FAMOUS SUCCESS QUOTES Aberdin Louis,2016-01-18 believe in everyone who has goals they are willing to work hard to attain I have learned over the years that you have to have a vision that feels so vivid that it is true before it ever manifests in real life Everyone who asks me what how or when to pursue their goals I say to them this you have already accomplished most of what you are trying to do because you know what you want The other 50% is working as much as it takes to attain and maintain your vision Lastly when it comes to money the preservation of wealth is as or more important than the accumulation of wealth Think of all of this as you set out on your journey to make your vision a reality The benefits of positive emotions don't stop after a few minutes of good feelings subside In fact the biggest benefit that positive emotions provide is an enhanced ability to build skills and develop resources for use later in life
