ever been written about them before No you don t need a super deluxe specially carved waffle whistle or an extra special self propelling miniature hammer You don t even need a pair of fork tongued turf pliers To play these games all you need is a bunch of ordinary objects Stuff The sort of things everyone has lying around the house You don t have to get all artsy fartsy creative building things either Not at all Most of the things you need can be put together in five minutes or less You just have to gather up some stuff and start playing Fans of these outrageous games don t want to do anything else Go ahead ask them Nope there s nothing like an outrageous game Your life will never be the same Yesterday morning I played Klutz Futz for three whole hours Then I spent the entire afternoon doing the Water Waddle with friends To be brutally honest though most of these games do have one drawback in the end someone will lose But don t let that put a damper on things It might not be you Not if you keep Playing with Stuff
