrolls was shared with the community at large Many details about security negatives stored at HUC and about the bootleg reconstruction are revealed for the first time *The Genesis Creation Account in the Dead Sea Scrolls* Jeremy D. Lyon, 2019-04-24 The Dead Sea Scrolls continue to shed ancient light on both the text and interpretation of the Hebrew Bible during the Second Temple period Among the scrolls are several copies of Genesis dating from the first century BC to the mid first century AD that contain portions of text from the creation account These fragmentary copies have provided an unprecedented glimpse into the condition of the text in antiquity and have also provided a unique window into certain scribal practices in the copying of the text In addition several texts from Qumran contain the most ancient surviving interpretations of the Genesis creation account dating from the mid second century BC to the first century AD A literary analysis of these texts reveals how ancient Jews interpreted and employed the creation account These diverse texts address issues such as the creation of various entities the universe angels Eden humanity Adam s dominion and knowledge in Eden God s election of Israel on the first Sabbath the prohibition in the garden and Adam s rebellion and the Garden of Eden as an archetype of the sanctuary *Qumran Questions* Sidnie White Crawford, 2025-07-25 In this volume Crawford collects ten essays written over a twenty five year span The essays explore questions concerning Qumran archaeology part 1 and the presence or absence of women in the sectarian community and at Qumran itself part 2 **Paradise Now** April D. De Conick, 2006 **Voluntary Associations in the Graeco-Roman World** John S. Kloppenborg, Stephen G. Wilson, 2002-09-11 Based upon a series of detailed case studies of associations such as early synagogues and churches philosophical schools and pagan mystery cults this collection addresses the question of what can legitimately be termed a voluntary association

Employing modern sociological concepts the essays show how the various associations were constituted the extent of their membership why people joined them and what they contributed to the social fabric of urban life For many those groups were the most significant feature of social life beyond family and work All of them provided an outlet of religious as well as social commitments Also included are studies of the way in which early Jewish and Christian groups adopted and adapted the models of private association available to them and how this affected their social status and role Finally the situation of women is discussed as some of the voluntary associations offered them a more significant recognition than they received in society at large

War in Heaven/Heaven on Earth Stephen D. O'Leary, Geln S. McGhee, 2014-12-18 The apocalypse is a motif that lies behind many religious beliefs and practices War in Heaven Heaven on Earth theorizes the apocalyptic as it has arisen in a variety of religious traditions from Native American religion to Islam in Northern Nigeria and new terrorist movements Millennial theory and history are explored from the perspective of social psychology sociology and post modern philosophy The volume is unique in applying an analysis of millennial themes to a comparative study of religion

The Perspective from Mt. Sinai: The Book of Jubilees and Exodus Betsy Halpern-Amaru, 2015-09-16 Although termed the little Genesis the Book of Jubilees is significantly engaged with Exodus It reworks key Exodus narratives develops modules of Exodus law and highlights Exodus motifs The most fundamental connection to Exodus is the grounding of the two narrational structures of Jubilees in the scenario of Moses receiving a revelation on Mt Sinai In the frame an anonymous narrator develops the Mt Sinai setting of the work In the body an angel employs that setting as the present time pivot for a retrospect that moves backward and forward in time Focusing on the intersection of structure and content the study explores the relationship between the retrospective design of the angel narration and the exegesis The approach is a literary one that treats Jubilees as a unitary text that may reflect the work of a single author or of a final editor The analysis draws particular attention to manipulations of temporal and textual perspective that transform Exodus narratives facilitate the hermeneutical elaborations of Exodus law and effect cohesion in the revelation that is the Book of Jubilees Halpern Amaru s study makes a significant contribution to our understanding of biblical interpretation in Second Temple Judaism For example the reading of the Jubilees narrative of the exodus as a revelation of how God uses His heavenly forces i e Mastema and his demons as well as the angels of the presence on behalf of Israel has implications for the understanding of strategies that temper dualism in Second Temple Judaism

Mystical Approaches to God Elisabeth Müller-Luckner, 2006 Review quote A quote from a review of the product Dieser Band ist f r Religionswissenschaftler ein Glücksfall da er Beiträge namhafter Wissenschaftlerinnen und Wissenschaftler zu einem ebenso viel diskutierten wie wenig beherrschten Gebiet der Forschung aus der Perspektive dreier Religionen bietet Susanne Talabardon in Theologische Literaturzeitung Wer an der neueren Forschung zur Merkava Mystik interessiert ist erhält hier etwa 70 Seiten dichte Informationen die vor allem auch den von Scholem selbst bereits als Desiderat erkannten Bezug zu den damals erst anfänglich erforschten Qumran Texten herstellen
