Race Crime And Punishment:

Race, Crime, and Punishment Keith O. Lawrence, 2011 *Race, Crime, and Punishment* Delores D. Jones-Brown, 2000
A thoughtful study goes beyond simple statistics and anecdotal evidence to examine the issue of race in crime and criminal justice *Malign Neglect* Michael Tonry, 1995 Tonry focuses on the racial disparities in the criminal justice system especially apparent discrimination toward black males **Race, Crime, and Justice** Shaun Gabbidon, Helen Taylor Greene, 2013-10-18 A comprehensive collection of the essential writings on race and crime this important Reader spans more than a century and clearly demonstrates the long standing difficulties minorities have faced with the justice system The editors skillfully draw on the classic work of such thinkers as W E B DuBois and Gunnar Myrdal as well as the contemporary work of scholars such as Angela Davis Joan Petersilia John Hagen and Robert Sampson This anthology also covers all of the major topics and issues from policing courts drugs and urban violence to inequality racial profiling and capital punishment This is required reading for courses in criminology and criminal justice legal studies sociology social work and race

Malign Neglect--race, Crime, and Punishment in America Michael H. Tonry, 1995 From the acclaimed author of *Between Prison and Probation* comes a blistering attack on this nation's worn out misconceptions about race poverty crime and punishment and a fearless prescription for change a powerful book that provides devastating statistics on the human costs of our current criminal policies **Race, Crime, and the Law** Randall Kennedy, 2012-02-22 An admirable courageous and meticulously fair and honest book New York Times Book Review in which one of our most important and perceptive writers on race The Washington Post takes on a highly complex issue in a way that no one has before This book should be a standard for all law students Boston Globe In this groundbreaking powerfully reasoned lucid work that is certain to provoke controversy Harvard law professor Randall Kennedy takes on a highly complex issue in a way that no one has before Kennedy uncovers the long standing failure of the justice system to protect blacks from criminals probing allegations that blacks are victimized on a widespread basis by racially discriminatory prosecutions and punishments but he also engages the debate over the wisdom and legality of using racial criteria in jury selection He analyzes the responses of the legal system to accusations that appeals to racial prejudice have rendered trials unfair and examines the idea that under certain circumstances members of one race are statistically more likely to be involved in crime than members of another *Race, Crime, and Policing in the Jim Crow South* Brandon T. Jett, 2021-07-07 Winner of the Florida Book Award general nonfiction category Throughout the Jim Crow era southern police departments played a vital role in the maintenance of white supremacy Police targeted African Americans through an array of actions including violent interactions unjust arrests and the enforcement of segregation laws and customs Scholars have devoted much attention to law enforcement's use of aggression and brutality as a means of maintaining African American subordination While these interpretations are vital to the broader understanding of police and minority relations Black citizens have often come off as powerless in their

encounters with law enforcement Brandon T Jett's *Race Crime and Policing in the Jim Crow South* by contrast reveals previously unrecognized efforts by African Americans to use manage and exploit policing In the process Jett exposes a much more complex relationship suggesting that while violence or the threat of violence shaped police and minority relations it did not define all interactions Black residents of southern cities repeatedly complained about violent policing strategies and law enforcement's seeming lack of interest in crimes committed against African Americans These criticisms notwithstanding Blacks also voiced a desire for the police to become more involved in their communities to reduce the seemingly intractable problem of crime much of which resulted from racial discrimination and other structural factors related to Jim Crow Although the actions of the police were problematic African Americans nonetheless believed that law enforcement could play a role in reducing crime in their communities During the first half of the twentieth century Black citizens repeatedly demanded better policing and engaged in behaviors designed to extract services from law enforcement officers in Black neighborhoods as part of a broader strategy to make their communities safer By examining the myriad ways in which African Americans influenced the police to serve the interests of the Black community Jett adds a new layer to our understanding of race relations in the urban South in the Jim Crow era and contributes to current debates around the relationship between the police and minorities in the United States

[Encyclopedia of Race and Crime](#) Helen Taylor Greene, Shaun L. Gabbidon, 2009-04-14 The organization of the reader's guide especially the groupings of landmark cases race riots and criminology theories is impressive Other related titles lack the breadth detail and accessibility of this work Recommended for all libraries essential for comprehensive social studies collections Library Journal As seen almost daily on local and national news race historically and presently figures prominently in crime and justice reporting within the United States in the areas

of hate crimes racial profiling sentencing disparities wrongful convictions felon disenfranchisement political prisoners juveniles and the death penalty and culturally specific delinquency prevention programs The Encyclopedia of Race and Crime covers issues in both historical and contemporary context with information on race and ethnicity and their impact on crime and the administration of justice These two volumes offer a greater appreciation for the similar historical experiences of varied racial and ethnic groups and illustrate how race and ethnicity has mattered and continues to matter in the administration of American criminal justice Key Features Covers a number of broad thematic areas basic concepts and theories of criminal justice the police courts and corrections juvenile justice public policy the media organizations specific groups and populations and specific cases and biographies Addresses such topics as gender hate bias crimes immigrant experiences international and cross cultural issues race and gangs and race and law Presents experiences of all major racial and ethnic groups in the U S including Asians Blacks Latinos Native Americans and Ethnic Whites as well as religious minorities such as Muslims Includes coverage of recent incidents like the alleged rape of a black female North Carolina Central University student by white male members of the Duke University Lacrosse Team the Jena 6 incident the Tulia Texas drug arrests the Rodney King beating the O J Simpson trials in the 1990s and more recent racial profiling incidents Two appendices provide information on locating and interpreting statistical data on race and crime as well as detailed instructions on how to access statistical data on the web for such specific areas as arrests drugs gang membership hate crimes homicide trends juvenile justice prison populations racial profiling the death penalty and victimization Because the topic of race and crime is of wide interest and relevance entries in this Encyclopedia are written in an accessible style to appeal to a broad audience making it a welcome addition to academic and public libraries alike Bad Girls Leigh-Anne Francis, 2014

Race and Crime Elizabeth Brown, George Barganier, 2018-10-02 Criminal justice practices such as policing and imprisonment are integral to the creation of racialized experiences in U S society Race as an important category of difference however did not arise here with the criminal justice system but rather with the advent of European colonial conquest and the birth of the U S racial state Race and Crime examines how race became a defining feature of the system and why mass incarceration emerged as a new racial management strategy This book reviews the history of race and criminology and explores the impact of racist colonial legacies on the organization of criminal justice institutions Using a macrostructural perspective students will learn to contextualize issues of race crime and criminal justice Topics include How coloniality explains the practices that reproduce racial hierarchies The birth of social science and social programs from the legacies of racial science The defining role of geography and geographical conquest in the continuation of mass incarceration The emergence of the logics of crime control the War on Drugs the redefinition of federal law enforcement and the reallocation of state resources toward prison building policing and incarceration How policing courts and punishment perpetuate the colonial order through their institutional structures and policies Race and Crime will help students understand how everyday

practices of punishment and surveillance are employed in and through the police courts and community to create and shape the geographies of injustice in the United States today *Policing and Race in America* James D. Ward, 2017-12-27 This edited collection explores policing in America in regards to minority groups The essays discuss how the relationship between police and minority groups affects politics the economy and minority groups daily lives and success The contributors explore the Black Lives Matter movement the Detroit Los Angeles and Atlanta Police Departments immigration incarceration community policing police violence and detail causes theories and solutions to this important phenomenon **Social Psychology** Robin R. Vallacher, Peter M. Gollwitzer, 2024-12-31 This topical textbook provides a thorough insight into the discipline of social psychology presenting students with a rich and engaging account of the human social experience Fully revised the second edition includes a greater emphasis on cutting edge topics within social psychology including AI virtual reality social media and political polarization The textbook uses an accessible and readable style to show how the field's dizzying and highly fragmented array of topics models theories and paradigms can best be understood through a coherent conceptual narrative that builds on learning from previous chapters The text also examines recent developments such as how computer simulations and big data supplement the traditional methods of experiment and correlation It contains a range of features including key term glossaries and compact summing up and looking ahead overviews for ease of reading *Social Psychology Exploring the Dynamics of Human Experience* covers an enormous range of topics from self concept to social change making this comprehensive textbook essential reading for any student of social psychology Radical Critiques of the Law Stephen M. Griffin, Robert C. L. Moffat, 1997 The past two decades have seen an outpouring of work in legal theory that is self consciously critical of aspects of American law and the institutions of the liberal state In this lively volume eminent scholars in philosophy law and political science respond to this recent scholarship by exploring what constitutes a radical critique of the law examining such theories as critical legal studies feminist theory and theories of difference and critical race theory The authors consider whether the critiques advanced in recent legal theory can truly be called radical and what form a radical critique of American law should take Writing at the cutting edge of the critique of critical legal theory they offer insights first on critical legal scholarship then on feminist political and legal theory A third group of contributions questions the radicalness of these approaches in light of their failure to challenge fundamental aspects of liberalism while a final section focuses on current issues of legal reform through critical views on criminal punishment including observations on rape and hate speech Each major essay describes the underlying principles in the development of a radical legal theory and addresses unresolved questions relating to it while accompanying commentaries present conflicting views The resulting dialogue explores wide ranging issues like equity value relativism adversarial and empathic legal advocacy communitarianism and the social contract impartiality and contingency natural law and corrective justice A common thread for many of the articles is a focus on the social dimension of society and law which finds the individualism of

prevailing liberal theories too limiting Radical Critiques of the Law is particularly unique in presenting critical and feminist approaches in one volume along with skeptical commentary about just how radical some critiques really are Proposing alternative critiques that embody considerably greater promise of being truly radical it offers provocative reading for both philosophers and legal scholars by showing that many claims to radicalism are highly problematic at best

Locking Up Our Own James Forman, Jr., 2017-04-18 Winner of the Pulitzer Prize for General Non Fiction Long listed for the National Book Award Los Angeles Times Book Prizes Finalist New York Times Book Review s 10 Best Books of the Year A beautiful book written so well that gives us the origins and consequences of where we are I can see why the Pulitzer prize was awarded Trevor Noah The Daily Show Former public defender James Forman Jr is a leading critic of mass incarceration and its disproportionate impact on people of color In Locking Up Our Own he seeks to understand the war on crime that began in the 1970s and why it was supported by many African American leaders in the nation s urban centers Forman shows us that the first substantial cohort of black mayors judges and police chiefs took office amid a surge in crime and drug addiction Many prominent black officials including Washington D C mayor Marion Barry and federal prosecutor Eric Holder feared that the gains of the civil rights movement were being undermined by lawlessness and thus embraced tough on crime measures including longer sentences and aggressive police tactics In the face of skyrocketing murder rates and the proliferation of open air drug markets they believed they had no choice But the policies they adopted would have devastating consequences for residents of poor black neighborhoods A former D C public defender Forman tells riveting stories of politicians community activists police officers defendants and crime victims He writes with compassion about individuals trapped in terrible dilemmas from the men and women he represented in court to officials struggling to respond to a public safety emergency Locking Up Our Own enriches our understanding of why our society became so punitive and offers important lessons to anyone concerned about the future of race and the criminal justice system in this country

Hip-hop Revolution Jeffrey Ogbonna Green Ogbar, 2007 As hip hop artists constantly struggle to keep it real this fascinating study examines the debates over the core codes of hip hop authenticity as it reflects and reacts to problematic black images in popular culture placing hip hop in its proper cultural political and social contexts

Correction Ben Austen, 2023-11-07 NYT EDITOR S CHOICE WASHINGTON POST BEST NONFICTION OF 2023 Shortlisted for the 2024 Chicago Review of Books Award FROM THE CRITICALLY ACCLAIMED AUTHOR OF HIGH RISERS comes a groundbreaking and honest investigation into the crisis of the American criminal justice system through the lens of parole Perfect for fans of Michelle Alexander s The New Jim Crow and Bryan Stevenson s Just Mercy Correction ranks among the very best books on life inside and outside of prison I have ever read Matthew Desmond Pulitzer Prize winning author of Evicted Correction provides a revelatory lens for examining mass incarceration The Washington Post A Most Anticipated Book of 2023 Chicago Review of Books The Chicago Tribune The Next Big Idea Club The United States alone locks up a quarter of the world s incarcerated people And yet apart from clich s paying

a debt to society you do the crime you do the time there is little sense collectively in America what constitutes retribution or atonement We don't actually know why we punish Ben Austen's powerful exploration offers a behind the scenes look at the process of parole Told through the portraits of two men imprisoned for murder and the parole board that holds their freedom in the balance Austen's unflinching storytelling forces us to reckon with some of the most profound questions underlying the country's values around crime and punishment What must someone who commits a terrible act do to get a second chance What does incarceration seek to accomplish An illuminating work of narrative nonfiction Correction challenges us to consider for ourselves why and who we punish and how we might find a way out of an era of mass imprisonment *Race, Gender, and Punishment* Mary Bosworth, Jeanne Flavin, 2007 In this book Mary Bosworth and Jeanne Flavin bring together twelve original essays by prominent scholars to examine not only the discrimination that is evident but also the structural and cultural forces that have influenced and continue to perpetuate the current situation Contributors point to four major factors that have impacted public sentiment and criminal justice policy colonialism slavery immigration and globalization In doing so they reveal how practices of punishment not only need particular ideas about race to exist but they also legitimate them

Caught Marie Gottschalk, 2016-02-16 A major reappraisal of crime and punishment in America The huge prison buildup of the past four decades has few defenders yet reforms to reduce the numbers of those incarcerated have been remarkably modest Meanwhile an ever widening carceral state has sprouted in the shadows extending its reach far beyond the prison gate It sunders families and communities and reworks conceptions of democracy rights and citizenship posing a formidable political and social challenge In *Caught* Marie Gottschalk examines why the carceral state remains so tenacious in the United States She analyzes the shortcomings of the two dominant penal reform strategies one focused on addressing racial disparities the other on seeking bipartisan race neutral solutions centered on reentry justice reinvestment and reducing recidivism With a new preface evaluating the effectiveness of recent proposals to reform mass incarceration *Caught* offers a bracing appraisal of the politics of penal reform **Racing Research, Researching Race** France Winddance

Twine, Jonathan W. Warren, 2000 A white woman studies upper class eighth grade girls at her alma mater on Long Island and finds a culture founded on misinformation about its own racial and class identity A black American researcher is repeatedly assumed by many Brazilian subjects to be a domestic servant or sex worker *Racing Race Researching Race* is the first volume of its kind to explore how ideologies of race and racism intersect with nationality and gender to shape the research experience Critical work in race studies has not adequately addressed how racial positions in the field as inflected by nationality gender and age generate numerous methodological dilemmas *Racing Research Researching Race* begins to fill this gap by infusing critical race studies with more empirical work and suggesting how a critical race perspective might improve research methodologies and outcomes The contributors to the volume encompass a wide range of disciplinary backgrounds including anthropology sociology ethnic studies women's studies political science and Asian American studies
