But the Bible more than any other book is also the most maligned on the market Many of the cities of our culture dismiss the Word of God In *What If the Bible Had Never Been Written* D James Kennedy and Jerry Newcombe show that this collection of books was indeed the inspiration for almost all of the great explorers scientists writers artists politicians and educators the world has ever known That such a book which has influenced so many and stood the test of time for so long is dismissed as folklore or myth just goes to show what extremes nonbelievers will go to rationalize their behavior From the Ten Commandments which many of our laws and government are based upon to the Golden Rule a verse taken straight out of the New Testament to many of today s most common phrases and expressions there is no doubt as to the
