Race Racism And The Biblical Narratives:

Race, Racism, and the Biblical Narratives Cain Hope Felder, 2023-05-23 Race Racism and the Biblical Narratives is a critical essay from *Stony the Road We Trod* African American Biblical Interpretation written by the project's editor Cain Hope Felder now in a concise stand alone book In this important work Felder clarifies the profound differences in racial attitudes in the biblical world and now The book reveals the processes at work in both the New and Old Testaments that reflect ancient ambiguity about what we call race Felder uncovers misuses of the biblical text such as the so called curse of Ham in subsequent interpretation and shows how the Bible has been used to trivialize African contributions and demean and enslave Black people Race Racism and the Biblical Narratives challenges scholars and church people alike to a deeper and more honest engagement with the biblical text

Stony the Road We Trod Cain Hope Felder, 2021 A hallmark of American Black religion is its distinctive use of the Bible in creating community resisting oppression and fomenting social change *Stony the Road We Trod* accomplishes this and much more This expanded edition contains a new introduction and three new essays that underscore the historic importance of this book for a new generation

The Propagandists' Playbook Francesca Bolla Tripodi, 2022-01-01 An examination of what algorithmic polarization means for society and how conservative elites use media literacy tactics to spread propaganda *The Propagandists' Playbook* peels back the layers of the right wing media manipulation machine to reveal why its strategies are so effective and pervasive while also humanizing the people whose worldviews and media practices conservatism embodies Based on interviews and ethnographic observations of two Republican groups over the course of the 2017 Virginia gubernatorial race including the author's firsthand experience of the 2017 Unite the Right rally the book considers how Google algorithms YouTube playlists pundits and politicians can manipulate audiences reaffirm beliefs and expose audiences to more extremist ideas blurring the lines between reality and fiction Francesca Tripodi argues that conservatives who embody the Christian worldview give authoritative weight to original texts and interrogate the media using the same tools taught to them in Bible study for example using Google to fact check the news The result of this practice tied to conservative marketing tactics is more than a reaffirmation of existing beliefs it is a radicalization of content and a changing of narratives adopted by the media Tripodi also demonstrates the pervasiveness of white supremacy in the conservative media ecosystem as well as its mainstream appeal scope and spread

A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within Vanessa

Lovelace, 2024-05-29 The U S Declaration of Independence of 1776 decreed that all men were created equal and were endowed by their Creator with certain unalienable Rights Yet U S born free and enslaved Black people were not recognized as citizens with equal protections under the law until the passage of the Fourteenth Amendment Even then White supremacists impeded the equal rights of Black people as citizens due to their beliefs in the inferiority of Black people and that America was a nation for White people White supremacists turned to biblical passages to lend divine justification for

their views *A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within* analyzes select biblical narratives including Noah's curse in Genesis 9 Sarah and Hagar in Genesis 16 and 21 Mother in Israel in Judges 5 and Jezebel Phoenician Princess and Queen of Israel in 1 and 2 Kings This analysis demonstrates how these narratives were first used by ancient biblical writers to include some and exclude others as members of the nation of Israel and then appropriated by White supremacists in the antebellum era and the early twentieth century to do the same in America The book analyzes the simultaneously intersecting and interconnecting dynamics among race gender class and sexuality and biblical narratives to construct boundaries between us versus them particularly the politicization of motherhood to deny certain groups inclusion *They Were All Together in One Place? Toward Minority Biblical Criticism* Randall C. Bailey, Tat-siong Benny Liew, Fernando F. Segovia, 2021-01-20 Critics from three major racial ethnic minority communities in the United States African American Asian American and Latino American focus on the problematic of race and ethnicity in the Bible and in contemporary biblical interpretation With keen eyes on both ancient text and contemporary context contributors pay close attention to how racial ethnic dynamics intersect with other differential relations of power such as gender class sexuality and colonialism In groundbreaking interaction they also consider their readings alongside those of other racial ethnic minority communities The volume includes an introduction pointing out the crucial role of this work within minority criticism by looking at its historical trajectory critical findings and future directions The contributors are Cheryl B Anderson Francisco O Garcia Treto Jean Pierre Ruiz Frank M Yamada Gale A Yee Jae Won Lee Gay L Byron Fernando F Segovia Randall C Bailey Tat-siong Benny Liew Demetrius K Williams Mayra Rivera Rivera Evelyn L Parker and James Kyung Jin Lee *Insights from African American Interpretation* Mitzi J. Smith, 2017-05-01 Each volume in the Insights series discusses discoveries and insights gained into biblical texts from a particular approach or perspective in current scholarship Accessible and appealing to today's students each Insight volume discusses how this method approach or strategy was first developed and how its application has changed over time what current questions arise from its use what enduring insights it has produced and what questions remain for future scholarship Mitzi J Smith describes the distinctive African American experience of Scripture from slavery to Black Liberation and beyond and the unique angles of perception that an intentional African American interpretation brings to the text for a contemporary generation of scholars Smith shows how questions of race ethnicity and the dynamics of othering have been developed in African American biblical scholarship resulting in new reading of particular texts Further Smith describes challenges that scholarship raises for the future of biblical interpretation generally , *Marking Time* Rev. Barbara K. Lundblad, 2010-09-01 The preacher is too often caught between biblical and contemporary time Residing first in one then in the other the preacher must somehow find a way to bring the two times separate as they might seem together The temptation of course is to capitulate to one side or the other of this tension The preacher can reside solely in the biblical time offering the congregation what amounts to weekly lectures

on history and archeology spiced up with the occasional moralistic conclusion Or setting up shop permanently in contemporary time she or he can offer commentaries on society and culture that occasionally tip their hats in the direction of Scripture A third way contends Barbara Lundblad lies in marking time a way of allowing biblical time to speak to the contemporary world and vice versa When the preacher marks time he or she admits that there can be no one to one correspondence between the world of the text and the world of the congregation Nevertheless the preacher demonstrates that when the biblical text is let loose upon our day to day existence it challenges and judges redeems and sanctifies it infusing it with new meaning Likewise contemporary situations needs and experiences open up new possibilities within Scripture allowing the congregation to see truth in the text they had never before discovered there allowing them to discern the leading of the Spirit through the text and into the present moment In this volume which grows out of Lundblad s 2000 Beecher Lectures delivered at Yale Divinity School the author presents both an argument for the ongoing intersection of the biblical and contemporary worlds and examples of how that intersection might take place

Using Our Outside Voice Greg Carey, 2020-05-05 In *Using Our Outside Voice* Greg Carey contends that responsible public biblical interpretation requires the ability to enter a conversation about the Bible to understand the various arguments in play and to offer informed opinions that others can understand This role demands not only basic knowledge but also identifiable skills habits and dispositions Carey does not suggest that public interpreters of the Bible are more insightful or more correct than are other people But public biblical interpretation involves participating in reasoned conversations about the Bible and its significance People appeal to the Bible for all sorts of reasons The work of public biblical interpretation involves a level of accountability both scholarly and moral Carey encourages interpreters to develop proficiency in historical cultural and literary modes of interpretation as well as to cultivate familiarity with a broad range of interpretive options including those from diverse cultural locations and historical points of view Many interpreters work within the context of particular faith traditions and are accountable for engaging those traditions in meaningful constructive ways Public interpreters also are accountable for the ethical implications of their work *Using Our Outside Voice* is ideal for students in biblical studies and those who teach preach and interpret the Bible

Ham's Sin and Noah's Curse and BLESSING UTTERANCES Nicholas Oyugi Odhiambo, 2014-09-24 The thesis of this book is threefold First contrary to the increasingly popular understanding that the nature of Ham s offense was sexual we argue that this offense was nonsexual despite the presence of the phrase to see the nakedness of in Genesis 9 22 More specifically Ham s offense had less to do with seeing his father naked the seeing was

accidental Rather his fault lay with his choice to disclose to his brothers what he had seen as opposed to covering the nakedness of his father Second the most probable fulfillment of the Noah s curse is 1 the servitude of the Gibeonites 2 the enslavement of the Canaanites following the conquest or 3 the dominance of Rome and Greece over Tyre and Carthage respectively the events or phenomena least associated with the curse in our view are the following 1 the service of the four kings in Genesis 14 under Chedorlaomer and the king of Tidal 2 the subjection of the Egyptians and Babylonians by the Persians 3 the forced corv e service of the Egyptians by Pharaoh 4 the triumph of Israel over Egypt during the Exodus 5 the enslavement of the Africans and 6 the African s dark skin color Third whereas none of the proposals offered in regards to the phrase let him dwell in the tents of Shem correlate well with the exegesis of the blessing utterance we did find a viable candidate among the proposals related to the enlargement of Japheth viz geographical expansion *African American Religious Life and the Story of Nimrod* A. Pinn, Allen Dwight Callahan, 2007-12-25 The biblical text and its key figures have played a prominent role in the development of religious discourse on pressing socio political issues Slavery and continued discrimination were given theological sanction through the Old Testament story of Ham but what of his descendent Nimrod the hunter
