Race Sex And Gender:

Race, Sex and Gender in Contemporary Art Edward Lucie-Smith, 1994 One of the most significant developments in the art world of the 1970s 1980s and 1990s has been the rise to prominence of art made by minority cultures Race Sex and Gender examines the controversial challenges these groups present to today's artists and critics Works by African Americans feminists homosexuals and Latino Hispanics once considered marginal have come to transform contemporary art As this so called minority art has moved into a more dominant position museums once official symbols of culture have formed a more secure alliance with the avant garde The result is that minority art has become in effect our most major concern In this provocative volume art historian Edward Lucie Smith seeks to determine how these different groups came to acclaim and how they have revolutionized the kind of art shown in museums and galleries Cindy Sherman Robert Mapplethorpe Jean Michel Basquiat Nancy Spero Hannah Wilke Larry Fuente Cheri Samba and Martin Puryear are among those artists whose work is pictured and discussed as Lucie Smith probes issues of racial identity sexual orientation and gender politics Statements from the artists as well as from theoreticians and critics are given offering additional commentaries on these crucial new topics Organized by profusely illustrated chapters devoted to specific minority groups Race Sex and Gender is a timely introduction to the issues that are shaping contemporary art

After Identity Georgia Warnke, 2007 Social and political theorists have traced in detail how individuals come to possess gender sex and racial identities This book examines the nature of these identities Georgia Warnke argues that identities in general are interpretations and as such have more in common with textual understanding than we commonly acknowledge A racial sexed or gendered understanding of who we and others are is neither exhaustive of the meanings we can be said to have nor uniquely correct We are neither always or only black or white men or women or males or females Rather all identities have a restricted scope and can lead to injustices and contradictions when they are employed beyond that scope In concluding her argument Warnke considers the legal and policy implications that follow for affirmative action childbearing leave the position of gays in the military and marriage between same sex partners

Why Race and Gender Still Matter Maeve M O'Donovan, Namita Goswami, Lisa Yount, 2015-10-06 Intersectionality the attempt to bring theories on race gender disability and sexuality together has existed for decades as a theoretical framework The essays in this volume explore how intersectionality can be applied to modern philosophy as well as looking at other disciplines

The Meaning of Difference: American Constructions of Race, Sex and Gender, Social Class, Sexual Orientation, and Disability Karen Rosenblum, Toni-Michelle Travis, 2015-01-23 How do categories of people come to be seen as different How does being different affect people's lives What does difference mean at the level of the individual social institutions or society What difference does difference make The Meaning of Difference offers a conceptual structure and up to date readings on the differences distinctive to American life differences of race and ethnicity sex and gender social class sexuality and disability
