## **Quotable Bob Dole:**

**The Quotable Bob Dole** Jon Margolis, Robert J. Dole, 1996 Gathers selected quotations from Senator Dole's speeches and public statements about his career, women, marriage, politics, the Republican Party, his presidential campaign, and political issues

**The Quotable Hitchens** Windsor Mann, 2011-05-10 Includes never before collected quotes from the controversial best-selling author on hundreds of subjects from atheism and alcoholism to Iraq and George Orwell

*The Quotable George W. Bush* Bill Adler, 2011-05-13 I want you to tell your children that when they hear all the talk and all the speculation and all the thousands of hours of so-called experts babbling away about this or the other that the true policy of this government is to achieve peace for generations to come. And we can show the world the true face of America as well. Oh, it's a diverse face, no question about it, which is our strength, not our weakness. But it's a face that can be bound by common goals and common values. It's a face that can stand squarely in the face of evil by the collective acts of people doing good in America. You've read the Bushisms, but here is another portrait of the man and the politician. Long before then Governor of Texas, George W. Bush ran for the presidency; he was acknowledged by the media as someone who could be counted on to provide memorable quotes seemingly without much effort. Instead of focusing on the malapropisms and verbal stumblings for which this Bush is most infamous, *The Quotable George W. Bush* offers illuminating insights into the ideals, political and social philosophy, and leadership agenda of one of our most decisive, straightforward presidents. This book is the closest thing we have to a living memoir of the important years of President Bush's life, and it presents a true portrait of the man. The audience for *The Quotable George W. Bush* includes stalwart Republicans, conservatives, and the voting majority that consistently gives the president high marks and supports his administration without question.

**The Quotable Douchebag**, 2014-12-30 Did he really just say that? Douchebags have a gift for speaking the unspeakable. Vain, arrogant, brash, and clueless, they're the worst the male species has to offer, and now their most outlandish statements have been compiled into a single volume. *The Quotable Douchebag* features dozens of boneheaded and tasteless remarks from actors, musicians, athletes, and politicians, including David Hasselhoff: "There are many dying children out there whose last wish is to meet me." Gene Simmons: "I don't believe there's any difference between a monogamous and a polygamous relationship. Those are all just big words like gymnasium." Sean Hannity: "I'll tell you who should be tortured and killed at Guantanamo: every filthy Democrat in the U.S. Congress. And many, many more."

**The Quotable Mom** Kate Rowinski, 2004 Everyone has had a mother, and most of us would admit that these women have profoundly affected our lives. *The Quotable Mom* gathers together some of the wisest and most memorable words ever written or spoken about and by the women who gave birth to us. This well-rounded volume includes quotes from individuals as diverse as Mick Jagger, Ann Landers, Mother Teresa, and Beatrix Potter. This gem of a book makes the perfect gift for any mother or grandmother. It is a heartwarming and inspiring collection of humorous, profound, thoughtful, and compelling remarks and observations by and about mothers and their children. Publisher description

**Speechwriting in Perspective** Thomas H. Neale, Jean M. Bowers, 2003 Writing for the spoken word is a special discipline it requires that speechwriters products be written primarily although not exclusively to be heard not read Speeches are better cast in simple direct and often short sentences that can be easily understood by listeners Rhetorical devices such as repetition variation cadence and balance are available to and should be used by the speechwriter It is important for speechwriters to analyse audiences according to factors such as age gender culture profession and income level size of audience political affiliation if any and on the occasion for or purpose of the speech Most effective speeches do not exceed 20 minutes in length After researching a topic speechwriters must prepare an outline from which the speech will be developed They should strive to maintain a clear theme throughout the speech Most speeches will have a three part structure consisting of an introduction a body and a conclusion The accepted style of contemporary American public address is natural direct low key casual and conversational This puts the listeners at ease and promotes a sense of community between the audience and speaker Punctuation should reflect the sound structure of the speech reinforcing the rhythm and pace of actual speech Clarity of expression is as important a consideration in speech grammar as rigid adherence to the rules for written law This book presents the essentials of speechwriting Preface Speechwriting in Perspective A Brief Guide to Effective and Persuasive Communication Thomas H Neale Public Speaking and Speechwriting Selected References Jean M Bowers Index

**Leadership Matters** Thomas E. Cronin, Michael A. Genovese, 2015-11-17 Some leaders fundamentally alter the status quo whilst others guide quietly Most leadership books emphasise specific rules but Tom Cronin and Michael Genovese see leadership as filled with paradox Leadership Matters offers a different view of leadership one that builds community and responds creatively to new situations Cronin and Genovese argue that leadership is about more than just charisma and set leaders on to a different path to unleash the power of paradox
