Culley, 2014-07-22 British Women's Life Writing 1760 1840 brings together for the first time a wide range of print and manuscript sources to demonstrate women's innovative approach to self representation It examines canonical writers such as Mary Wollstonecraft Mary Robinson and Helen Maria Williams amongst others

Mafia Life Federico Varese, 2017-06-29 We see mafias as vast powerful organisations harvesting billions of dollars across the globe and wrapping its tentacles around everything from governance to finance But is this the truth Travelling from mafia initiation ceremonies in far flung Russian cities to elite gambling clubs in downtown Macau Federico Varese sets off in search of answers Using wiretapped conversations interviews and previously unpublished police records he builds up a picture of the real men and women caught up in mafia life showing their loves and fears ambitions and disappointments as well as their crimes Mafia Life takes us into the real world of organised crime where mafia henchmen worry about their bad managers and have high blood pressure assassinations are bungled as often as they come off and increasing pressure from law enforcement means that a life of crime is no longer lived in the lap of luxury As our world changes so must the mafia Globalisation migration and technology are disrupting their traditions and threatening their revenue streams and the mafiosi must evolve or die Mafia Life is an intense and totally compelling look at an organisation and the daily life of its members as it gets to grips with the modern world Out now in paperback

Genre and Women's Life Writing in Early Modern England Michelle M. Dowd, Julie A. Eckler, 2016-04-15 By taking account of the ways in which early modern women made use of formal and generic structures to constitute themselves in writing the essays collected here interrogate the discursive contours of gendered identity in sixteenth and seventeenth century England The contributors explore how generic choice mixture and revision influence narrative constructions of the female self in early modern England Collectively they situate women's life writings within the broader textual culture of early modern England while maintaining a focus on the particular rhetorical devices and narrative structures that comprise individual texts Reconsidering women's life writing in light of recent critical trends most notably historical formalism this volume produces both new readings of early modern texts such as Margaret Cavendish's autobiography and the diary of Anne Clifford and a new understanding of the complex relationships between literary forms and early modern women's selves This volume engages with new critical methods to make innovative connections between canonical and non canonical writing in so doing it helps to shape the future of scholarship on early modern women

Publishing Women's Life Stories in France, 1647-1720 Elizabeth C. Goldsmith, 2017-03-02 In this new study Elizabeth Goldsmith continues her pursuit of issues treated in her earlier books on conversation epistolary writing and the female voice in literature She examines how French women in the seventeenth and early eighteenth centuries first came to publish their private life stories in doing so she explores what the writers have to say about why they decide to write about themselves what they choose to write how they get their stories circulated and printed and what they do to defend themselves against the threat to personal reputation and credibility that

was implied by such public self exposure Goldsmith scrutinizes the autobiographical writing of six women all of whom were for different reasons the objects of fairly intense publicity during their lifetime at the historical moment when the idea of publicity via the printed word was still a new concept Three of the women Jeanne des Anges Marie de l Incarnation and Jeanne Guyon were charismatic religious figures whose writings were widely circulated The other three writers the sisters Hortense and Marie Mancini and Madame de Villedieu are more worldly but like their spiritual counterparts they undertook self publication as a form of conversation with the world and a way of participating in other forms of public discourse Publishing Women s Life Stories in France 1647 1720 considers the different forms that the life writing of these three women took autobiographies letter correspondences which in four of the six cases have never before been published trial transcripts testimonials published as part of other authors works and written self portraits that were circulated among friends Drawing on the work of Michel de Certeau on voice and communities of readers in the 17th century as well as the work of Roger Chartier and other historians of the book and print culture Goldsmith retraces the complicated networks of human interaction that underlie these early a

Quotations From Women On Life: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
