University of Notre Dame's Fighting Irish shares fourteen practices to help enrich your spirituality as you strive for heaven. In *Reaching for Heaven*, seasoned book editor Michael Amodei shares what older Catholics need to hear to make the most of their time. This book is a kind of wake up call; he writes a chance to become a better Catholic so that when we face that one on one with Jesus, we don't have to fear what is coming. He contends that even a small investment in time and energy thinking about your golden years can have a rich payoff as you remember the past, act in the present, and plan for the future. He builds on his own spiritually rich memories, including his view from the fifty yard line at Notre Dame Stadium, to show how you can invent your own life plan by selecting from spiritual habits and practices that have formed and strengthened Catholics for centuries. By creating both short and long term goals, you can cultivate a deeper prayer life by praying the Liturgy of the Hours, get more out of scripture by taking a class or participating in a group Bible study, make a pilgrimage to a holy site or shrine. Amodei recommends the Our Lady of Lourdes Grotto either in France or at the University of Notre Dame, correct past wrongs and heal past injuries not only by apologizing to someone you've hurt but also by making amends, strengthen family bonds by writing notes to tell family members what you appreciate about them, and draw closer to Mary by consecrating yourself to her. He guides you to use the power of memory to shape your understanding of who God is and who you truly are by putting what you learn into practice incrementally over time to achieve the optimal plan for meeting Jesus face to face. This plan can lead you towards Judgment Day with confidence, knowing that you've lived a life dedicated to love, service, and spiritual growth. The book includes questions for reflection. It is an excellent resource for personal or small group study.

Hall, 2020-02-05 Twenty years ago God led me to the writings of the church fathers and then on a journey that changed my life I discovered the amazing spiritual depth throughout all the eras of the church and began to realize that I was settling for scraps when God had prepared a banquet. This handbook was written as an aid to Christians from all traditions to help them hit the ground running to discover even greater depth and passion in their walk with Christ. **Your One-Stop Guide to Mary** Mitch

Finley, 2015-06-22 IF YOU WANT TO KNOW MORE ABOUT MARY THIS IS THE PLACE TO START. Mary, the Mother of Jesus, occupies a unique place in all of history. God chose her to be the mother of the Word, His only Son. And over the centuries Catholics have come to honor her as the Mother of God and the Mother of the Church. In *Your One-Stop Guide to Mary*, Mitch Finley has given us a concise but complete picture of the Blessed Virgin Mary, tracing her story from Scripture through the centuries. He describes her titles, informs us about Marian doctrines, explains her place in the liturgy, and tells us about her apparitions. If you want to know more about Mary and understand her role in the divine plan, this book is the place to start.

Mere Catholicism Daniel Agatino, 2018-12-08 From the Author C. S. Lewis. Mere Christianity is the obvious inspiration for the title of this book. In that book, Lewis uses the example of a person standing in a hall that is lined on both sides by rooms. Each room represents a different Christian tradition. He wanted to get readers into the hallway and let them choose for

themselves whether to enter Christianity by the door of Anglicanism Catholicism and so forth Mere Christianity brilliantly focuses on what essentially all Christians agree upon namely the Creed the canon of the New Testament etc However many of the great controversies between Protestants and Catholics are purposely not discussed There were ecumenical reasons for avoiding topics like papal primacy purgatory Marian devotions and so forth But by avoiding these sorts of topics Mere Christianity can be read as Mere Protestantism I wrote Mere Catholicism to address some of those missing topics Even though I am both intellectually and emotionally convinced of the truth of Catholic Christianity I am indebted to C S Lewis an Anglican for helping me better understand how Christianity offers the most compelling *raison d'être* His work and I hope my own is an exploration of faith seeking understanding to quote St Anselm of Canterbury Contents Preface Introduction Christianity in the Third Millennium¹ Faith and Reason² Freedom and Responsibility³ Work and Prayer⁴ Sin and Salvation Hamartiology and Soteriology⁵ Suffering and Love⁶ God Theology⁷ Jesus Christology⁸ Mary Mariology⁹ Saints and Angels Hagiology and Angelology¹⁰ The Church Ecclesiology¹¹ The Bible Bibliology¹² Humankind Creation and Last Things Anthropology and Eschatology Notes About the Author
