Successful Christianity Dr. Roger Price, 2008-05-23 The world is full of religions espousing man's ideas of how to get to their particular gods or goddesses and to gain their favor These people seem to be in a continuous state of failure *Successful Christianity* explores the Christian faith in which there are those also who struggle to be on top of things in life This book gives multiple avenues of overcoming what is seen by some as a person's fate in life From failures in finances to poor health I point out that there has to be a change in our thinking if we are to ever be successful in our walk with the Lord Proposing that God wants us to be successful in life Scripture is called upon to point out the various avenues in which we please God by our faith and actions that back up that faith which will bring success Our focus on a growing relationship with our Lord and His Word I am convinced is the avenue of success for the Christian That is my experience and I pray you find it true also
